STATE OF UTAH
DIVISION OF WATER QUALITY
DEPARTMENT OF ENVIRONMENTAL QUALITY
SALT LAKE CITY, UTAH

UTAH POLLUTANT DISCHARGE ELIMINATION SYSTEM (UPDES) BIOSOLIDS PERMIT
NOTICE OF INTENT TO TERMINATE

Biosolids Permit No. UTL026077

In compliance with provisions of the Utah Water Quality Act, Title 19, Chapter 5, Utah Code (the "Act"),

The **GREAT OUTDOORS COMPOST TOILETS/VACATION RACES'**

Biosolids Permit No. UTL026077 for the

BERYL JUNCTION ECODRUM TREATMENT FACILITY

will be terminated on **Month** 1, 2026.

Signed this **XXth** day of **February** 2026.

Candice A. Hasenyager, P.E.
Director

I. PERMIT TERMINATION

A. Notice of Intent to Terminate

On December 1, 2025, the Division of Water Quality (DWQ) received a request from Great Outdoors Compost Toilets/Vacation Races to terminate its Utah Pollutant Discharge Elimination System (UPDES) Biosolids Permit for the Beryl Junction EcoDrum Treatment Facility (Facility). According to the request, the Facility has terminated all operations and is closed as of December 2022. As such, the Permit is no longer necessary, and therefore, the Director of DWQ (Director) is terminating the Permit.

The Director has determined that termination of the Permit is appropriate and has therefore prepared this Notice of Intent to Terminate, in accordance with Utah Administrative Code. Code R317-8-6.
