Hello Everyone,

I'm reaching out on behalf of the Vernal Recreation staff to discuss our Interagency Snow Grooming Agreement. While it's not looking snowy yet, we know it's coming! Let's get a meeting set for the start of 2026 to discuss logistics, update contacts, and see if any modifications need to be made.

Please respond to the following poll so we can set a time and date. We can meet in person in Vernal or hybrid depending on schedules.

RESOLUTION NO: 26-02

A RESOLUTION DECLARING THE EXISTENCE OF A DROUGHT EMERGENCY IN DAGGETT COUNTY,
UTAH - PURSUANT TO U.C.A. §17-8-7.

WHEREAS, DAGGETT County experienced a severe lack of normal snowfall and precipitation during the fall and winter of 2024-2026, likely resulting in another year of sustained drought during the growing season; and

WHEREAS, the drought conditions persist thus far in 2025, creating a threat to human health and safety, the environment, the agricultural industry, and the general economy of DAGGETT County; and

WHEREAS, the continued lack of adequate snowpack and moisture has resulted in lower stream and well flow rates, decreasing the culinary water supply and reducing supplies of available irrigation water necessary for cultivation of crops, livestock feed resources, and other public uses; and

WHEREAS, the ongoing drought will likely cause many livestock producers in DAGGETT County and throughout NORTHEASTERN Utah to reduce the size of their herds and force many of them to import feed from other states, which will create a major financial impact on livestock producers; and

WHEREAS, the continued lack of adequate precipitation, coupled with insect infestations and plant stress will likely result in less than normal agricultural production upon DAGGETT COUNTY farms throughout 2026, as well as a reduction of forage growth on the public and private rangelands within DAGGETT COUNTY; and

WHEREAS, the use of public and private rangelands within DAGGETT COUNTY have been and will likely be severely restricted or even temporarily suspended as a result of the continued lack of precipitation; and

WHEREAS, long range weather forecasts do not predict significant increases in precipitation in DAGGETT COUNTY and the State of Utah in general during 2026;

NOW, THEREFORE, BE IT HEREBY RESOLVED AS FOLLOWS:

Section 1. DECLARATION OF DROUGHT EMERGENCY. Pursuant to §17-8-7, Utah Code Annotated, 1953, as amended, we, the DAGGETT COUNTY Board of Commissioners, do hereby declare that a drought emergency exists within the jurisdictional boundaries of DAGGETT COUNTY, Utah.

Section 2. The provisions of this resolution and the provisions adopted or incorporated by reference are severable and the provisions of other resolutions in conflict with this resolution are hereby repealed.

Section 3. In the opinion of the DAGGETT County Commissioners, it is necessary for the preservation of the peace, health, and safety of the County and the inhabitants thereof that this resolution take effect immediately after its approval and adoption.
