61 Councilmember and Economic Development Board Chair Brian Hulet presented an annual report on the
62 Economic Development Board. The Economic Development Board of Payson promotes economic
63 development and improvements of all business conditions in Payson in order to maximize employment
64 opportunities, tax base, and quality of life. Brian indicated that board members consist of local business
65 owners and individuals who consult in the meetings. Working committees exist to support the ongoing
66 business of the Economic Development Board. Committee reports were as follows.
67

68 Golf Event Committee – Kris Phillips reported the committee’s objective to bring businesses into town.
69 The Golf Event tournament was started 10 years ago and has gotten to the point that many businesses
70 are excited to join and support the event. The governor and other important dignitaries regularly attend
71 the golf event each year.
72

73 Business Retention Committee – Robert Mills reported on new members that have joined the committee.
74 The committee supports businesses in the community by reaching out directly and having conversations
75 about what keeps them going along with what kind of struggles they face in Payson. He reported that the
76 goal of the committee was to provide opportunities for businesses to interact more. An event was held at
77 the movie theater where business owners could come together and network with each other. 40 people
78 attended the event and it was a positive experience for the city to interact with businesses, answer
79 questions, and work together.
80

81 UVU/MTECH (Education) Committee – Mark Kershaw reported that the education committee brings
82 together students in Payson that are passionate about growing businesses in the area. He reported the
83 committee promotes outreach programs for students that are geared specifically toward Payson City
84 businesses. Mark reported that the committee attends events throughout the year in Payson to support
85 interactions and bring education to the community. Mark stated the committee encourages students to
86 understand what business opportunities are available to them in the area.
87

88 Downtown Committee – Ty Jones reported that he has aligned efforts with citizens, business owners,
89 and the city through his non-profit organization to form the Downtown Alliance and Initiative. He
90 reported that 2025 was a great year for Downtown Payson. The purpose of the committee is to promote
91 business and tourism specifically on Payson Main Street. The committee also promotes preservation of
92 the area. Ty hopes community members remember how they feel when out and about in Downtown
93 Payson throughout the year. Events are held downtown throughout the year to bring interest to the area.
94 Through the efforts of the committee, a grant is being pursued to support efforts in highlighting the gem
95 that downtown and Main Street Payson is for the community.
