## **BACKGROUND DISCUSSION:**

Jason Saunders with Cal Ripken Baseball league has procured the last scoreboard to be placed on field #1 at the Ron Wood Memorial Baseball complex. The league has requested the scoreboards to be installed by city staff. If city council decides to fund the work, the city staff time, materials and services were estimated to cost approximately \$ 6,851.44. It is suggested that the funding be taken out of Parks Athletic fields' budget line.

Staff has prepared a material and labor cost estimate for the installation of the last scoreboard at the Ron Wood Memorial Park. Please see spreadsheet below for a description of costs.
