Board members watched a module training video outlining parent involvement including the benefits, challenges, and suggested framework.

Volunteer hours cannot be required, but are strongly encouraged. From what is logged by parent volunteers, Reagan sees a steady 7,000-10,000 hours of parent volunteer efforts year over year post-COVID. Joe inquired if this is meeting the needs and support of staff and teachers, Mr. Riggs noted that it is adequate and staff is good to reach out when they are in need of more support.

• **Board Self Evaluation**

Board members filled out a questionnaire evaluating the effectiveness of the board and areas of improvement or concern. Results will be compiled and reviewed at the next meeting.

Joe inquired of board members if the policy training preview the month prior to reporting on the policy is still effective and needed, board members feel as though this is no longer needed and just the reporting is adequate.
