Focused Marketing February-June, the biggest plus for us is that we will offer high school with flexibility.

We won't purchase any curriculum until July, students can print some PDFs at home instead of us sending them, shipping will go directly from vendors, and we shouldn't need any new staff.

E. Staffing Plan for 26-27

Need a high school advisor, will maintain SPED coordinators and number of class teachers. Not adding new staff but changing roles of those within. We should not need to add any staff for the upcoming year, as we have already
