3. Economic Development Board Report 6:06 p.m.

Councilmember and Economic Development Board Chair Brian Hulet presented an annual report on the Economic Development Board. The Economic Development Board of Payson promotes economic development and improvements of all business conditions in Payson in order to maximize employment opportunities, tax base, and quality of life. Brian indicated that board members consist of local business owners and individuals who consult in the meetings. Working committees exist to support the ongoing business of the Economic Development Board. Committee reports were as follows.

Golf Event Committee – Kris Phillips reported the committee’s objective to bring businesses into town. The Golf Event tournament was started 10 years ago and has gotten to the point that many businesses are excited to join and support the event. The governor and other important dignitaries regularly attend the golf event each year.

Business Retention Committee – Robert Mills reported on new members that have joined the committee. The committee supports businesses in the community by reaching out directly and having conversations about what keeps them going along with what kind of struggles they face in Payson. He reported that the goal of the committee was to provide opportunities for businesses to interact more. An event was held at the movie theater where business owners could come together and network with each other. 40 people attended the event and it was a positive experience for the city to interact with businesses, answer questions, and work together.

UVU/MTECH (Education) Committee – Mark Kershaw reported that the education committee brings together students in Payson that are passionate about growing businesses in the area. He reported the committee promotes outreach programs for students that are geared specifically toward Payson City businesses. Mark reported that the committee attends events throughout the year in Payson to support interactions and bring education to the community. Mark stated the committee encourages students to understand what business opportunities are available to them in the area.

Downtown Committee – Ty Jones reported that he has aligned efforts with citizens, business owners, and the city through his non-profit organization to form the Downtown Alliance and Initiative. He reported that 2025 was a great year for Downtown Payson. The purpose of the committee is to promote business and tourism specifically on Payson Main Street. The committee also promotes preservation of the area. Ty hopes community members remember how they feel when out and about in Downtown Payson throughout the year. Events are held downtown throughout the year to bring interest to the area. Through the efforts of the committee, a grant is being pursued to support efforts in highlighting the gem that downtown and Main Street Payson is for the community.

Strategic Plan/Web Site/Messaging Committee – to report later in the year.

Business Recruitment Committees – to report later in the year.

Brian Hulet reported on how the city's participation in the Utah Inland Port Authority is used as a tax differential financial through growth and development. The Utah Inland Port also incentivizes businesses to come to inland port areas. Brian reported on the Payson Innovation Center located in the MTech building as it provides businesses and residents with equipment to use so that individuals can grow their business. Brian reported on commercial and industrial projects that were completed and under construction. Mayor Wright reported that the board is active in business outreach.

Mayor Wright needed to leave the meeting and asked Brian Hulet to serve as mayor protem for the remainder of the meeting.

MOTION: Councilmember Ryan Rowley– To approve Brian Hulet as Mayor Protem for the remainder of the meeting. Motion seconded by Councilmember Bob Provstgaard Those voting yes: Brian Hulet, Anne Moss, Bob Provstgaard, Ryan Rowley, Lacey Smith. The motion carried.
