General Citizen Comment Period (At the conclusion of the Workshop Item)

The General Citizen Comment period is the time set aside for the public to comment on any City business, including any item listed on tonight's agenda. General Citizen Comment will begin no earlier than the conclusion of the workshop item. Citizen comment will also be taken during each Council Voting Item and each Public Hearing Item for comments related to those items.

Each speaker is allowed three minutes during each comment period. A speaker may comment during multiple comment periods, so long as the topic of the comment is different each time. No speaker will be permitted to comment more than once during any individual comment period.

Speakers wishing to comment live should attend the meeting in person or access the meeting virtually via the Zoom Webinar link. The call-in number is generally for listening only. You may also leave a written comment by emailing CitizenComment@sandy.utah.gov.
