## Partnership with Arts Council

- Center:
  - Large family collections coming in - no place for them in our small room - need a museum (Charlie's dream) - White family vehicles, etc.
  - Claudia has been researching options for a future museum talking with city council (Highland and others), Utah Historical Society, genealogists, and many more
  - Meeting with the Arts Council president Shauna Larson - they also need more space
  - We decided to work together
  - Formed board for the new Highland Center for Arts and Heritage - meets 2nd Mondays

- In the process of drawing up bylaws
- Center will include: museum, Arts classrooms, senior citizen center, auditorium & stage (theater and music groups)
- Mark has a letter of land the city has land for a Historical Society museum
- Looking for land options - 2 lots offered by city, possibly too small
- Hoping for an interactive family museum - Gale Center in South Jordan is a good example
- Ideas from Robert Uzelac - need to follow up
- Drawing initial ideas, looking for land
- Website – funds - 2 city council members gave us money to build a website
- Possibility to become a branch of Highland Arts Council so that we do not have to create our own 501c3; less problematic when creating the Center - don't want multiple competing 501c3 entities

Subcommittees and teams – growing our society – help finding people

- Early Family Collections: Additional Records - haven't yet invited the chair to the meeting
  - Help find out what will be coming in, what family stories/documents are out there
- Digitization – Histories, Documents, & Media, Highland Piper - update by Dane Wood
  - Dane will be the coordinator for Highland Piper with the Utah Historical Society
- Genealogical/Historical Research – AF Canyon, Cultural
  - Genealogy team will build upon Charlie's histories of each early family, using the documents and pictures being digitized

  - Newsletter - hoping Charlie will write a monthly clip; Brenda will create a children's activity
  - Highland Farmer's Market - future (May- September) - had a booth in the market last year (2024); Laury's suggestion: open the cabin at the same time
  - Highland Fling - need to find a person to head this next year; Ray - tractors and "floats", Laury did banners and stickers, Stice sisters in the parade, Ray's family helped with the luncheon; sad that 150 years of Highland wasn't more celebrated; different kinds of anniversaries ahead
  - DUP liaison - needed, Heather
  - Schools, seminar/story time, etc. - future; 4th grade curriculum; presentations to the 7th grade
  - Librarian - would like to work with us

Partnership with Arts Council

- Suggestion: for clear agreement about how we fit in the arts council as a branch, about moneys & item donations, how we are represented, not dependent upon Shauna's and Claudia's friendship - clearly documented
