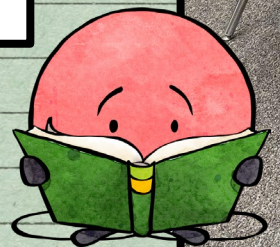
How Trust LANDS Funds make a meaningful DIFFERENCE…

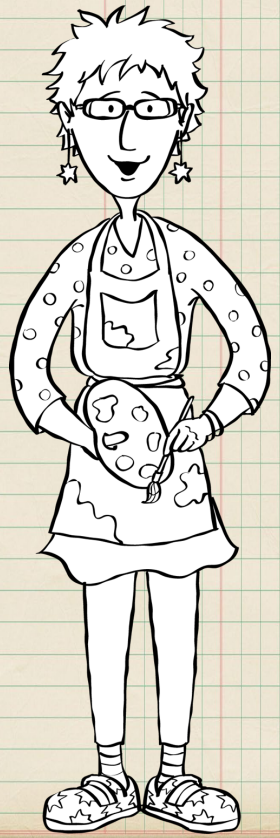
$166 per student…
we receive approximately $80,000 for our school.
We use these funds to provide support staff and update technology!

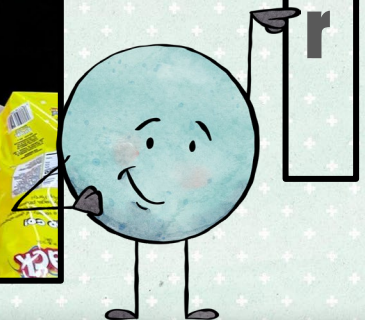
What People Do We Use?

We hire assistants to offer targeted support for struggling students to help them catch up in reading.



We hire an Art Aide for Specials:





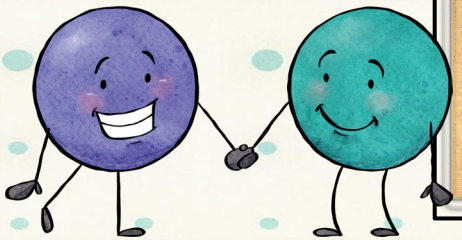
We Hire a S.T.E.M. Aide While We Have Interventions

Collaboration

We Hire a P.E. Aide to Enrich Our Students During

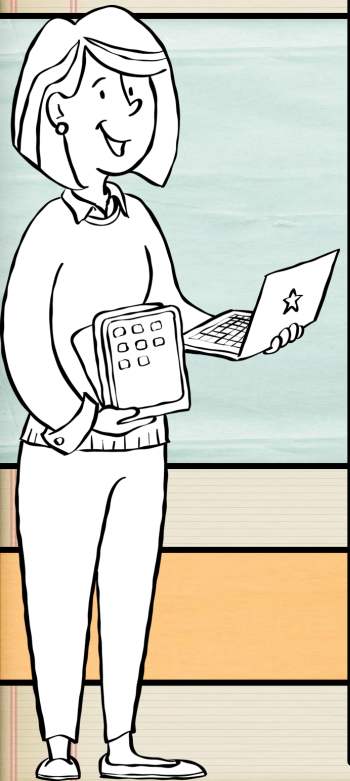
Collaboration Time

We Hire a BTS Theater Teacher For our PLC Time



PLC

We are better TOGETHER



Though only a small percentage, we use some of our funds to buy Chromebooks.
