

December Monthly Board Meeting Minutes  
Upper Community Recreation District  
Thursday, December 4, 2025  
Zoom Meeting  
6:00 pm

Welcome

Prayer: Danelle Brinkerhoff

Rodeo Grounds Budget – Reviewed the Rodeo Grounds budget. Bret spoke with the subcontractor on the grandstands, and we will be on budget with no surplus. They will be sending their final bill. Bret also checked the contract, and there is no option to get money back for the cement that was not poured. Bret checked with Korey, and the electrical work is included in the bid for the bathrooms. Johny talked to Jessen Electric, and we feel like there may be additional dollars in the electrical budget that can be used on some of the areas with shortfalls. The county is working on the grading on the South End of the arena and will help us out with costs as much as possible. Johny and Billy are working on moving the older grandstands to the South side. Scott Jessen is willing to help pound posts. The cost will be approximately \$1000. The posts will help stabilize the fencing in the arena in case the livestock runs into it. Bret will get a hold of the fencing company for the change order on the 2 posts. Reviewed the current gates and location in the arena, and may need to add 2 more gates so that access is easier. Sherrie will check and see if the announcer booth is on budget. Discussion on the reason for the legal fees, which included the attorneys and documentation when setting up the CIB loan. Sherrie will try to get a dollar amount for all of the volunteer work, including equipment usage.

The leftover bleachers will be donated to the park.

Trent motioned to Adjourn
