

## ORDINANCE 02-2026

### AN ORDINANCE OF THE SCOFIELD TOWN CODE MODIFYING WATER USER FEES AND CHARGES FOR CULINARY WATER SERVICE AND ESTABLISHING AN EFFECTIVE DATE.

THIS ORDINANCE REPEALS ANY PREVIOUS RESOLUTION OR ORDINANCE REGARDING CULINARY WATER RATES FOR THE TOWN OF SCOFIELD.

(REFERENCE RESOLUTION 02-2022, A RESOLUTION INCREASING THE MONTHLY WATER RATE AND ESTABLISHING A TIERED RATE FOR RESIDENTIAL AND COMMERCIAL WATER AND RESOLUTION 01-2024 A RESOLUTION AMENDING RESOLUTION 02-2022 TO INCLUDE AGRICULTURAL WATER RATES)

**WHEREAS**, the Scofield Town Council recognizes the need to modify culinary water user fees from time to time in order to cover the costs of the operation and maintenance of the culinary water system and other expenses related to providing safe and adequate drinking water services, including financing the replacement and upgrading of the system's infrastructure and equipment needed to operate the system, and to promote wise water use by Scofield Town's culinary water customers; and

**WHEREAS**, the Scofield Town Council has determined that changes to the culinary water rate schedule are necessary in order to provide sufficient revenue to meet debt service costs for infrastructure improvements, as well as establishing renewal and replacement funds to provide for replacement of facilities and equipment as necessary, as well as funding adequate savings for future needs; and

**WHEREAS**, to ensure the sustainability of the system for years to come, the Scofield Town Council recognizes the need to keep up with the increased yearly inflation costs of sustaining a viable culinary water system and the importance of maintaining that continuity throughout administrative changes that may occur, and hereby implement an **annual 2.5% fee increase** on all base and tier usage levels throughout the next five years **effective March 1st, 2027-2034**, in order to maintain and improve sufficient revenue to meet not only basic operations and maintenance costs of the system, but to meet debt service, future infrastructure improvements, renewal and replacement needs, and emergency funding that is vital to protect and preserve this system; and

**WHEREAS**, the Scofield Town Council will review the culinary water system budget annually to ensure revenues are meeting budget demands, debt service, repairs and improvements and savings needs wherein occasional adjustments may be needed and addressed accordingly to Utah State Code; and

**WHEREAS**, as of 1/01/2021, Utah State Code section 10-8-22(4) requires that water rates be established by ordinance;

**NOW THEREFORE, BE IT ORDAINED** by the Scofield Town Council that the following culinary water rates are put into place as follows and shall be reflected as such in the Scofield Town Municipal Code:
