

**CEDAR CITY  
CITY COUNCIL AGENDA ITEM  
STAFF INFORMATION SHEET**

**To:** Mayor and City Council

**From:** Shane Johnson / Jonathan Stathis

**Council Meeting Date:** January 28, 2026

**Subject:** **Consider roadway design modifications to the Cemetery Renovation Project – Phases 2R & 3R.**

Implement changes with either City In-House/Blanket Crews or Viking Excavation.

**Discussion:** The Cemetery Phase 3R contractor, Viking Excavation, has revised their estimate to complete the modifications requested in the Cemetery. If Viking is selected, then a change order would be made to their current contract.

Viking has refined their pricing, and the proposed cost has been reduced from \$25,261.00 to \$20,581.00. The estimated cost using the City's in-house/blanket contract crews would be \$14,030.00. If Viking were to do the work, they would be able to complete everything except the asphalt paving within a couple of weeks. They would need to wait for the hot plants to reopen in April to finish the asphalt.

The revised cost estimate from Viking is included with this information sheet.

**Estimate - Viking Exc. 1/23/26 Update  
Cemetery Planter Removal Change Order**

**Date: 1/23/26**

<u>Item</u>	<u>Description</u>	<u>Unit</u>	<u>Estimated Quantity</u>	<u>Unit Price</u>	<u>Amount</u>
