CITIZEN COMMENT(S)

Those wishing to have their comments read into the record may send an email by 5:00 p.m. the day prior to the meeting date to acallaway@murray.utah.gov. Comments are limited to three minutes or less (approximately 300 words for emails) and must include your name and address.

Marshall Smith came and spoke to the board prior to the meeting beginning. He feels that having coffee available helps to encourage and create a community gathering place. He came up with a solution. He has personally researched companies that provide coffee machines and service plans. There are two different types of machine ... one uses powdered coffee grounds and the other whole beans. They both offer the additional option of cocoa and lattes. The cost is \$50 or \$150 per month for service, depending on the machine. The packet of coffee grounds is about \$150 and has about 350 cups per bag; the beans are about the same cost and provide 550 cups. There is no contract required. Board and Center Director showed interest in the plan and Marshall will provide Cory with contact information for the company to further assess the possibility of changing the coffee offerings.

BUSINESS ITEM(S)

1. Fitness Class Fees

Discussed updating the fees so classes that are 30 minutes cost \$5, 45 minutes cost \$8, and 1 hour cost \$10. Talked about charging \$5/month for overall fitness class. Discussed layered fees for

- residents and non-residents.
2. Salt Lake County Center list (provided to members)
 3. Dishwasher Volunteers
Help with encouraging the Center to go green. Suggested to open to all participants and perhaps it may be only temporary.
 4. Thoughts on charging Overall Fitness \$5 per month (see #1)
 5. Update on ShowPass sales from the Senior Center
As of today, the Center has sold 392 tickets and has \$6000 gross revenue.
 6. Thoughts on offering Mother's Day Event, Oktoberfest, Mardi Gras every other year
The board like the idea of switching off between Oktoberfest and Mardi Gras. They do not like the Mother's Day tea because it is very exclusive (i.e. no Father's Day event) and may cause negative feelings for some women. They all feel that the Spring Fling is a more inclusive event.
 7. Ice machine tray to catch spillage of ice update
Bart is working on a retrofit for the tray as the manufacturer doesn't have an available option.
 8. Need to find bus drivers and hosts for our trips
Question was raised about insurance and as the drivers are Murray City staff, they are covered under the City's insurance policy when driving our van.
 9. Welcome Wendy Richhart as the new Recreation Coordinator
Marci Williams retired last month. Wendy brings a fresh and creative perspective to our programming.

REPORT(S)

Director's Report by Cory Plant

- Family concerts will resume in February 2026
- Jeff Martin is the new Parks and Recreation Director
- Discussed remodel/expansion of current location instead of relocating
One concern raised about enclosing the patio is the reduction in natural light.
- Thanks for all the positive comments at the City Council meetings.
