

# UTAH STATE BOARD OF EDUCATION

**Subject:**

ACTION: AI in Education

**Agenda item type:**

Information Item

**Recommended Action:**

That the Committee approve the updated changes to the AI Framework and forward to the Board for approval.

**Purpose of Memo:****Background:**

The Committee understood that this is a quickly changing area of education and asked that staff keep this topic on the Standards and Assessment Committee as an every other month agenda item for the foreseeable future. During this meeting an update to the AI Framework will be brought to the Committee for consideration.
