

Parks and Recreation Commission

January 2026

Vision: The Parks and Recreation Commission envision enhancing the emotional, social, and physical quality of life for our residents through a variety of exceptional parks and recreation experiences and service.

Mission Statement Our mission is to enrich the community by offering premier parks and recreation experiences. By providing beautiful spaces and opportunities for social interactions, we aim to foster a stronger, more connected community.

Goals

1. Closer integration with Parks and Recreation Operations

- Commission members will volunteer to attend/or support a minimum for two (2) recreation games or events per quarter.
- The Commission will assess assigned parks, notion any needed improvements and providing suggestions. Reports will be shard and discussed during each Commission meeting.

2. Community Involvement and Feedback

- Commission members will seek opportunities to engage with individuals or groups within the community to gather feedback. All feedback will be reported during scheduled Commission meetings.
- The Commission will promote outdoor activities by encouraging city residents to visit local parks and playgrounds with their families. Additionally, the Commission will organize and execute up to two (2) pop-up parks events to showcase a featured park and highlight available recreational opportunities.
 - Steed Pond Clean Up/Event no date or time has been set.
 - Howk-O-ween, October 24, 2026 for 4-6 pm at Barlow Pack.

3. Staff Appreciation

- The Commission will receive a nomination from a different department manger biyearly recognizing and showing appreciation to staff members who make a positive impact on the Clearfield community.
- Commissioner(s) will write an announcement for marketing to use in social/traditional media (Facebook, Clearfield Connections, etc.)
