Ready to start the theater production for February. Heidi needs 24 8x10 pictures either
framed or unframed of your or your kids weddings or travel pictures of interesting places that
you have been.

She needs a small sturdy school desk - Kelly has one

Shauna has talked to Robin who used to be with the city and she will come and do all
the refreshments for the productions. She will get heart shaped cookies and red fortune cookies
and hot chocolate. She will also decorate the entry.

Kelly asked if we are going to meet through Google meet for all of our meetings now, Shauna
answered that we will meet this way in February and about every three months we will have an
in house meeting.

Shauna appreciates Carol and Kathy for stepping up to help and for everyone's help.

Carol directed us to go around the group and report

Kerilynn: Started rehearsals yesterday, January 6th, had a good group. Still has some spots
available in the children's choir and the youth choir, but they are mostly full. The littles class is

full. Had a great concert in December, and thank you to those who helped. We had a smaller calendar in December which was good. She also had a new grandbaby on New years day.

Doug Courtney Three things:

- 1) Thank you to the Arts Council for the work on the Senior Social Hub, Kickoff in December went really well
- 2) Last night appointments were made and he will still be working with the Arts Council
- 3) Small fire at library on New Year's day, Will be a while to finish the cleanup but the library is open and operational in the meantime

Elaine - Nothing

Suzanne - Senior lunch was very nice, and all of the chairs were filled

Shauna - Talked to Karen at the Library and she is applying for funding to cover the costs of doing the Senior lunch every 3 months in the city council chambers

Kelly - Easter stuff? Shauna - There is no date yet but the city has just hired a new events planner. Shauna will meet with the event planner soon

Kelly will get with the youth and get them going on planning for the Easter event

Linda - Is falling behind, has several flyers to make. She said that when I posted the flyers for Gunther's classes that they filled right up. Linda's classes could use more students she has only 3 kids right now. She gave Kathy a calendar that she has posted on the facebook page, and there are hard copies of the calendar at the library

Kathy - reported that Highland Choral Arts concert in December was the best attended of all of their concerts so far. The concert went very well. They also performed with Jenny Oaks Baker at Abravanel Hall on December 23rd. That performance went very well, and Jenny told us that we were the best Choir she had worked with in the last 5 years. That made us feel good.

Auditions are being held on January 13th, and our rehearsals will begin on January 20th. Our first practice will be more of a social.

Carol & Elaine - Sew 'N Sews - meeting on the 3rd Friday each month at the Community Center. This year they are starting at 9:30 am. They have 20-25 people attending

Shauna was over to the community center today and the storage room is a big mess. There is a life size cutout for the play that everyone needs to be careful with. Arranged for people to come help clean up the room on Monday January 12th at 10:30 am

Meeting is adjourned. Kelly motions that we end the meeting, Linda seconded it at 6:43 pm
