**WHEREAS**, the MDA contains provisions in Section 10 governing defaults and remedies, including the requirement for written notice of default and a public Town Council meeting prior to pursuing remedies; and

**WHEREAS**, on January 13, 2026, the Town delivered a written Notice of Default (the "Notice") to the Master Developer via certified mail and regular mail, with copies transmitted by electronic mail where applicable, in accordance with Section 12 of the MDA, identifying multiple material defaults under the MDA, including, without limitation, unauthorized transfers of property subject to the MDA, unauthorized assignment of interests governed by the MDA without the required notice to the Town, and the failure to provide required development reports; and

**WHEREAS**, the Town has obtained information indicating that third-party creditors holding deeds of trust encumbering property subject to the MDA have recorded, or have threatened to record, notices of default, that deeds in lieu of foreclosure affecting such property may be recorded, and that a principal of the Master Developer has filed for personal bankruptcy, which circumstances have raised substantial concerns regarding the Master Developer's financial capacity and ability to perform its ongoing and future obligations under the MDA, even if a cure were otherwise possible; and

**WHEREAS**, based on the nature of the defaults, the surrounding financial and ownership circumstances, and the evidence presented, the Town has substantial and reasonable grounds to believe that the Master Developer lacks the present and prospective financial and operational capacity to perform its remaining obligations under the MDA in accordance with its terms, giving rise to a reasonable anticipation of continued nonperformance; and

**NOW, THEREFORE, BE IT RESOLVED** by the Town Council of Apple Valley, Utah, as follows:

1. The foregoing recitals are incorporated herein by this reference and adopted as the Town’s findings of fact and conclusions of law in support of this Resolution.

**WHEREAS**, on February 2, 2026, the Town conducted a meet and confer in accordance with the dispute resolution procedure of the MDA; and

**WHEREAS**, the foregoing breaches, whether considered individually or collectively, constitute material defaults under the MDA, many of which are incurable, and which substantially impair the essential purposes of the MDA and the Town's ability to rely on the Master Developer's continued performance thereunder; and

**WHEREAS**, based on the nature of the defaults, the surrounding financial and ownership circumstances, and the evidence presented, the Town has substantial and reasonable grounds to believe that the Master Developer lacks the present and prospective financial and operational capacity to perform its remaining obligations under the MDA in accordance with its terms, giving rise to a reasonable anticipation of continued nonperformance; and

**WHEREAS**, on February 24<sup>th</sup> 2026, the Planning Commission held a duly noticed public hearing pursuant to the Utah Open and Public Meetings Act; and

**WHEREAS**, on February 25<sup>th</sup> 2026 the Town Council held a duly noticed public council meeting during which the Town presented evidence of the defaults and the Master Developer (or its representatives) was given the opportunity to be heard; and

**WHEREAS**, the Town Council has considered all evidence, public input, and applicable law, and finds that the defaults are material, uncured, and in many respects incurable; and

**WHEREAS**, the Town Council finds that termination is necessary to protect the public interest and is consistent with the MDA and applicable law;

**NOW, THEREFORE, BE IT RESOLVED** by the Town Council of Apple Valley, Utah, as follows:

1. The foregoing recitals are incorporated herein by this reference and adopted as the Town’s findings of fact and conclusions of law in support of this Resolution.
2. The Town Council hereby finds and declares that the Master Developer is in material default under the MDA, and that such defaults have not been cured or are not reasonably capable of cure.
3. Pursuant to Section 10 of the MDA and applicable law, the Gooseberry Springs Ranch Master Development Agreement is hereby terminated, effective immediately upon adoption of this Resolution.
4. Upon termination of the MDA, all contractual rights, obligations, approvals, incentives, and vested development rights arising solely under the MDA are terminated and of no further force or effect. Nothing herein shall be construed to affect the Town’s generally applicable land use regulations or any rights or obligations that exist independent of the MDA.
5. Town staff is authorized and directed to take all actions reasonably necessary to implement this Resolution and the termination of the MDA, including providing notice of termination as permitted by law, withholding permits or approvals that are dependent upon the MDA, and recording notice of termination in the official records of Washington County.
6. This Resolution shall take effect immediately upon adoption.

**TOWN OF APPLE VALLEY**

**ORDINANCE NO. O-2026-06**

**AN ORDINANCE OF THE TOWN COUNCIL OF APPLE VALLEY, UTAH, REPEALING ORDINANCE O-2025-17 AND RESTORING THE PRIOR ZONING CLASSIFICATION FOR CERTAIN PROPERTY PREVIOUSLY REZONED FROM OST (OPEN SPACE TRANSITION) TO RE-1 (RURAL ESTATES 1 ACRE)**

**WHEREAS**, on or about May 14, 2025, the Town Council adopted Ordinance O-2025-17, which rezoned certain property associated with the Gooseberry Springs Ranch Master Development Agreement from OST (Open Space Transition) to RE-1 (Rural Estates 1 Acre); and

**WHEREAS**, Ordinance O-2025-17 was adopted in conjunction with the approval of the Gooseberry Springs Ranch Master Development Agreement (the "MDA") between the Town and Standard Development, LLC; and

**WHEREAS**, the Town has terminated the Gooseberry Springs Ranch Master Development Agreement pursuant to Resolution No. R-2026-13, and the Town Council has considered that action, along with current land use conditions, planning objectives, and the public interest, in reevaluating the appropriate zoning classification for the affected property; and

**WHEREAS**, the Town Council finds that the factual assumptions, development expectations, and public benefit considerations that supported the adoption of Ordinance O-2025-17 no longer exist, and that the zoning classification established by Ordinance O-2025-17 is no longer appropriate or consistent with the Town's land use objectives for the affected property; and

**WHEREAS**, the Town Council finds that repealing Ordinance O-2025-17 and restoring the prior zoning classification is necessary to promote orderly development, ensure consistency with the Town's general plan and land use regulations, and protect the public health, safety, and welfare; and

**WHEREAS**, the Town Council has considered the public interest, applicable law, and the procedural requirements of Utah Code Title 10, Chapter 9a, and determines that repeal is appropriate.

**NOW, THEREFORE, BE IT ORDAINED** by the Town Council of Apple Valley, Utah, as follows:

**Section 1. Repeal.** Ordinance O-2025-17, which approved a zone change from OST to RE-1 for certain property associated with the Gooseberry Springs Ranch Master Development Agreement, is hereby repealed in its entirety and declared null and void.

**Section 2. Reversion of Zoning.** Upon the effective date of this Ordinance, the zoning classification of the affected property shall revert to OST (Open Space Transition), as it existed immediately prior to the adoption of Ordinance O-2025-17.

**Section 3. Severability.** If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance.

**Section 4. Effective Date.** This Ordinance shall take effect immediately upon passage and publication as required by law.

**PASSED AND ADOPTED** by the Town Council of Apple Valley, Utah, this February 25th, 2026.
