Proposed Motion

The Governor's Office of Economic Opportunity Board recommends Schreiber Foods, Inc. (Logan Project), for a REDTIF post-performance

refundable tax incentive. This incentive is not to exceed a 25% reduction in state tax paid for 8 years on new state tax revenue above the baseline established for the preceding 12 months. New state revenue is projected to be \$17,380,126 over 8 years.

- Total REDTIF incentive not to exceed \$4,345,032 REDTIF post-performance refundable tax credit.
- Annual REDTIF incentive amount based on 25% of qualified new incremental state tax revenues generated and receipted in the previous calendar year.
- Total incentive not to exceed 25% of qualified new incremental state tax revenues over 8 years with a contractual recapture provision for any excess funds paid to the company.
- Must meet new qualified employment projections, employee headcount at the stated 100% wage criteria at 50% for each project year.
- Annual total project average salary of new employees (not each new position, this is an aggregate annual number) to be at least 100% the county average wage each excluding company contributed health insurance.
- Must commit to keep operation in Utah for the length of the incentive period, 8 years.
- Incentives are site specific and subject to local incentive participation.
- Local incentive proposal must be presented and approved by the GOEO Incentives Committee in order for the company to be eligible for the incentive.
- Only new state revenue and new jobs created after the GOEO Board final approval date are eligible for this incentive.
