CITIZEN COMMENTS

(Citizens who had submitted their question or concerns in writing prior to the meeting may speak at this time, if present, but will be limited to two minutes.)

No comments taken.

DISCUSSION ITEMS/ACTION ITEMS

Shay Morrison, Community Advisor.

The regional growth summit will be held May 6th from 5 pm to 9 pm in Richfield. The CIB deadline is February 2nd. To be eligibility you must be on annual CIB list and the deadline for that is May 1st. Mayor Jenkins said Council Member Maxfield is over grants and will work on this. He would also like to be involved in choosing items for the list. He asked if we got the PTIF accounts figured out. We are still working on them. He wanted to make sure the zoning map gets completed. There is currently funding available for help with an interactive zoning map. He will send a follow-up email to everyone with more information on the items he mentioned. Mayor Jenkins skipped ahead to discuss David Kono's business license and then came back to Dan Fechner with Jones & DeMille.

Dan Fechner, Jones & DeMille.

He handed out information on what is wrong with the water system. He explained what is happening and why. He gave a rough estimate on the repairs. Mayor Jenkins asked Shay if this project would be eligible for the CIB grant. Shay believes an emergency would qualify. Council Member Clements has been talking with Rural Water on funding options. A discussion took place on the type of repairs and what needs to be replaced. Council Member Nedreberg made a motion to move forward with the CIB application. Council Member Atherley seconded the motion. Mayor Jenkins called for a roll call vote - all in favor motion carried.

Dan said he received a call about using the dirt from the repository to repair some sinkholes around the area. Council Member Clements moved to use the dirt from the repository to repair the sinkholes. Council Member Nedreberg seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion carried.

Shelly Stansfield asked about getting an alcohol permit for the Elks Roaring 20's event being held on Feb 28th. She also brought up that they will need permits for the Elks Lodge during the Silver Jubilee on August 15th, the Company Store on August 16th, and the Elks Poker Run on June 13th. Mayor Jenkins stated he had talked to the Attorney concerning voting on this permit since it was not on the agenda and was told that a vote could be held on the February 28th event because there was prior discussion on it. Council Member Clements made a motion to allow the alcohol permit for the Elks Lodge Roaring 20's event on February 28. Council Member Atherley seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion carried.

Nina Higgs – Water Quality.
Not present at the meeting.

Laura Kirgan – Fire Hydrants.

Not present at the meeting. Mayor Jenkins said he spoke to Laura, and she would like to see the city get bids to make sure we are getting the best price available. Council Member Clements said she has one bid and will get the other bids. Laura said her company would be happy to provide a bid if needed. Council Member Clements will reach out to her.

Rocky Mountain Power Street Light LED Program.

Council Members Maxfield and Atherley had concerns about the cost of the program. Council Member Maxfield said, based on the city's bills from last year, the savings mentioned in the proposal did not add up. She will work on getting more information and the item was tabled until the next work meeting.

Government Tire Program.

Council Member Davis said he found a program that would save the city money on tires. He reached out to a vendor his company uses, and his vendor explained about the tire program. The city would need to open a government account to receive up to a 40% discount. Council Member Nedreberg made a motion to open the account. Council Member Davis seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion carried.

Mammoth Water Association.

Glen Wahlberg and T. J. Hannifin wanted to address the missing top hose at the Fill Station. The hose that was used to fill from the top disappeared about 3 weeks ago. The previous administration decided to remove it without contacting the other parties. There was a discussion on getting a 3-inch cam lock hose, cameras, and pressure regulators. Council Member Nedreberg made a motion to procure a 3-inch cam lock hose possible two depending on price for the fill station along with checking on the cameras, getting a waiver, and making sure we have correct pressure on the hose. Council Member Clements seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion carried. Glen asked the best way to contact the city in case of

problems with the Fill Station. They can contact the City Office or call the Mayor, Council, or the water operator. Their phone numbers are available on the website. The city has a backflow preventer that can be used in case the Fill Station goes down.

Appointment of Scott Pugh to Planning Commission.

There was a discussion on putting Scott as an intern secretary for the Planning Commission. Shay will work on a policy for a secretary for the Planning Commission. Council Member Atherley made a motion to approve Scott as an intern Secretary for the Planning Commission until a policy for a permanent solution is put in place. Council Member Nedreberg seconded the motion. Mayor Jenkins called for a roll call vote - all in favor motion carried.

Salary Increases for Employee Certifications.

Mayor Jenkins said the office staff brought this to his attention. The staff in the field get a dollar raise for the certificates they completed that are necessary for their job. The office staff do not. He would like to see this get taken care of and asked for a motion. Council Members Atherley and Nedreberg would like to table this item. They wanted to discuss this more at another meeting.

ATV Trail and Grant Discussion.

The item was tabled until the next meeting. The Chamber of Commerce has been working on this. Council Member Atherley asked if they have anything to report. It is mostly discussions right now. Council Member Davis explained what they wanted to do. Dan Fechner said there is funding available through March 2nd.

Chemtech – Move to ACH.

Council Member Nedreberg made a motion to move the Chemtech bill from being paid with a check to paying by ACH. Council Member Atherley seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion carried.

3-Inch Cam Lock Hose for Fill Station, Cameras for top-filling customers, and waiver.
This Items was discussed above during the Mammoth Water Association portion of the agenda.

Action on termination of employee.

Item not discussed.

Job Postings.

Mayor Jenkins explained why he would like to have a City Accountant. This person would help the office staff and provide budget information to Council and department heads. Council Member Nedreberg suggested asking our auditor Gilbert and Stewart to see if they could fill this position. Recorder Bigler would check to see if they can. We need to post for the position of backup for the crossing guard.

On-call stipends for staff working weekends.

There was a discussion on how to handle employees who are on-call during the weekends. Council Member Atherley wanted clarification on whether the employees would be considered on-call or call out. The Mayor wants it to be a three-hour on-call rotation for the weekends. Shay

will put together a policy with all the specifics. Council Member Nedreberg would like to table this item and discuss it at a Work Meeting.

Company phones for employees and Council Members.

Council Member Nedreberg would like to table this item and discuss it at a Work Meeting.

Review of 2025 Fraud Risk Assessment & Conflict of Interest Forms.

Mayor Jenkins would like the Council to get both forms filled out and turned in by the end of the month. Recorder Bigler will email out both forms to the Council

Mayor Jenkins: Town Hall announcement (Friday the 30th at 6:00 PM).

Mayor Jenkins said he will be holding a Town Hall Meeting at City Hall. It will be open mic for the public to ask questions or just talk to him.

PLANNING COMMISSION

David Kono – Application for Business License.

David gave a quick summary of what they are doing. They will be putting a storage container with a small sign on the property to meet the State guidelines for an online car dealership. There will be no cars on property. It will be located at 421 W Main which is just west of the Old Ambulance Shed. They will have the lot cleared off and put in some gravel to place the storage container on. Council Member Nedreberg made a motion to approve his application. Council Member Maxfield seconded the motion. Mayor Jenkins called for a roll call vote -all in favor motion carried.

CONSENT AGENDA

Approval of Consent Agenda Items.

Minutes from January 12, 2026.

Council Member Nedreberg made a motion to approve the minutes. Council Member Atherley seconded the motion. Mayor Jenkins called for a roll call vote – all in favor motion.

REPORT OF OFFICERS AND COMMITTEES

Charles Davis – He met with the Recreation Committee and needed clarification on who picks the Grand Marshall each year. Council Member Nedreberg said he believes it is the Recreation Committee. The Council has never done it. He would like to involve the Chamber of Commerce in that decision. He had some questions and concerns about the Recreation Committee budget. After some discussion he will come in and talk with Recorder Bigler and have her show him how their budget works.

Kimberly Clements – She spoke to Janell Braithwaite with Rural Water about grants to help with fixing our water system. After several complaints from citizens to the State about the quality of our water the State sent representatives from the Division of Drinking Water and the Division of Environmental Quality. We are working on solutions to get it fixed. She received a quote for the fire hydrants and will be working on getting some more.

Thomas Nedreberg – He attended a meeting with the League of Cities and Towns via Zoom. He summarized what was discussed in the meeting.

Raeleen Maxfield –She is working on the Rocky Mountain Power LED Streetlights and will be getting more information on it. She is looking at grants and projects to go along with them.

Tony Atherley – He met with the Planning Commission during their meeting. He gave a report on what they discussed at the meeting.

Mayor Robert Jenkins – He mentioned there is now a little library at Old City Hall. He will be holding his Town Hall meeting this Friday.

Recorder Bigler said her daughter works for the Utah County Public Defender’s Office. They are holding a clothing drive to help the clients who go to court. She would like to put a box here at City Hall for the donations and hang up a flyer. Mayor Jenkins didn’t have a problem with it.

ADJOURNMENT

Council Member Nedreberg made a motion to adjourn. Council Member Atherley seconded the motion. All in favor meeting adjourned.
