# Municipal Building Authority / City Council Meeting

## Minutes

Tuesday, January 13, 2026 at 7:00 pm

Attendees: Mayor Kevin Dunn, Councilmember Kirk Crowley, Councilmember Ron Skinner, Councilmember Nathan Chamberlain, Councilmember Shane Brewer, Councilmember Todd Westcott, City Manager Kaeden Kulow, Assistant City Manager Megan Gallegos, City Recorder Melissa Gill, Community Development/Deputy Recorder Jasmine Nielson

**Meeting Location: Hideout Community Center 648 S Hideout Way**

### Monticello City Council Meeting

#### 1. Call to Order

**Minutes:**

Mayor Dunn called the Monticello City Council meeting to order at 7:02 pm. The following visitors were present: Public Works Director Chris Baird, Rene Dunn, Tom Wigginton, Amy Westcott, Doug Allen, George Rice, Marti Brewer, Wanda Skinner, John Bucur (Airbuild), Lyon Hazleton, Janet Hazleton, Richard Russell, Jacqueline Latham, Carol Brewer, Joe Russell, Max Russell, Katy Russell, Kurt Dunn, Manike Pipkin

#### 2. Invocation/Opening Remarks/Pledge of Allegiance

**Minutes:**

Mayor Dunn invited any members of the audience or Council to offer an invocation. Councilmember Chamberlain provided the invocation. Mayor Dunn led all present in the Pledge of Allegiance.

#### 3. Recognition of Outgoing Monticello City Mayor and Councilmember

**Minutes:**

Mayor Dunn and City Manager Kulow recognized outgoing City Councilmember George Rice for his 12 years of service on the Monticello City Council. Outgoing Mayor Hedglin was unable to attend the meeting however they recognized her years of service as well.

#### 4. Oath of Office

**Minutes:**

City Recorder Gill issued the Oath of Office to Mayor Kevin Dunn, Councilmember Shane Brewer, and Councilmember Todd Westcott.

#### 5. Public Comment (discussion)

**Minutes:**

There was no public comment.

**6. Community Development Block Grant (CDBG) First Public Hearing**

**Minutes:**

FIRST CDBG PUBLIC HEARING MINUTES MONTICELLO CITY FIRST CDBG PUBLIC HEARING 648 S HIDEOUT WAY, MONTICELLO, UT, 84535 ON 01/13/2026 AT 7:09 PM

The Monticello City first CDBG public hearing was held on Tuesday January 13, 2026, in the Hideout Community Center, 648 S Hideout Way, Monticello Utah, meeting commenced at 7:09 pm. Present: Mayor Kevin Dunn, Councilmember Kirk Crowley, Councilmember Ron Skinner, Councilmember Nathan Chamberlain, Councilmember Shane Brewer, Councilmember Todd Westcott, City Manager Kaeden Kulow, Assistant City Manager Megan Gallegos, City Recorder Melissa Gill, Community Development/ Deputy Recorder Jasmine Nielson, Public Works Director Chris Baird, Manike Pipkin, John Bucur, and Doug Allen. Monticello City Attorney was not in attendance.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PUBLIC HEARING: Mayor Dunn opened the public hearing for the CDBG program and stated that the purpose of the public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2026 funding cycle. It was explained that the grant money must be spent on projects benefiting primarily low and moderate-income persons. The Southeastern Region, in which Monticello City is a member, is expecting to receive approximately \$6,590,959.63 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Mayor Dunn read several of the eligible activities listed including examples, such as Construction of public works and facilities, e.g., water and sewer lines, fire stations, acquisition of real property, provision of public services such as food banks or homeless shelters. Mayor Dunn indicated that in the past Monticello City has received funding for a skate park in 2005 which is estimated to be \$220,000.00, and bathrooms for the pavilion at Veterans Park which is estimated to be \$300,000.00. The city has handed out its capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the city has identified as being needed in the community. It was asked that anyone with questions, comments or suggestions during the hearing please identify themselves by name, before they speak. The clerk will include your names in the minutes and we would like to specifically respond to your questions and suggestions during the hearing. Megan Gallegos presented as a resident of Monticello. She suggested the purchase of a new brush truck for the volunteer fire department or other equipment the fire department may need. Mayor Dunn thanked her for her input.

Councilmember Crowley asked how much the City could expect to receive if awarded the grant. City Manager Kulow stated the total amount for the region would be split among all awarded.

John Bucur asked if multiple applications could be submitted by Monticello City? Community Development Director, Jasmine Nielson, stated they could but there were stipulations.

Kulow reported he has received a request from a citizen. Mark Colgan stated he would like to see a Monticello City Community Center built.

Mayor Dunn thanked all present for their suggestions and asked if there were any more suggestions. Hearing no further comments, Mayor Dunn closed the hearing at 7:13 pm.

**7. Consider Minutes Review / Approval (action)**

**Minutes:**

MOTION to approve the minutes of 12/09/2025 as presented was made by Councilmember Crowley and seconded by Councilmember Skinner. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**8. Consider Payment of Bills (action)**

**Minutes:**

Councilmember Skinner asked if the check to Jones and Demille in the amount of \$10,250.00 was from the grant received for the Lloyds Lake project. Kulow and Assistant City Manager Gallegos confirmed it was.

MOTION to approve the bills as paid was made by Councilmember Chamberlain and seconded by Councilmember Crowley. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**9. Consider for Approval: Appointment of Mayor Pro Tem for the year 2026 (discussion/action)**

**Minutes:**

MOTION to approve Nathan Chamberlain as Mayor Pro Tem for the year 2026 was made by Councilmember Skinner and seconded by Councilmember Crowley.

Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**10. Consider for Approval: Resolution 2026-01 Reappointment of Appointed Officers of the City (discussion/action)**

Roll Call Vote

**Minutes:**

MOTION to approve Resolution 2026-01 Reappointment of Appointed Officers of the City was made by Councilmember Crowley and seconded by Councilmember Skinner.

Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**11. Consider for Approval: Resolution 2026-03 A Resolution Amending the Authorized Signers for the Monticello City Corporation Account at Zions Bank (discussion/**

**action)**

Roll Call Vote

**Minutes:**

MOTION to approve Resolution 2026-03 A Resolution Amending the Authorized Signers for the Monticello City Corporation Account at Zions Bank was made by Councilmember Chamberlain and seconded by Councilmember Crowley.  
Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**12. Consider for Approval: Resolution 2026-04 A Resolution Authorizing the Addition of the Mayor of Monticello City as an Authorized User and Signatory as an Authorized User and Signatory on the City's Public Treasurers' Investment Fund (PTIF) Accounts (discussion/action)**

Roll Call Vote

**Minutes:**

MOTION to approve Resolution 2026-04 A Resolution Authorizing the Addition of the Mayor of Monticello City as an Authorized User and Signatory on the City's Public Treasurers' Investment Fund (PTIF) Accounts was made by Councilmember Brewer and seconded by Councilmember Skinner.  
Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**13. Consider for Approval: Ordinance 2026-01 Amendments to §15 Recreational Vehicle Parks and §10-2-1 Storage Of Recreational Vehicles (discussion/action)**

Roll Call Vote

**Minutes:**

Assistant City Manager Gallegos reiterated the purpose for the changes made in the Recreational Vehicle Parks and Storage of Recreational Vehicles. She stated it has already gone to public hearing with the Planning Commission and that the Commissioners recommended forwarding the code to the City Council for adoption. Questions were asked by the Council for clarification of the code. Councilmember Brewer asked how the code would be enforced. Gallegos stated that she would investigate all citizen complaints or pursue individual research when necessary. There was much discussion between the incoming council members and Gallegos regarding the changes.

MOTION to approve and adopt Ordinance 2026-01 Amendments to §15 Recreational Vehicle Parks and §10-2-1 Storage Of Recreational Vehicles was made by Councilmember Crowley and seconded by Councilmember Skinner.

Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**14. Consider for Approval: Precision Concrete Cutting Bid for Trip Hazard Grinding (discussion/action)**

**Minutes:**

Public Works Director Chris Baird presented a proposal to address sidewalk safety issues. Following an inventory conducted by Precision Concrete, 179 areas on school routes and Main Street were identified as unlevel trip hazards requiring repair. City Manager Kulow emphasized the city's legal liability for injuries if these known hazards were left unaddressed.

The Council engaged in a detailed discussion regarding whether to contract the work out or purchase the necessary equipment for the city to perform repairs in-house. Kulow clarified that because Precision Concrete is a state contractor, a second bid was not required as the state has already negotiated the best pricing. While the possibility of purchasing machinery was considered, Kulow recommended contracting with Precision immediately to get the current problem under control before further evaluating an equipment purchase. Funding for the project has already been set aside in capital funds from Road C and highway tax sources.

MOTION to approve the Precision Concrete cutting bid for trip hazard grinding with the return to the Council with an analysis for equipment purchase was made by Councilmember Brewer and seconded by Councilmember Westcott. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**15. Consider for Approval: Memorandum of Understanding Airbuild (discussion/action)**

**Minutes:**

John Bucur presented a Memorandum of Understanding (MOU) with Airbuild, modeled after a similar agreement with Green River, to establish a partnership for project design in Monticello. The proposal highlighted that Monticello would own any resulting biochar and benefit from high-demand carbon offset removals, for which Bucur states purchase offers are already available. City Manager Kulow noted that while the current MOU was largely non-binding and carried little risk, he requested language adjustments to negotiate more binding terms once grant funding was received.

MOTION to accept the MOU with Airbuild subject to changes suggested by City Manager Kulow was made by Councilmember Crowley and seconded by Councilmember Skinner. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**16. Consider for Approval: Ordinance 2026-02 An Ordinance Establishing a City Data Privacy Program in Compliance with The Utah Government Data Privacy Act (U.C.A. § 63A-19-101, et seq.) (discussion/action)**

Roll Call Vote

**Minutes:**

MOTION to approve Ordinance 2026-02 An Ordinance Establishing a City Data Privacy Program in Compliance with The Utah Government Data Privacy Act (U.C.A. §

63A-19-101, et seq.) was made by Councilmember Chamberlain and seconded by Councilmember Crowley.

Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**17. Consider for Approval: Resolution 2026-02 Interlocal Agreement Governing the Use of the San Juan County Justice Court by Monticello City (discussion/action)**

Roll Call Vote

**Minutes:**

Kulow led the discussion on this agenda item. He provided a brief history of all that had transpired regarding the interlocal agreement since its inception in July 2025. He provided a detailed breakdown of the history of judges workload and revenues received during the years of 2020 - 2025. His recommendation to the Council was to combine the justice courts with the new income received being split on a 70% (San Juan County) - 30% (Monticello City) basis for five years with the stipulation that either party could exit the agreement with six months notice. The Council agreed that the 70% - 30% split between San Juan County and Monticello City was reasonable and 30% was the least amount they would accept if the courts combined. Not motion was made regarding this agenda item.

**18. Building Permit/Nuisance Violation Extension 617 W Oak Crest Dr. Update (discussion)**

**Minutes:**

Gallegos provided all present with a brief update on the building permit extension that was granted by the City Council on September 23, 2025. It was specifically stated that the agreement was subject to the following conditions: a detailed written plan be submitted to the City by October 10, 2025, monthly progress reports would be made to Gallegos by property owner with Gallegos providing building updates to Council if progress fell behind. The property owner agreed to the timelines however failed to provide proof of financing along with not meeting the goals agreed upon. After being asked by the Council what the City's next steps would be if the owner further fell behind on deadlines, Gallegos stated she would contact Monticello City's attorney for recommendations.

**19. Follow Up Items**

**Minutes:**

Kulow asked the Council if there was anything else they would like researched before making a decision on what the City would pursue with the CDBG grant stating that the current Monticello City Volunteer Fire Department Brush Truck was a converted city work truck. It was suggested the money be allocated to improving infrastructure throughout the city. Nielson explained that an environmental review must be conducted before the application deadline of January 31st if that was what they chose to approve. Mayor Dunn informed the Council that the airport was currently closed due to boring on the runway for a future project. Westcott reported that the Jet A fuel is currently at

Baker Fuels having tests run.

Gallegos explained how the Lloyds Lake improvements would be paid and provided details on what improvements would occur. She further stated that the City currently has three grants running.

## 20. Governing Body / Administrative Communications

### Minutes:

City Manager Kulow asked the Council to begin thinking about what they would like to see happen in Monticello regarding water. He encouraged them to ask themselves hard questions, such as: whether to charge for secondary water this year; if so, at what stage fees should begin; and how much water should be allocated for the golf course and city parks.

City Manager Kulow requested feedback from the Council regarding the scheduling of "Monticello 101" meetings, offering the options of monthly sessions or several full-day Saturday workshops throughout the year. He noted that a survey will be provided to members to collect and evaluate their individual preferences.

Kulow introduced the topic of Monticello City Opportunity Zone stating the item would come to them as an agenda item at the next City Council meeting. Gallegos reminded all present of the Special Meeting of the Governing Body to discuss the General Plan with the Planning Commission, City Council, and Administration on January 20th. City Recorder Gill reminded all present that all Disclosure Act Acknowledgements must be completed and submitted to her before the end of the week.

## 21. Upcoming Agenda Items

### Minutes:

Monticello 101 January 27, 2026 6:00 pm - Special General Plan meeting January 20, 2026 6:30 pm - Opportunity Zone - Mayor Committee/Board Assignments - Justice Court Agreement Approval - CDBG Final Approval - Snow Pack Update

## 22. Adjournment (action)

### Minutes:

MOTION to adjourn was made by Councilmember Crowley and seconded by Councilmember Skinner. The motion passed unanimously and Mayor Dunn adjourned the Council meeting at 9:20 pm.

### Vote results:

Ayes: 5 / Nays: 0 / Abstains: 0

## Municipal Building Authority Meeting

## 23. Call to Order

### Minutes:

Mayor Dunn called the MBA meeting to order at 9:21 pm. The following visitors were present: Chris Baird (Public Works Director), Manike Pipkin, Doug Allen

### Vote results:

Ayes: 5 / Nays: 0 / Abstains: 0

**24. Consider MBA Minutes Review / Approval (action)**

**Minutes:**

MOTION to approve the minutes of 12/09/2026 was made by Councilmember Crowley and seconded by Councilmember Skinner. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**25. Consider Payment of MBA Bills (action)**

**Minutes:**

MOTION to approve the bills as paid was made by Councilmember Chamberlain and seconded by Councilmember Brewer. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**26. Adjourn (action)**

**Minutes:**

MOTION to adjourn was made by Councilmember Chamberlain and seconded by Councilmember Skinner. The motion passed unanimously and Mayor Dunn adjourned the MBA meeting at 9:22 pm.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**Notice of Special Accommodations**

THE PUBLIC IS INVITED TO ATTEND ALL CITY MEETINGS In accordance with the Americans with Disabilities Act, anyone needing special accommodations to attend a meeting may contact the City Office, 587-2271, at least three working days prior to the meeting. City Council may adjourn to closed session by majority vote, pursuant to Utah Code §52-4-4 & 5. The order of agenda items may change to accommodate the needs of the City Council, the staff, and the public.

# Special Meeting of the Governing Body Monticello City Council

## Minutes

**Tuesday, January 20, 2026 at 6:30 pm**

Attendees: Mayor Kevin Dunn, Councilmember Kirk Crowley, Councilmember Nathan Chamberlain, Councilmember Ron Skinner, Councilmember Shane Brewer, Councilmember Todd Westcott, Planning Commissioner Julie Bailey, City Manager Kaeden Kulow, Assistant City Manager Megan Gallegos, City Recorder Melissa Gill, Deputy Recorder/Community Development Jasmine Nielson (Excused), Public Works Director Chris Baird

### **Meeting Location: 648 S Hideout Way**

#### **1. Call to Order**

##### **Minutes:**

Mayor Dunn called the Special Meeting of the Governing Body to order at 6:31 pm. Those in attendance were Mayor Dunn, Councilmembers Brewer, Westcott, Crowley, Chamberlain, Skinner, Planning Commissioner Bailey, City Manager Kulow, Assistant City Manager/Planning and Zoning Director Gallegos, Public Works Director Baird, and City Recorder Gill.

#### **2. Monticello City General Plan/Drafted Permitted Uses Discussion (discussion/action)**

##### **Minutes:**

Mayor Dunn turned the meeting over to Assistant City Manager/Planning and Zoning Director Megan Gallegos. She invited all present to begin by filling out the Monticello City General Plan Survey. All members that had not done so already filled out the survey. Gallegos explained that the community survey was compiled between City Council, Planning Commission, and City Administration. The purpose was to gain feedback from the citizens so the City made sure to plan a future the community wanted.

Gallegos and City Manager Kulow explained that an updated general plan was essential for all operations throughout the city. If grants pursued do not support the current general plan the City is less likely to be awarded them. They advised the Council and Commission to include all goals they felt would be beneficial to the community.

Gallegos introduced the key components of a General Plan to all present. Those include the present and future needs of the municipality, growth and development of all or any part of the land within the municipality, land use, moderate income housing, water preservation, transportation, and environmental.

Gallegos also introduced the draft of permitted uses the Planning Commission was

working on stating that they played hand in hand with the General Plan. There was much discussion regarding the current status of each component of a GP along with the draft of permitted uses.

Homework was assigned to the council members as follows: • Due February 24, a review of the current goals/objectives of the current general plan including the status and recommendations for future goals/objectives. • Due April 14, General plan components/elements. He further asked each member to include their thoughts for each section on the current status, future status, and how they felt the City should get there. • Due April 14, Review of the drafted permitted uses.

### 3. Adjournment (action)

**Minutes:**

MOTION to adjourn was made by Councilmember Chamberlain and seconded by Councilmember Skinner. The motion passed unanimously and Mayor Dunn adjourned the meeting at 8:30 pm.

# City Council Meeting/Work Session

## Minutes

Tuesday, January 27, 2026 at 7:00 pm

Attendees: Mayor Kevin Dunn, Councilmember Kirk Crowley, Councilmember Ron Skinner, Councilmember Nathan Chamberlain, Councilmember Shane Brewer, Councilmember Todd Westcott, City Manager Kaeden Kulow, Assistant City Manager Megan Gallegos, City Recorder Melissa Gill

### Monticello City Council Meeting

**Meeting Location: Hideout Community Center 648 S Hideout Way**

#### 1. Call to Order

**Minutes:**

Mayor Dunn called the Monticello City Council meeting to order at 7 pm. The following visitors were present: Dustin Mitchell, Doug Allen, Jayme Blakesley (Hayes Godfrey Bell, PC), Public Works Director Chris Baird

#### 2. Invocation/Opening Remarks/Pledge of Allegiance

**Minutes:**

Mayor Dunn invited any members of the Council or audience to offer an invocation. An invocation was given by Councilmember Crowley. Mayor Dunn led all present in the Pledge of Allegiance.

#### 3. Public Comment

**Minutes:**

Dustin Mitchell, living at 597 W Oak Crest Drive, reported that he has been having positive communications with the property owner of 617 W Oak Crest Dr. Mitchell stated that while the runoff problem onto his property has not been solved, many of the nuisances reported by him had been addressed.

#### 4. Councilmember Board/Committee Assignments (action)

**Minutes:**

Mayor Dunn assigned all members of the Council to boards within Monticello/San Juan County as follows: Councilmember Skinner, Health Department Councilmember Crowley, Transportation Board Councilmember Chamberlain, Golf Committee Councilmember Westcott - Airport Committee Councilmember Brewer – Recreation and Parks and Beautification Committee Mayor Dunn – Sheriff’s Office and Planning and Zoning

**5. Consider for Approval: Resolution 2026-02 Interlocal Agreement Governing the Use of the San Juan County Justice Court by Monticello City (discussion/action)**

Roll Call Vote

**Minutes:**

City Manager Kulow stated that all reviews and final adjustments discussed at the previous city council meeting had been made to the interlocal agreement. He further stated that San Juan County agreed to the 30/70 net revenue split.

MOTION to approve Resolution 2026-02 was made by Councilmember Crowley and seconded by Councilmember Chamberlain.

Roll Call Vote: Councilmember Brewer, Aye Councilmember Westcott, Aye Councilmember Crowley, Aye Councilmember Chamberlain, Aye Councilmember Skinner, Aye The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**6. Monticello City Zone Intents Discussion**

**Minutes:**

Assistant City Manager Gallegos asked the Council if they were in favor of the proposed zone intents introduced to them at the Special meeting on January 20th. Councilmember Crowley asked about the specificity of the C-1 zone intents. Kulow explained the intent of the changes while Gallegos provided clarification on the language of the descriptions. There was a great deal of discussion between Council and Gallegos regarding the agenda item. The general consensus from the Council was that the zone intents were moving in the right direction.

**7. Monticello City Opportunity Zone (discussion/action)**

**Minutes:**

Kulow introduced the agenda item stating that Opportunity Zones were designated on a federal level to allow developers access to tax benefits for developing in the specified area. He further stated that the City could set limits on what was allowed into the area dependent on access to resources. It was advised by the San Juan County Economic Department to designate the entire city of Monticello as an Opportunity Zone as many other municipalities have. Questions of federal government oversight was presented by Councilmember Brewer. Kulow assured the Council that Monticello City would be able to manage the growth throughout the City. Various businesses that Monticello City could support were discussed in detail. MOTION to designate Monticello City as an Opportunity Zone with the stipulations discussed was made by Councilmember Brewer and seconded by Councilmember Skinner. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**8. General Building Permit Violations Discussion**

**Minutes:**

Assistant City Manager/Planning and Zoning Director Gallegos stated that the City Attorney, Jayme Blakesley, reviewed the City's available enforcement tools for building permit violations. Options discussed included issuing administrative fines, pursuing civil enforcement with penalties held in abeyance upon compliance with construction

milestones, requiring performance bonds (cash or insurance) to ensure project completion, and placing liens against properties when necessary. Blakesley advised that penalty amounts should be referenced in the City's fee schedule rather than stated directly in the ordinance. Authority to revoke permits and pursue abatement was discussed in cases where progress is not being made. Bond requirements were reviewed, and Blakesley stated that a construction engineer would need to determine appropriate bond amounts. The City Attorney further explained that if a property owner fails to meet required milestones, the bond could be triggered, allowing the City to complete the work at the owner's expense. Councilmember Chamberlain asked whether the City could require a homeowner to hire a contractor when insufficient progress is being made. Blakesley responded that revocation of the permit and abatement would be available enforcement actions. Kulow stated that the purpose of the discussion was to establish general policy guidance for handling similar situations in the future.

**a. Current Building Permit Violations Discussion (discussion/action)**

**Minutes:**

617 W Oak Crest Drive Gallegos reported that the property owner had been invited to attend the meeting but was unable to do so. She reviewed the status of construction at the property and stated that the project is approximately three months behind the approved construction milestones. She reported that the attic floor had been installed and that rafters were expected to begin soon. Gallegos stated she has a meeting scheduled with the homeowner next week and will return the matter to the Council at the February 10 meeting. Blakesley stated that razing the structure would be an extreme and undesirable remedy. Councilmember Brewer noted that when the permit extension was granted, the Council agreed to review the project after nine months. Gallegos reminded the Council that the extension permitted significant delays to be brought back for Council review. Councilmember Skinner asked neighbor Dustin Mitchell whether progress had been observed. Mitchell stated that no progress had been made on the retaining wall but that some progress had occurred on the house.

149 E 500 N Mayor Dunn stated that Gallegos has made repeated attempts to contact the property owner and that neighboring residents reported no construction progress for an extended period. The City Attorney advised that while the City is not liable for injuries occurring on the property, it would be in the City's best interest to take enforcement action. Brewer stated that the circumstances of this property differ from those at 617 W Oak Crest Drive. Crowley stated that due diligence has been completed and that it is appropriate to proceed to the next enforcement step. Chamberlain asked whether contact information obtained through the tax assessor could be used. Gallegos stated that utility payments have been made, indicating that someone within the LLC is aware of the situation, and that posting on the structure satisfies the City's notice requirements. Westcott asked who would be responsible for demolition costs. Gallegos stated that the City would initially pay the cost and would then assess a lien against the property. Gallegos reminded the Council that the project had been approved under prior administration and should be addressed carefully. Skinner stated that the matter must be resolved and requested that

updates be provided at future City Council meetings.

**9. Selection and Approval of Community Development Block Grant (CDBG) Project (discussion/action)**

**Minutes:**

MOTION to approve seeking the purchase of a Brush Truck for the Monticello City Fire Department as a Community Development Block Grant Project was made by Councilmember Crowley and seconded by Councilmember Westcott. The motion passed unanimously.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

**10. Snow Pack Update (discussion)**

**Minutes:**

Public Works Director Baird presented the Council with an update on the snowpack conditions in the Abajo Mountain Range. He reported that the area has received rain but little snow and is currently at approximately 48% of normal snowpack. Baird noted that historically, the majority of snowfall typically occurs in mid-February and later in the season. Crowley stated that although snowpack levels are lower than normal, runoff is expected to be higher due to earlier soil saturation. Westcott reported that Spring Creek and North Creek are currently running, which further indicates saturated soil conditions. Kulow asked about current pond levels. Baird responded that the City entered winter at approximately half capacity. He reported that the large pond is now approximately 90% full and the smaller pond is completely full.

**11. Follow Up Items (discussion)**

**Minutes:**

Councilmember Brewer asked administration how the City could get ahead of the CDBG grant for next year. Kulow reported that the CDBG has strict requirements as to when the public hearings and projects specific to the grant could be discussed.

**12. Administrative Communications**

**Minutes:**

Kulow informed the Council that he will send emails with homework assignments from the Special Meeting of the Governing Body on January 20th along with a survey link on when to have a day long Monticello 101. He reminded all that the ULCT Spring Conference would be on April 22-24, 2026.

**13. Consider Upcoming Agenda Items (action)**

**Minutes:**

Current Water Projects Update – Current Water Status and Rates – Truth in Taxation – Fire Update and Discussion – 617 W Oak Crest Drive – Airport Fuel System Update

**14. Adjournment (action)**

**Minutes:**

MOTION to adjourn was made by Councilmember Brewer and seconded by

Councilmember Skinner. The motion passed 4-1 with Chamberlain voting nay, and Mayor Dunn adjourned the City Council meeting at 8:39 pm.

**Vote results:**

Ayes: 4 / Nays: 1 / Abstains: 0

# City Council Meeting/Monticello 101

## Minutes

Tuesday, January 27, 2026 at 6:00 pm

Attendees: Mayor Kevin Dunn, Councilmember Kirk Crowley, Councilmember Ron Skinner, Councilmember Nathan Chamberlain, Councilmember Shane Brewer, Councilmember Todd Westcott, City Manager Kaeden Kulow, Assistant City Manager Megan Gallegos, City Recorder Melissa Gill, Deputy Recorder Jasmine Nielson

## City Council Meeting/Monticello 101

**Meeting Location: Hideout Community Center 648 S Hideout Way**

### 1. Call To Order

**Minutes:**

Mayor Dunn called the Monticello 101 meeting to order at 6:03 pm. The following visitors were present: Jayme Blakesley (Hayes, Godfrey, and Bell)

### 2. Councilmember Training on Meetings and Communication

**Minutes:**

Monticello City Attorney Jayme Blakesley provided a PowerPoint presentation (provided in the agenda packet) on the Open and Public Meetings Act (OPMA), Robert's Rules, & Land Use. He explained that some of the information was training required by the State of Utah.

Blakesley explained the OPMA act to the Council in detail. He defined meetings and quorums, according to the State of Utah, their public noticing requirements, meeting minutes along with recordings required. He further explained what a closed meeting was and when the Council was allowed to call one per Utah State Code 52-4-205. He reiterated the definition of a chance meeting along with the criminal penalty for violating OPMA.

Blakesley provided a brief overview of Robert's Rules of Procedure. He gave guidelines to making a strong motion along with how to make amendments and explained the rules for public hearings.

Blakesley further provided an overview of Utah's Land Use, Development, and Management Act (LUDMA). He explained the Roles and Responsibilities of the Legislative Body (Council), Land Use Authority (Planning Commission or Director of Planning and Zoning), and the Appeal Authority (Board of Adjustments), along with advising on best practices on land use decisions.

### 3. Adjournment (action)

**Minutes:**

MOTION to adjourn was made by Councilmember Crowley and seconded by Councilmember Skinner. The motion passed unanimously and Mayor Dunn adjourned the Monticello City Council/Monticello 101 meeting at 6:54 pm.

**Vote results:**

Ayes: 5 / Nays: 0 / Abstains: 0

# 2025 COMMUNITY SURVEY RESULTS

## RISK AND PROTECTIVE FACTORS, THE 2025 COMMUNITY SURVEY, AND COMMUNITY ACTION

### Who Was Surveyed?

- 38 adults age 18+ living in Monticello, Utah
- Average age 43 years (range 18 to 68)
- 62% White, 32% Hispanic/Latino
- 82% lived in Monticello 5+ years
- 60% have children under 21

The San Juan County Prevention Action Collaboration Coalition (SJCPAC) has identified **Risk and Protective Factors (RPF)** impacting communities in San Juan County through a needs assessment process primarily utilizing youth data from Utah’s Student Health and Risk Prevention (SHARP) survey. To better understand the local conditions contributing to the Risk and Protective Factors, SJCPAC conducted a county-wide **2025 Community Survey**. This overview highlights the findings from Monticello respondents and how the community can focus initiatives and activities to more effectively enhance protection and reduce risk to have the greatest impact on youth well-being.

Risk Factor: Low Neighborhood Attachment	
<b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 95% feel connected to their community and the people who live there</li> <li>• 55% plan to stay in Monticello for at least 5 more years</li> <li>• 95% said finding quality public schools in Monticello is not/minor problem</li> </ul>
<b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 60% feel uncertain or believe their community doesn’t care about them</li> <li>• 86% said finding affordable housing is a problem in Monticello</li> <li>• Two-thirds don’t feel listened to by local officials</li> <li>• 76% want more resident involvement in local decision-making</li> <li>• 71% say there is a lack of jobs matching skills/education</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Expand neighborhood activities and community events</li> <li>• Increase civic engagement opportunities e.g., <i>Capitol Hill Day</i></li> <li>• Strengthen youth skills in policy work, advocacy etc.</li> </ul>

Risk Factor: Poor Family Management	
<b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 100% of parents report knowing who their children are with and what they’re doing when apart</li> <li>• 83% of parents know if their children will be around ATOD when apart</li> <li>• 100% of parents of teens have a rule against their teen using ATOD</li> </ul>
<b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 38% of parents with teens have discussed ATOD with their children two or fewer times in the past year</li> </ul>

<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Use the statewide Utah <i>Parents Empowered</i> Media campaign to educate parents on family bonding, talking about substances, and monitoring</li> <li>• Engage more parents in parenting programs, e.g., <i>Guiding Good Choices</i></li> </ul>
--------------------------------	---

**Risk Factor: Academic Failure & Low Commitment to School**

 <b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 100% agree reading to children regularly is important</li> </ul>
 <b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 46% unsure/disagree that reading reduces later substance use risk</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Partner with the Early Childhood Coalition to promote early literacy</li> <li>• Youth coalition members collaborate with SJ County Libraries and SJCPAC to promote reading and early literacy in elementary schools</li> </ul>

**Risk Factor: Perceived Risk of Drug Use**

 <b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 83% agree vaping nicotine is a youth health risk</li> <li>• 71% said occasional marijuana use is at least moderately risky for teens</li> </ul>
 <b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 35% are unsure or don't think occasional marijuana use leads to dropping out of school</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Increase visibility of campaigns e.g., <i>Gray Matters</i>, <i>Parents Empowered</i> to educate parents on dangers of youth alcohol and marijuana use</li> </ul>

**Risk Factor: Laws and Norms Favorable Toward Drug Use**

 <b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• NA from the data</li> </ul>
 <b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• Opinions are split, with a slightly higher share sees teen alcohol use as a normal part of growing up</li> <li>• 37% think that marijuana use is a normal part of growing up</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Implement positive social norms prevention campaigns in the community</li> </ul>

**Protective Factor: Family Attachment**

 <b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 79% indicated they spent time engaging with their children 4 or more days per week outside of mealtimes</li> </ul>
 <b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 58% of families report eating together 4 or more days per week, while roughly 42% eat together 3 days or fewer</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Implement/enhance access to parenting programs/classes, e.g., <i>Parents Empowered</i>, <i>Guiding Good Choices</i> and <i>Strengthening Families</i> classes</li> </ul>

**Protective Factor: Prosocial Involvement**

 <b>Protective Factors</b>	<ul style="list-style-type: none"> <li>• 60% agree their community offers meaningful volunteer opportunities</li> <li>• 42% helped a neighbor (unpaid) at least every 2-3 months in the last year</li> <li>• 63% would like to join neighborhood or community events more often</li> </ul>
 <b>Risk Factors</b>	<ul style="list-style-type: none"> <li>• 67% don't join community activities due to low awareness</li> <li>• 72% attend community events just a few times a year or less</li> <li>• Only 32% feel there are enough prosocial opportunities for youth</li> <li>• 75% of parents want more safe spaces for youth to hang out</li> </ul>
<b>Implications for Action</b>	<ul style="list-style-type: none"> <li>• Expand youth engagement and volunteering opportunities</li> <li>• Provide structured activities that build social and decision-making skills</li> <li>• Support community-based programs that connect youth and families</li> </ul>

Why It matters:

Review of research conducted over 30 years by Dr. Hawkins and Catalano who identified 20 factors that increased the risk of teenage drug use, as well as delinquency, teen pregnancy dropping out of school and violence

# Monticello Community Survey

---

*Over the past year, we have worked on this survey to gather as much data as possible to better understand community members' perspectives on different areas of the community.*

---

# Monticello Total Count:

- 
- **Completion Rate: 38**
  - **57.9% Completed the Survey**
  - **22 Completed the Survey**
  - **16 Partial Completed but still was able to get good data from them**

**While just over half of participants completed the full survey, partial responses still provided meaningful and usable data, increasing the overall reliability and representation of the findings.**

# How long has residents lived in Monticello?

My whole life 26.5 % stated that they have lived in Monticello their whole life

Less than a year 8.8 %

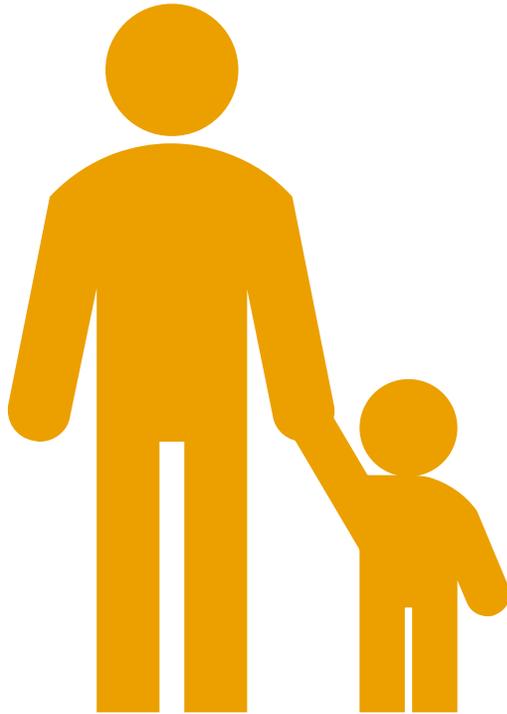

1 to 2 years 2.9%

3 to 5 years 5.9%

More than 5 years 55.9 %

Strong residential stability supports community-based prevention and sustained investment in youth and families, increasing the long-term impact of local programs and coalitions.

# Youth in Monticello

- **59.5 % are saying that most of their kids are 21 and younger.**
- **Parents have identified a lack of family-centered activities and opportunities for youth and families to engage together in Monticello.**
- **Parents shared that when they were growing up, Monticello offered community spaces such as a movie theater and arcade where families could gather, but that these opportunities are now limited. In response, the Workgroup is partnering with the School District and the City to explore ideas and develop events that bring families together again.**
- **Increasing family-based activities and safe, structured opportunities for youth can strengthen protective factors, reduce risk behaviors, and foster stronger community connections. Collaborative efforts between schools, local government, and community coalitions will be essential to addressing these needs.**

---

# Finding Jobs that match people's skills or education

8.3 % or 3 participants  
stated that it is not a  
problem

9.4 % or 7 participants  
stated that it is a small  
problem

47.2 % or 17  
participants stated that  
it is a problem

25 % or 9 participants  
stated that it is a big  
problem

These findings suggest an ongoing need for expanded job opportunities, workforce development, and business growth within the community. Creating pathways that attract new businesses, support local entrepreneurship, and align education and training with available jobs could help retain residents and strengthen long-term economic stability.

---

# Affordable Housing

- **5.6 % or 2 said that it is not a problem**
- **8.3 % or 3 said that it is a problem**
- **27.8 % or 10 participants said that it is a problem**
- **58.3 % or 21 participants said that it is a big problem**
- **The City of Monticello has been actively exploring potential solutions and ideas to address affordable housing needs. Community surveys play a critical role in this process by giving residents a voice, helping identify priorities, and providing data that can guide planning, funding decisions, and long-term housing strategies.**

---

# People accepting different cultures or religions

- 
- 22.2 % or 8 participants stated that it is not a problem
  - 50.0 % or 18 participants stated that it is a small problem
  - 9.4 % or 7 participants stated that it is a problem
  - 8.3 % or 3 participants stated that it is a big problem
  - Monticello is home to a community with shared traditions as well as diverse cultural and religious identities. Survey feedback highlights the importance of creating intentional opportunities for community connection that bring residents together across backgrounds, beliefs, and experiences. Inclusive community events, shared spaces, and collaborative activities can help strengthen understanding and ensure that all residents feel welcomed and valued.

---

# Not feeling listened to by the local public officials

- **30.6 % or 11 participants stated that it is not a problem**
- **27.8 % or 10 participants stated that it is a small problem**
- **13.9 % or 5 participants stated that it is a problem**
- **27.8 % or 10 participants stated that it's a big problem**
- **These findings highlight an opportunity to strengthen communication, transparency, and civic engagement between residents and local leadership. Increasing awareness of city council meetings, creating accessible ways for residents to provide input, and clearly communicating how community feedback is considered could help improve trust and participation.**
- **Coalitions and workgroups can play a supportive role by helping residents understand how and where to engage, encouraging attendance or public comment, and creating additional forums for dialogue between community members and local officials.**

# Connected to the community

**62.9% of residents would like more neighborhood activities and community events to participate in.**

**62.9% of residents would like to be more involved in local decision-making in Monticello.**

**34.3 % stated that they would like more spaces like parks, community centers, and libraries where people can gather**

**22.9 % stated they would like more opportunities to volunteer for local causes.**

**These findings suggest that expanding community events, neighborhood activities, and opportunities for resident input could significantly strengthen community connection. Investments in shared spaces and volunteer opportunities can further support relationship-building and community pride.**

**Coalitions, city leadership, and community partners can work together to create accessible, inclusive opportunities that allow residents to engage, contribute, and feel connected to what is happening in Monticello.**

# Offers social or recreational activities that I can join

---

# What makes it hard for you to do these types of activities?

- **48.1 % stated that they do not have much free time**
- **74.1 % stated that they do not know what programs are available**
- **22.2 % stated that there are not enough opportunities in my community**
  
- **These findings suggest that increasing participation may not require entirely new programming alone, but rather improved communication, visibility, and coordination around existing opportunities. Centralized calendars, consistent promotion, and clear messaging could help residents better understand what is available and how to get involved. Addressing scheduling and accessibility may further reduce participation barriers.**

---

**Teens in our community have lots of opportunities to get involved in positive activities.**

**6.1 % stated yes, definitely**

**17.4 % stated yes, somewhat**

**13 % stated not yes or no**

**1.7 % stated no, not really**

**47.8 % stated no, not at all**

These findings suggest a significant gap in accessible, visible, or engaging positive activities for youth. The high percentage of “no, not at all” responses highlights a need for expanded youth programming, increased awareness of existing activities, and stronger community collaboration to support teen engagement and prevention efforts.

---

# What kinds of opportunities would you like to see more of for the youth in our community?

- 42.9 % stated they would like more sports for the youth to do that is not actively involved in the school sports already.
- 35.7 % stated they would like art, music, or drama programs
- 50 % stated they would like clubs or interest-based groups(like chess or writing)
- 64.3 % stated they would like more volunteering or community service opportunities
- 35.7 % stated they would like more membership or leadership programs
- 64.3 % stated they would like more safe spaces to hang out(like youth centers or drop in spaces)
- 50 % stated that they would like more outdoor(non-sport) opportunities
- Expanding youth opportunities that emphasize connection, belonging, skill-building, and service can strengthen protective factors, reduce risk behaviors, and increase overall youth engagement. Partnerships between schools, community organizations, and local government can help create sustainable, diverse opportunities that meet these needs.

---

# **When your teens are not with you. How likely are you to know if they will be around alcohol or other drugs**

- **33.3 % stated it is very likely**
- **50.0 % stated that it is likely**
- **16.7 % stated that it is unlikely**
- **While most parents report awareness of potential exposure, the data still underscores the importance of environmental prevention strategies, including supervision, substance-free community events, parent education, and coordinated efforts between schools, coalitions, and community partners to reduce youth exposure outside the home.**

---

# Community Survey Wrap-Up & Next Steps

**What We Heard:** Residents want more youth and family activities, safe spaces to gather, better communication about available programs, and more opportunities to be involved in community decisions.

**Community Strengths:** Monticello has strong long-term residency, engaged families, and a shared desire to connect, contribute, and support youth.

**What's Already Happening:** The City of Monticello, School District, and SJCPAC are actively collaborating on prevention, youth engagement, community events, planning efforts, and data-driven decision making.

**Moving Forward:** By continuing to work together, we can expand and promote activities, strengthen family and youth engagement, improve communication, and turn community input into meaningful action.

April 13, 2021

73% of Average Accumulated Precipitation  
Loyds Lake - 7140' elevation and 2250 ACRE Feet  
Streamflow forecast estimated 28% of normal

# WATER REPORT 2026

Not much has changed from the last meeting on the snow pack, there has not been any recordable moisture since January 25

Snow depth is at 12" snow water equivalent is 2.8"

For the water year we have had 14.5" of moisture, at this time last there was 6.3"

We are currently at 47% of normal snow pack and 22% snow water equivalent

Loyds Lake current elevation 7123' 6" 1225 acre feet 34% full. The conservation pool is 500 acft which leaves 725 acft of available water

An acre foot of water is 325,851 gallons

Raw water storage ponds

125 acre feet pond 90-95% full

25 acre feet pond 95-100% full

Secondary pond 34 acre feet 90-95% full

Collection off mountain as of 2/9/2026 644 gpm pole canyon 85, north creek 157, south creek 402

Wtp treating 250,000 gallons a day average .76 acft a day

Collection 2.85 acft a day

With a net gain of 2.08 acft per day

In 2025 the wtp treated 98,863,435 gallons which is 294.19 acft

Secondary usage was 236 acft in 2025

The hideout used 205 acft in 2025

We pumped approximately 175-225 acft from loyds to the storage ponds, the cost to run the pumps was \$14,544.45

# WATER REPORT 2026

We also pumped circle park, and the north and south wells at the ballfields. Circle park and the south ballfield wells are having issues and keep tripping the breakers.

Before circle park started tripping it pumped 707,840 gallons 2.17 acft at a cost of \$259.60 \$119.63 an acft

North ball field well pumped 3,450,472 gallons 10.59 acft at a cost of \$2019.09 \$190.66 an acft

South ball field well pumped 6,840 gallons

The wells went into the secondary system

Jeremy Redshaw with Ucolo well service came out and looked at the wells on January 30, myself and councilman Westcott met with him.

Circle park well will need to be pulled to find the problem could be the wire or the pump that estimate is **#363**

Ball field south well could be a controller issue estimate **#364** or it could be the pump which is estimate **# 366**

200 east millsite, we did hear water run through the meter but believe the pipe is frozen we have a couple of options. We can wait till it gets warmer and retry or pull the pump up 5 feet and test it from the pitless adaptor. estimate **#367**

Cemetery well he suggested to pull the pump estimate **#368** Talking to Art Adair since he has been taking care of the cemetery the well has never been used, he also said he normally use between 18-20 acft but has dropped it down to 10-12 acft on bad years.

Jarmillo well collapsed we have 2 options. First we could try and blow it out and case it the rest of the way, but if he cant get the casing down we are out the cost estimate **#365**. The second option is to drill a completely new well estimate **#28**

## Water Project Update

### Spring Creek:

#### Phase 1: Water Rights

##### Financing:

CIB has provided the requested funding of \$258,000 in loans and \$1,000,000 in grant to purchase the water rights needed for the Spring Creek Project (funding requirements completed August 28, 2025).

##### Purchasing:

The City has purchased the following rights:

09-3

09-2211

09-2212

Current negotiations are on-going with other water rights that fall within the Spring Creek water project area. We have additional funds that are allowing us to purchase more than was originally calculated before the CIB funding was secured.

### Phase 2: Pipeline to Treatment Plant

#### Environmental:

We are in the process of completing the required environmental studies with four federal agencies (Forest Service, BLM, USFWS, and USDA). This process is being led by the Forest Service who has put our project out for comment. Once the comment period closes the evaluation will be revised with a deadline of being completed by June 24, 2026.

#### Design:

Jones and DeMille have been working on the design for the pipeline and have completed most of the requirements to be ready for construction once Environmental and Financing have been completed.

#### Financing:

USDA agreed to be a funding source back when the project initially started. At this time, we are unable to start the financing process to confirm funds until after the environmental has been completed. Once we get closer to June we will have an idea of when we can start uploading required documentation to start the process of requesting funds.

#### Construction:

Once all three of the above are completed, we can take the project out to bid. By Kaeden's estimates, we should expect everything to be in place for a 2027 starting time frame if not 2026 depending on snow.

Overall, phase 2 has been such a long process because we are hitting almost all government agencies while completing all of the work at once. This has slowed the process however, we are able to ensure all steps have been completed. Things can change and most likely will. As more information becomes available, we will provide updates.

<p>Cemetary well</p> <p>There is no power to the well head. There is still a pump in the well.</p> <p>Set Up or service call Bring generator and see if I can get pump to run. 50-50 chance of getting it to run or burning it up because I send it the wrong power. I don't suggest this. Pump is probably bad anyway. There is usually a reason they stop using/ pull above ground equipment.</p> <p>Pull, stack, see what size of pump was in the well. Do this to find out what size the pump was and to prevent it from rusting off and falling down well.</p> <p>Set Up or service call Footage rate for pulling or instaling pump</p> <p>A new pump would be similar to circle park well estimate. I will need to see pump size to know make an estimate. With no history on the well I have no idea on GPM flow. I can do a flow test with a test pump to determine the well production.</p>		800.00	800.00

## Tax Rate Increase Checklist - Fiscal Year Entities

**Entities:** Before a tax increase is allowed, please provide evidence/proof to the County Auditor for each enumerated item below. Proof can take several forms (photo, agenda, scanned image, etc.) The proof medium is less important than the content.

**Counties:** Before providing the documentation to the USTC, please ensure it has all been collected and that you have provided a recommendation for each entity.

### Advertisement Requirements

- For at least 14 days before hearing date:
  - Screenshot of electronic advertisement on [Utahlegals.com](http://Utahlegals.com)
  - Advertisement was posted on the [Public Notice Website](#)
  - Advertisement posted on entity's website
  - Class A physical notice requirements (§[63G-30-102\(c\)](#))

### Public Hearing Requirements

- Email/proof showing that County Auditor and Utah State Tax Commission were made known of date, time, and place of the public hearing on or before **June 1<sup>st</sup>**.
- Agenda/proof demonstrating that the only items on the agenda discussed were raising the certified tax rate (TNT hearing), a budget hearing, and/or a special district/special service district fee implementation/increase
- Agenda/proof must demonstrate that the meeting was **not scheduled earlier than 6 PM**
- If applicable, future hearing time and date were specified and stated during the hearing. (The future meeting date must take place before **Sept. 1<sup>st</sup>**.)
- A signed resolution or [PT-800 Form](#)

### County Requirements

- Valuation notices include date, time, location, and additional ad valorem revenue for each entity
- Entity's public hearing is not at the same time and date as another overlapping taxing entity in the same county

*If 2+ entities are going through truth in Taxation in the county:*

- Published a county combined ad that includes the **name, date, time, location, additional ad valorem revenue generated** by the proposed tax increase, and **average dollar increase on a residence & business** the increase would generate for each taxing entity **for at least 14 days** before the first entity's hearing in the following locations:
  - Screenshot of electronic advertisement on [Utahlegals.com](http://Utahlegals.com)
  - Advertisement was posted on the [Public Notice Website](#)
  - Advertisement posted on county's website
  - Class A physical notice requirements (§[63G-30-102\(c\)](#))
- Provided combined advertisement to each entity going through truth in taxation **For all entities**
- County has reviewed entity's truth in taxation documents to verify compliance with advertising and public hearing requirements
- County provides recommendation of approval or denial of an entity's tax increase to the USTC based on the entity's adherence to all advertisement & public hearing requirements

## **Sand Pro Equipment Replacement**

The Parks & Recreation Department's Sand Pro, which was purchased in 2007 and currently showing approximately 9,357 hours of use, is in a significantly worn and declining condition due to its age and heavy workload maintaining baseball and softball infields. This equipment is relied upon to level and condition infield dirt, lightly grade loose soil or sand, and tow grooming attachments that help keep playing surfaces safe, even, and usable for the recreation programs, Pioneer Day Tournament and general community use.

In recent years, the unit has required increasingly frequent maintenance and has become less reliable, creating downtime for staff and raising concerns about consistent field conditions. Approximately \$4,000 has been spent on maintenance over the past three years, not including staff labor. Within the last year alone, spark plugs required replacement twice in a six-month period; the engine is nearing the end of its service life, and the hydraulic pump and carburetor both need replacement. The unit also experienced a fire that burned the throttle cable, adding to the list of necessary repairs. Compounding these issues, replacement parts for this aging equipment are becoming obsolete and more difficult to obtain, making continued operation increasingly challenging for daily field maintenance.

We are currently evaluating all options for the replacement of this equipment and hope to find something we can get another 15-20 years of life out of. This piece of equipment is essential to the proper care of the infields in creating safe playing conditions and is used 3-5 times a week on three fields from March – October.
