## **Q&A with Sandy Police Dept.**

Officers Tinius, Wright & Colton

- Sandy Police have handled all enforcement actions in the park since approximately 1992, applying all Sandy City codes.
- The department is responsive to calls regarding homeless encampments, drug use, aggressive animals, fires, and illegal hunting (coordinating with DNR).
- Enforcement of e-bike rules is complex due to state statute definitions, but generally Class 1 pedal-assist e-bikes are allowed, while others (Class 2, 3, 4) are not part of the current policy.
- To report non-emergencies, call dispatch at 801-799-3000.
- For life-threatening emergencies, always call 911.
