PLANNING COMMISSION**

February 19, 2026

FARMINGTON

MORE TIME FOR LIVING

PLANNING COMMISSION MEETING NOTICE AND AGENDA Thursday February 19, 2026

Notice is given that Farmington City Planning Commission will hold a regular meeting at City Hall 160 South Main, Farmington, Utah. A work session and training will be held at **6:30 PM** prior to the **regular session which will begin at 7:00 PM** in the Council Chambers.

The link to listen to the regular meeting live and to comment electronically can be found on the Farmington City website at farmington.utah.gov. Any emailed comments for the listed public hearings, should be sent to crowe@farmington.utah.gov by 5 PM on the day listed for meeting.

REZONE APPLICATION – public hearing

1. Lagoon Corporation – Applicant is requesting rezone of approximately 1 Acre of property from B (Agriculture-Foothill) to CRT (Commercial Recreation Transition) zoning district for Lagoon at 510 North 200 West.

CONDITIONAL USE APPLICATION – public hearing

2. Scott and Nancy Prince – Applicant is requesting a renewal of the Conditional Use Permit for a Home Occupation located at 218 W 1000 N., for Fun on the Farm, on 1.67 acres of property in the LR-F (Large Residential – Foothill) zone.

SUMMARY ACTION AND OTHER BUSINESS

1. Applications and Approval of Minutes
 - a. Planning Commission Minutes 02.05.2026
 - b. Wyatt Bubak Conditional Use Extension
2. City Council Reports, Upcoming Items & Trainings.
 - a. City Council Report 02.17.2026
 - b. Other

Please Note: Planning Commission applications may be tabled by the Commission if: 1. Additional information is needed in order to act on the item; OR 2. If the Planning Commission feels, there are unresolved issues that may need additional attention before the Commission is ready to make a motion. No agenda item will begin after 10:00 p.m. without a unanimous vote of the Commissioners. The Commission may carry over Agenda items, scheduled late in the evening and not heard to the next regularly scheduled meeting.

Any person wishing to address the Commission for items listed as Public Hearings will be recognized when the Public Hearing for such agenda item is opened. At such time, any person, as recognized by the Chair, may address the Commission regarding an item on this meeting agenda. Each person will have up to three (3) minutes. The Chair, in its sole discretion, may reduce the speaker time limit uniformly to accommodate the number of speakers or improve meeting efficiency.

CERTIFICATE OF POSTING I hereby certify that I posted a copy of the foregoing Notice and Agenda at Farmington City Hall, Farmington City website www.farmington.utah.gov and the Utah Public Notice website at www.utah.gov/pmn. Posted on February 13, 2026. Carly Rowe, Planning Secretary.

Farmington City Planning Commission Staff Report February 19, 2026

Item 1: Lagoon Administration Building - Zone Change B to CRT

Public Hearing:	Yes
Application No.:	25-01
Property Address:	410 North 200 West
General Plan Designation:	CR (Commercial Recreation) and LDR (Large Density Residential)
Zoning Designation:	B (Buffer) and C-R (Commercial Recreation)
Area:	app. 0.6 acres
Property Owner:	Lagoon Investment Company
Applicant:	Logan Hammer

Request: *The applicants are seeking a recommendation of approval for a zone change from B to Commercial Recreation Transition (CRT).*

Background Information

The applicant is requesting a zone change to Commercial Recreation Transition (CRT). A large section of property was rezoned to the CRT district recently surrounding the applicable site. Lagoon has determined they would like to further expand the parking area associated with their new office building. To do this expansion on property they already own they need to demolish a house (triplex) and rezone an additional 0.6 acres to the CRT district.

The uses listed in that zone are limited, but reference that “any use determined to be similar to the other uses of this section and/or compatible with the description of the CRT zone”. The purpose of the zone acts as a transition to Lagoon and nearby residential or noncommercial uses. As such, most development requires conditional use approval for allow more input from the City and Planning Commission in an attempt to mitigate the effects of potential uses. The Planning Commission has already seen the site plan for the office and potential parking area expansion.

Suggested Motion

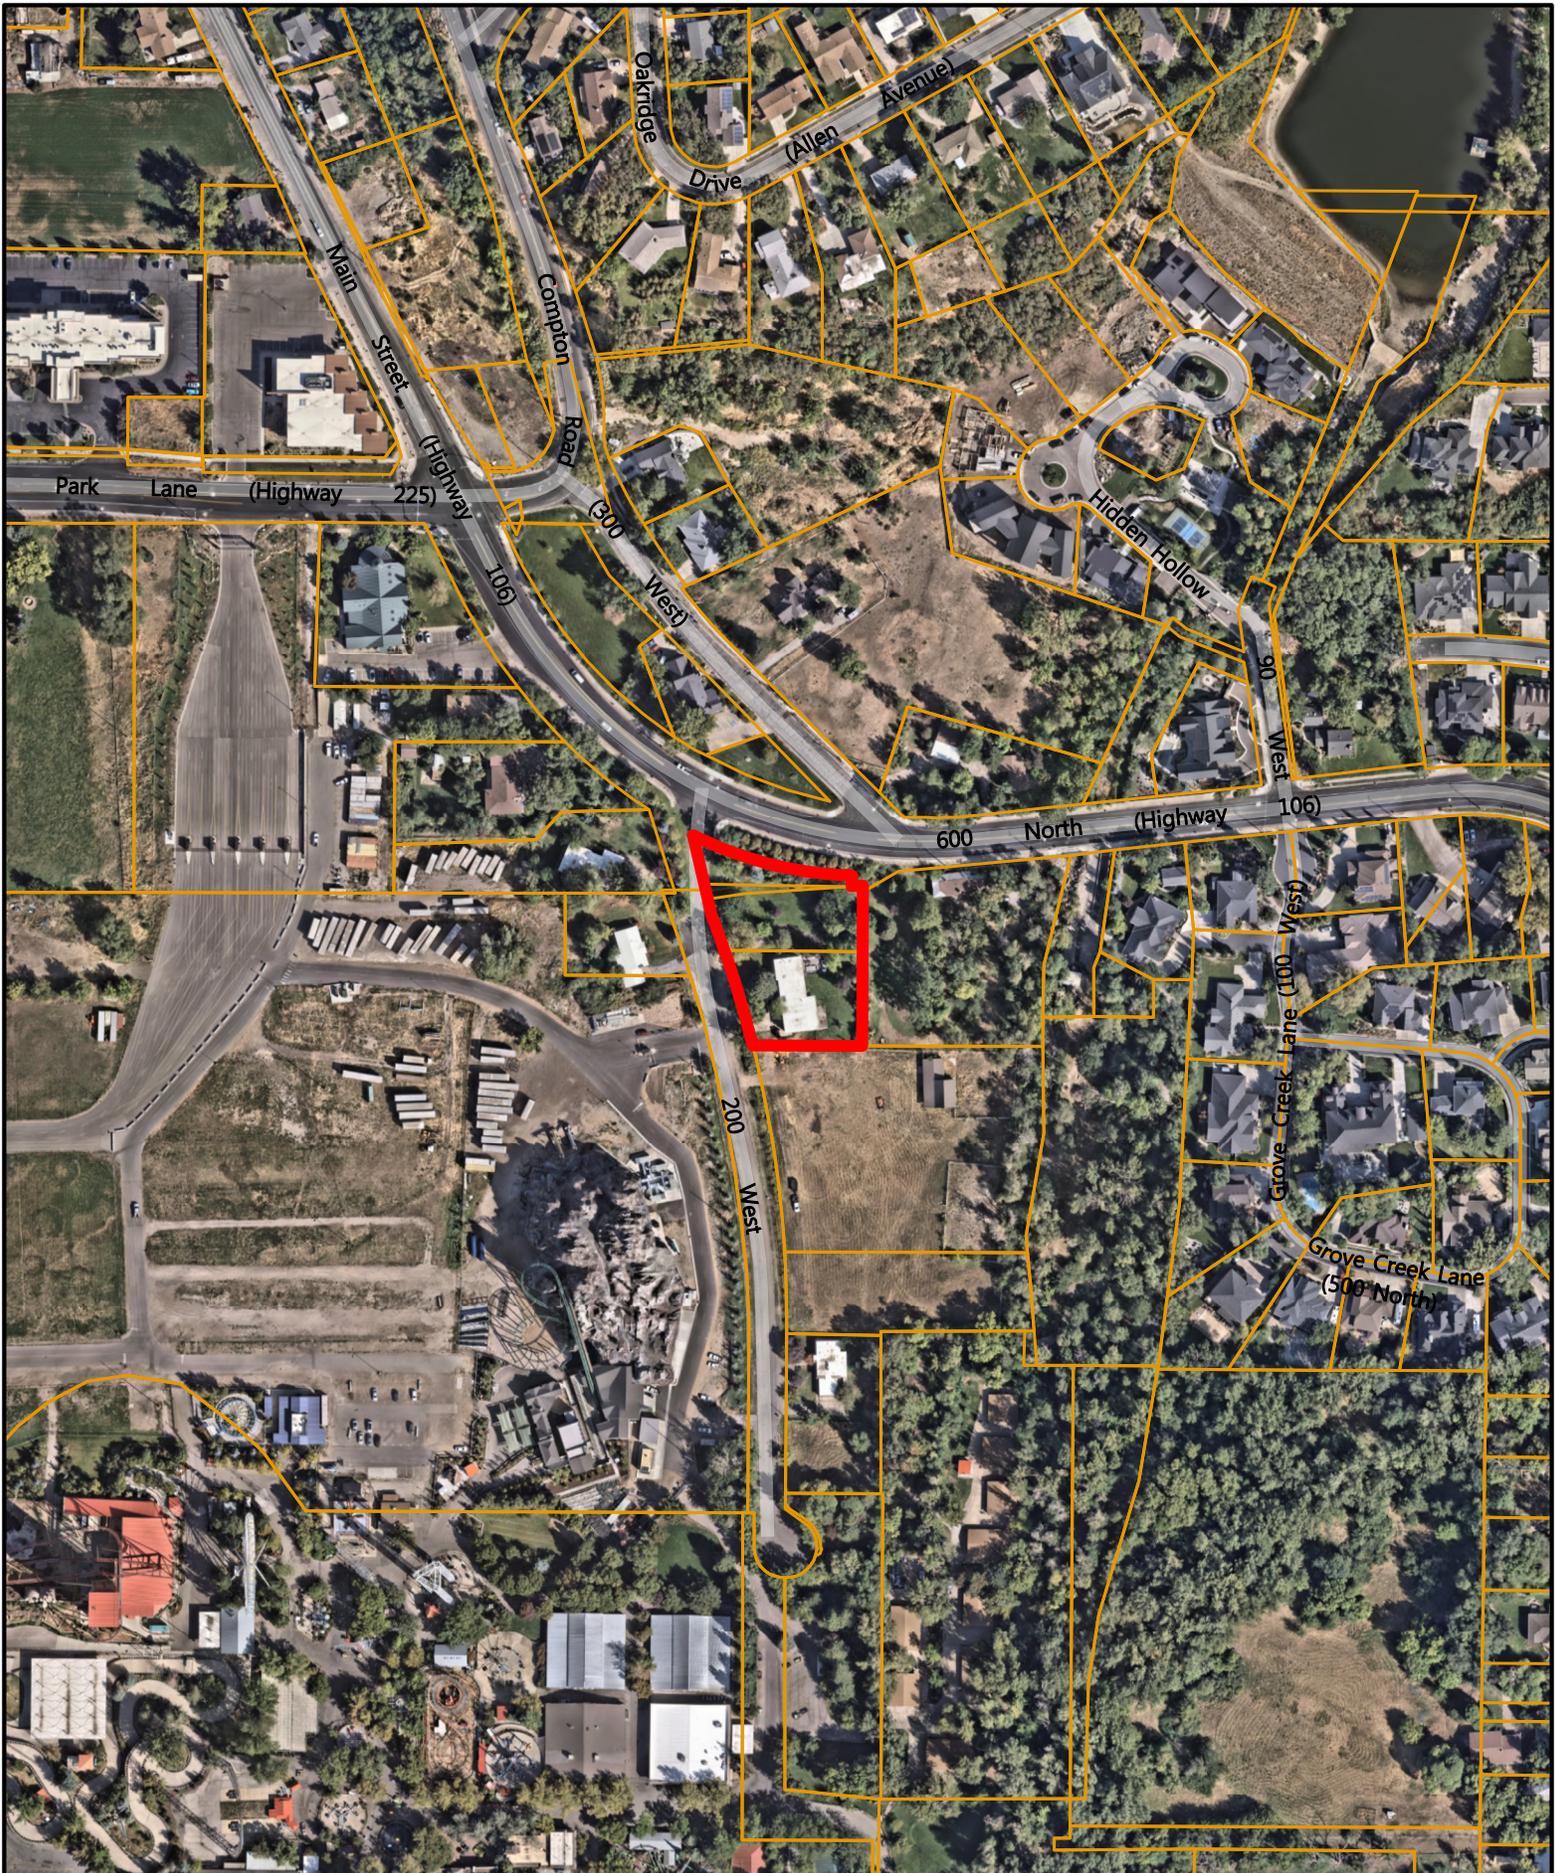

Move that the Planning Commission recommend approval for a zone change from B (Buffer) Commercial Recreation Transition for the Lagoon Administration Building expanded parking area, subject to all applicable Farmington City development standards and ordinances and that all DRC comments are addressed.

Findings:

1. The uses allowed in the requested zone are appropriate for the area and the requested zone matches surrounding zoning and allows for additional parking at Lagoon’s office.

Supplemental Information

1. Vicinity Map
2. Rezone exhibit

FARMINGTON, UTAH

ORDINANCE NO. 2026 -

AN ORDINANCE AMENDING THE ZONING MAP TO SHOW A CHANGE OF ZONE FOR PROPERTY LOCATED BETWEEN 600 NORTH & 400 NORTH 200 WEST FROM B AND CRT(25-01).

WHEREAS, the Farmington City Planning Commission has held a public hearing and reviewed and made a recommendation to the City Council concerning the proposed Zoning Map amendment from B (Buffer) to CRT (Commercial Recreation Transition), pursuant to State Law and the Farmington City Zoning Ordinance; and

WHEREAS, the City Council of Farmington City finds that such Zoning Map amendment should be made;

NOW, THEREFORE, BE IT ORDAINED by the City Council of Farmington City, Utah:

Section 1. Zone Change. A portion of the property described in Application #25-01, within the City, between 400 North and 600 North 200 West, identified as all or part of parcel numbers 07-021-0001, 07-021-0002, & 07-021-0003 all totaled being approximately 0.6 acres in size, is hereby reclassified from zone B to CRT said property being more particularly described/illustrated as set forth in Exhibit A attached hereto and by the referenced made a part hereof.

Section 2. Zoning Map Amendment. The Farmington City Zoning Map shall be amended to show the change.

Section 3. Effective Date. This ordinance shall take effect immediately upon final passage by the City Council.

DATED this 16th day of September, 2025.

Farmington City Planning Commission Staff Report February 19, 2026

Item 2: Conditional Use Approval for a Home Occupation – Fun on the Farm

Public Hearing:	Yes
Application No.:	26-02;
Property Address:	218 West 1000 North
General Plan Designation:	LDR (Low Density Residential)
Zoning Designation:	LR-F (Large Residential Foothill)
Area:	1.67 acres
Number of Lots:	1
Property Owner:	Jason Prince
Applicant:	Nancy Prince

Request: *Conditional Use approval for a Home Occupation which occupies more than 25% of the dwelling, and where outside storage and use of an accessory building are also anticipated with the home occupation.*

Background Information

This conditional use was originally seen and approved by the Planning Commission on May 9, 2024. Action had not been taken within a year of that approval, which has now expired. The only difference in this application is that the proposed hay barn was a corral on the original site plan. The applicant has applied for building permits for the hay barn and garage.

The following is a description of the proposal from the original Planning Commission meeting from the applicant titled: "Re-doing the Barn with Living Quarters". It mentioned, among other things, "As for our home business which is and has been running for the last 7 years "Fun on the Farm" is a Day Camp and Farm Experience".

The current barn existed on the same parcel with a single-family home for years—accessory to the use of the land and the main dwelling. However, the barn, now located on a legally created flag-lot in 2020 (Parcel #08-052-0272) separate from a single-family home, is only accessory to the use of the land, but still has the same address as the dwelling at 218 West 1000 North (Parcel #08-052-0273).

The property owner proposes to replace the barn with a single-family dwelling, but designed in such a way where a good portion of the residence may still function as a barn. Fun on the Farm will use the "barn" portion of the home, as well as surrounding land and potential accessory/out buildings on the property. Regarding home occupations, Section 11-35-040 of the Zoning Ordinance provides the following:

11-35-040: CONDITIONAL USES:

- A. Permitted Conditional Uses: The following home occupations may be allowed only upon approval of a conditional use application by the Planning Commission and issuance of a conditional use permit:

1. Uses where the applicant proposes to use more than twenty five percent (25%) of the dwelling in connection with the business.
 2. Any use where outside storage, use of an accessory building or exclusive use of an attached garage is anticipated or requested in conjunction with the home occupation.
- B. Review Standards: In evaluating a home occupation conditional use, the Planning Commission shall apply the review standards contained in chapter 8 of this title and, if applicable, site development standards contained in chapter 7 of this title.

Suggested Motion

Move that the Planning Commission approve the conditional use allowing Fun on the Farm to use more than twenty five percent (25%) of the dwelling in connection with the business and outside storage and use of an accessory building(s) subject to all applicable Farmington City ordinances and development standards and the following conditions:

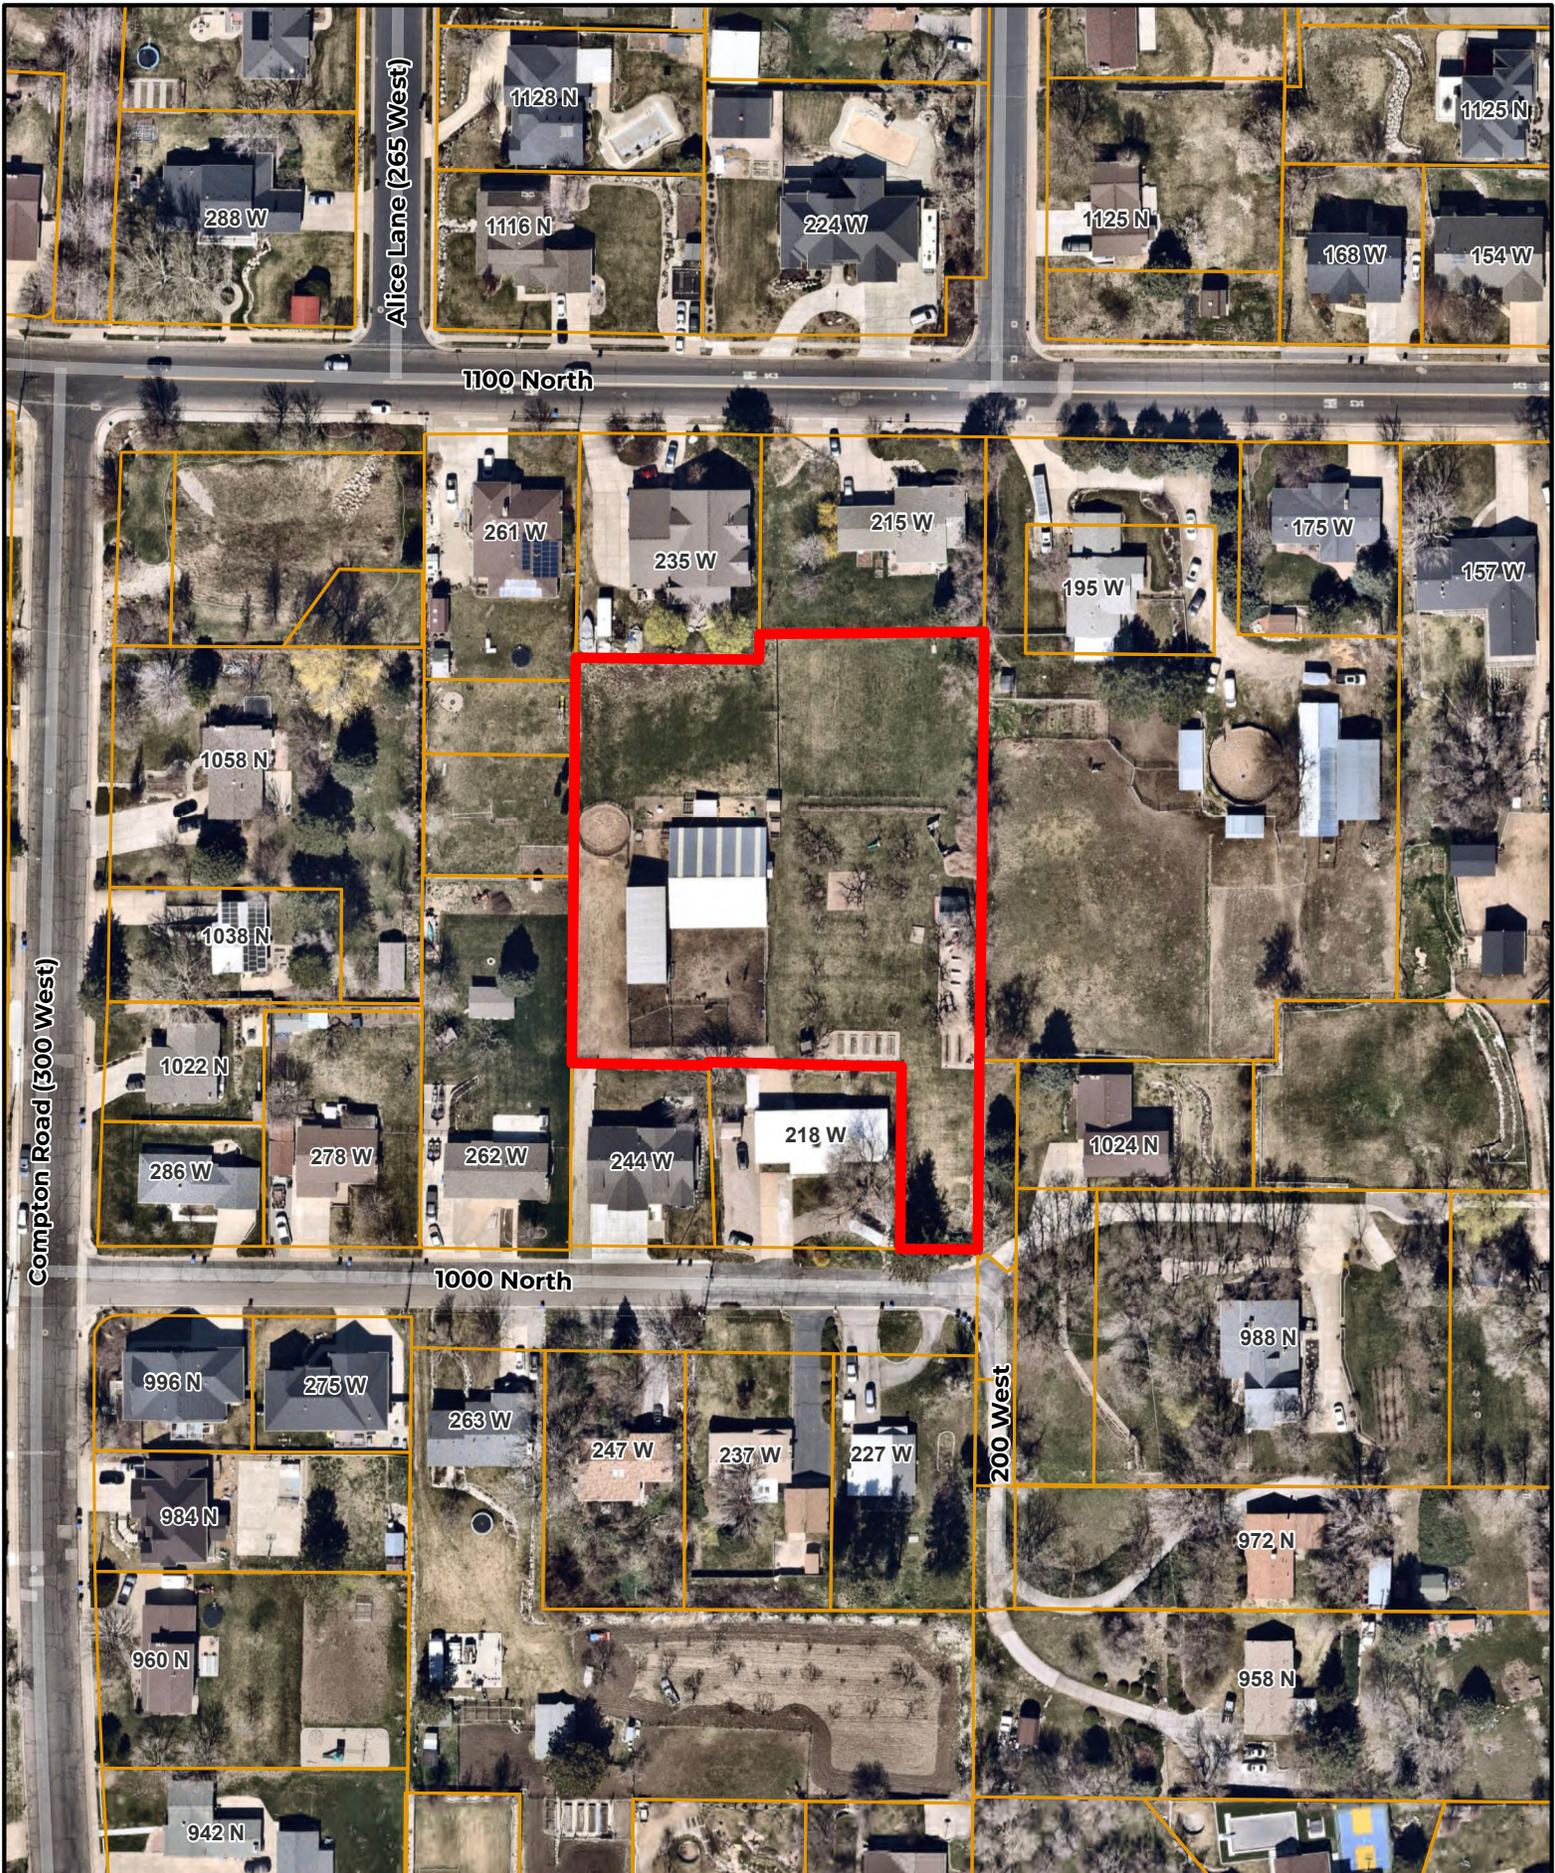

1. The applicant must obtain, or make measurable efforts to obtain, a building permit to construct a single-family home on site within one year of approval.
2. The address of the new dwelling must be different than 218 West.
3. The City shall issue a home occupation business license for Fun on the Farm.
4. The applicant shall continue to meet the parking needs of patrons of the business, including providing off-street parking when and where necessary.

Findings:

1. Fun on the Farm has been in operation for the past seven years and has proven itself not to be detrimental to the health, safety, and general welfare of persons residing or working in the vicinity.
2. Davis County and the State of Utah are experiencing a housing crisis, and the use will provide another dwelling for a Farmington household.
3. The use will comply with all regulations and conditions in the Farmington City Zoning Ordinance for this particular use.
4. The proposed use conforms to the goals, policies, and principles of the Comprehensive General Plan.
5. The location provides or will provide adequate utilities, transportation access, drainage, parking and loading space, lighting, screening, landscaping and open space, fire protection, and safe and convenient pedestrian and vehicular circulation.

Hay Barn

10' to North property line
 73' to West
 108' to East
 248' to South

Dimensions are from
 footing/foundation, not
 wall

Notes:

1. All storm water and dirt will be kept on site during construction until final landscaping is done. The General Contractor will be held responsible for keeping dirt/mud on site during bad weather and for cleaning up after subcontractors.
2. The grade away from foundation walls shall fall a minimum of 6 inches within the first 10 ft. (5%)
3. Street curb and gutter will be inspected and cleaned of all mud and dirt at the end of every day.
4. Gravel bags (or equivalent BMP) to be placed and maintained around any storm drain inlet adjacent to or immediately downstream from site during construction,
5. Berms or swales may be required along property lines to prevent storm water flow onto adjacent lots. Final grading shall blend with adjacent lots.
6. A lined concrete washout area must be provided at the site for all concrete, paint, stucco, or masonry work. Washout on the ground is prohibited.
7. Finished floor elevation will be level with or above existing dwelling's finished floor

GENERAL CONSTRUCTION NOTES

-GENERAL CONTRACTOR SHALL FULLY COMPLY WITH THE 2018 IRC AND ALL ADDITIONAL STATE AND LOCAL CODE REQUIREMENTS. 2018 IRC, 2018 WSEC AND 2018 IEC SHALL BE USED.

-IT IS THE CONTRACTOR'S RESPONSIBILITY TO VERIFY ALL DETAILS AND DIMENSIONS.
 -ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH ALL APPLICABLE NATIONAL, STATE, AND LOCAL CODES AND REGULATIONS.
 -ALL DIMENSIONS ARE TO ROUGH FRAME OF STUDS & POSTS.
 -ALL FOOTINGS TO BE BELOW THE FROST LINE AND MUST REST ON UNDISTURBED SOIL CAPABLE OF HANDLING THE WEIGHT OF THE BUILDING.

FOUNDATION & BELOW GRADE

-FOOTINGS AND STEM WALL SIZE AND DEPTH TO BE DETERMINED BY LOCAL FREEZE LINE/LOCAL ENGINEER.
 -BASEMENT/SLAB ON GRADE INSULATION R-VALUE WILL MEET STATE CODE REQUIREMENTS.
 -ANY PLUMBING THAT IS AT RISK OF FREEZING IS TO BE INSULATED.
 -CONCRETE SLAB THICKNESS IS 4", UNLESS OTHERWISE NOTED.
 -MONO FOOTING SIZES DETERMINED BY ENGINEER.

FRAMING & STRUCTURAL

-FRAMING MEMBER SIZES AND LAYOUT TO BE DETERMINED BY ENGINEERING TO ACCOMMODATE FOR THE LOAD OF THE STRUCTURE.
 -OPENING HEADER SIZES TO BE DETERMINED BY ENGINEERING TO ACCOMMODATE FOR THE LOAD OF THE STRUCTURE.
 -STEEL VS. LUMBER FRAMING WILL CHANGE LOAD REQUIREMENTS. ENGINEER WILL NEED TO KNOW WHAT THE STRUCTURE IS BEING BUILT WITH.
 -TRUSS LAYOUT AND ENGINEERING MAY BE PROVIDED BY TRUSS COMPANY.

OPENING HEIGHTS & LOCATIONS

-INTERIOR DOOR ROUGH FRAMING IS TO BE 6" FROM ANOTHER WALL (IF POSSIBLE) OR CENTER WITHIN ITS OWN WALL, UNLESS NOTED OTHERWISE.
 -AT LEAST ONE EGRESS WINDOW TO BE ADDED IN EACH ROOM.
 -TEMPERED WINDOWS TO BE PLACED WHERE CODE REQUIRES.
 -OBSCURED WINDOWS IN BATHROOMS OR OTHER AREAS WILL BE DETERMINED BY HOME OWNER.
 -WINDOW GRID PATTERN WILL BE DETERMINED BY HOME OWNER IF CURRENT WINDOW PATTERN IS NOT DESIRED.

ELECTRICAL

-ELECTRICAL PANEL TO BE PLACED ACCORDING TO ELECTRICIANS SUGGESTION, AVOID PLACING IN EASILY SEEN AREA.
 GFCI TO BE 48" AFF FOR KITCHEN CABINETS AND VANITIES.
 -IF SWITCH IS NEAR RAILING, PLACE HIGHER THAN USUAL TO AVOID RAILING.

Farmington City Planning Commission Staff Report February 19, 2026

Item 3b: Extension of Conditional Use Approval for a Minor Sports Training Facility

Public Hearing:	No
Application No.:	C-1-25
Property Address:	732 West and 500 South
General Plan Designation:	RRD (Rural Residential Density)
Zoning Designation:	AE (Agriculture Estates)
Area:	1.58 Acres
Number of Lots:	1
Property Owner:	Wyatt & Sage Marie Bubak - Trustees
Applicant:	Wyatt Bubak

Request: Extend timeframe of original approval for the *Conditional Use to convert a horse-riding business to a minor sports training facility.*

Background:

This application was approved in March of 2025, but per the city's ordinance a conditional user permit must show 'substantial action' as defined in the code within a 12 month time frame or the approval is expired. Also per the code the approval may be extended by the Planning Commission. The applicant has been working through engineering and design details with the city, but needs additional time to implement the use.

Applicable Code:

11-8-110: EXPIRATION:

A. Specified: Unless there is substantial action under a conditional use permit within a period of twelve (12) months from the date of planning commission approval, the permit shall expire. Substantial action shall be demonstrated by submitting final plans for approval and obtaining, and maintaining, a current building permit. If construction is not proposed as an element of the conditional use, a business license shall be obtained to satisfy this requirement.

B. Extension: If the conditional use permit is to expire pursuant to subsection A of this section, a request for extension may be filed with the planning department not less than thirty (30) days prior to the expiration date. The original conditional use approval shall remain valid until the request for extension is acted upon by the planning commission. Failure to request the extension in a timely manner shall cause a conditional use permit to expire without further notice. A new conditional use application shall be requested prior to any reinstatement of the use.

Staff is recommending that the application be granted an extension of 1 additional year (12 months) in order to complete design and obtain permits for work on the property.

Suggested Motion:

Move that the Planning Commission approve a 12 month extension of the conditional use permit for a minor sports training facility at 732 West 500 South for applicant Wyatt Bubak to expire March of 2027.

Finding: Mr. Bubak has been pursuing the implementation of his approved use, but the ability to pull permits has been subject to city coordination and timing which has delayed an earlier start.

Original Report from March 6, 2025

An equestrian center exists on-site, which received conditional approval by the Planning Commission on March 17, 2016 (CU Permit C-7-16), as a “Commercial outdoor recreation, minor” use. Although this is no longer an allowed use in the AE zone, one may request an amendment or modification of a conditional use as per Section 11-8-060 of the Zoning Ordinance (see attached). The applicant has provided: 1) information that describes what he proposes to do, and 2) a conceptual site plan.

Approved Motion

Commissioner Klein moved the following:

- A. Move that the Planning Commission approve an amendment to a previous conditional use permit to create a minor sports training facility subject to all applicable Farmington City ordinances and development standards, the same conditions of the existing CU permit (items 1-4 below), and additional conditions (5 and 6) as follows:
 - 1. Any Lighting shall be designed, located and directed so as to eliminate glare and minimize reflection of light to neighboring properties;
 - 2. The hours of operation are limited to 8 a.m. to 10 p.m.;
 - 3. Any signs proposed for the project must comply with the Farmington City Sign Ordinance. The sign plan shall indicate the location, height, and appearance of the signs upon the site and the effects upon parking, ingress/egress, and adjacent properties. Such signs shall be compatible with the character of the neighborhood;
 - 4. The applicant must obtain all other applicable permits for the operation of the conditional use including but not limited to a business license from Farmington City, all health department regulations and all applicable building codes;
 - 5. City staff shall review and approve a final site plan for the property, including members of the City’s DRC (Development Review Committee) where applicable; and
 - 6. In addition to complying with City drainage requirements, the site plan shall include, but not be limited to, curb and gutter, sidewalk, and asphalt tie-in on 500 South Street—all such improvements must be constructed the entire east to west street frontage of the property.

Findings for Approval

[Note: these are the same findings from the March 17, 2016, C-7-16, approval].

1. The proposed use of the particular location is necessary and desirable and provides a service which contributes to the general well-being of the community.
2. The proposed use complies with all regulations and conditions in the Farmington City Zoning Ordinance for this particular use.
3. The proposed use conforms to the goals, policies, and principles of the Comprehensive General Plan.
4. The proposed use is compatible with the character of the site, adjacent properties, surrounding neighborhoods and other existing neighborhoods.
5. The location provides or will provide adequate utilities, transportation access, drainage, parking and loading space, lighting, screening, landscaping and open space, fire protection, and safe and convenient pedestrian and vehicular circulation.
6. The proposed use is not detrimental to the health, safety, and general welfare of persons residing or working in the vicinity.
7. The proposed use provides adequate parking, and that parking has been removed from 500 South.

Motion was seconded by Commissioner Hansen. The motion was approved unanimously by the Planning Commission.

CONDITIONAL USE (MODIFICATION) REQUEST/INFORMATION

In 2016, we obtained a conditional use permit to conduct horseback riding lessons on our property at 732 W 500 S, Farmington, UT. We are considering transitioning the conditional use on our property from a horse operation to a small sports complex. While there are many steps beyond the approval of this application our family must overcome to make this transition possible, the first is a modification to the existing conditional use permit. Approval of this request does not mean we will transition into a sports facility but is a necessary first step in order for us to explore this further. We are asking that the approval of this modification request not immediately rescind our existing conditional use permit.

2016-Present

For the past eight years, we have operated a small horseback riding operation on our property, servicing those who have an interest and desire to experience horses and the joy they bring to one's life. Currently the operations includes a 80x80 indoor riding barn, a 110x100 outdoor riding arena, a 24x48 covered area, a parking driveway, a 36x36 foot stall barn and a 12x24 stall barn. Parking on the property, currently, can park ~15 vehicles.

We have agreements with the city (as part of our conditional use permit) to ensure we have a way to mitigate dust and don't operate outside established hours. We have taken all steps to mitigate these concerns and operate within the requested sideboards.

Proposed Project:

The proposed project of transitioning to a sports complex will be completed in at least two phases and only if funding allows. In nearly every way, the proposed conversion to a sport facility minimizes the scope of operation on the property and minimized or eliminates many of the items the city presented in association with our current operation when it was first approved.

Phase 1: Modification to existing 80x80 structure and other adjustments

The 80x80 indoor riding arena would be converted into a 80x80 sports facility to include, bathrooms, heating, a mezzanine, storage and a 70x80 turfed playing surface, etc. The footprint of the building will remain the same as its current state.

A facility this size, generally, is not enough space for more than one team (~15 people) to practice at any given time. It is also expected that the facility would not be able to service the needs of more than 10 teams in a given week. This ensures that this operation remains extremely manageable for the surrounding community.

The outdoor 110x100 arena would be used for additional parking in this phase. It wouldn't be paved but instead would have substrate brought in to match that of what current exists for in our approved parking area under the existing conditional use permit. While we don't expect more than a dozen

vehicles at any given time on the property, which current parking space could withstand, the additional parking would allow for upwards of 40-50 vehicles to be parked on the property. Far more than would be needed.

The 24x48 stall barn found toward the front of the property would be removed reducing the amount of hard surface and run-off concerns. Even in its current state, run-off concerns are virtually nonexistent.

Additionally, concerns related to dust would be mitigated by replacing the substrate in the outdoor arena with a more gravel-based product.

Phase 2:

This phase is purely funding/revenue dependent and may not come to fruition. If phase 2 were to be implemented, the 110x100 outdoor arena/parking area, would be converted to a turfed playing surface. This area would largely be used during the summer months so the use of lights will rarely, if ever, be of concern. The current outdoor arena has lights and we abide strictly by the time restrictions in our current conditional use permit as implemented by the city. We would continue to adhere to established standards if phase 2 of this project were implemented.

Again, the placement of turf shouldn't impact water run-off. The turf would be placed on the existing gravel based substrate, where it will drain in the same fashion as it does in its current state.

We could comfortably park ~24 vehicles on the property after the completion of phase 2; well in excess of what is needed.

Current state of property showing 80x80 riding barn, 110x100 outdoor arena, 24x48 covering and parking area

Project with Phase 1 and Phase 2 complete. Outdoor turf is a second phase of this project that may not occur. We wouldn't plan to have a paved parking lot. We would plan to keep it in its current state

This is, generally, what the indoor facility would look like

Current

- Open parking in gravel area
- currently stalls, sand, barn and gravel area are used under existing conditional use
- 48x24 stalls will be remaind and other stalls will no longer be part of conditional use if approved

Phase I

- Both gravel areas used for parking
- if paint required on gravel, roughly 9 ft parking stalls
- east portion of property not associated w/new conditional use
- 24x48 stall removed

Phase II

- parking would remain consistent w/ current & phase I
- east portion of property not associated w/ new additional use

11-8-060: AMENDMENT OR MODIFICATION OF A CONDITIONAL USE:

Once granted, a conditional use shall not be enlarged, changed, extended, increased in intensity or relocated unless a new conditional use application is made and approved by the planning commission, except as provided below:

A. Necessity: Modifications to an approved conditional use permit may only be granted when it can be determined that such changes or modifications are necessary to accommodate special circumstances related to the location, siting or implementations of the approved development and where such modifications are found to be so insignificant and minor so as not to measurably change the approved conditional use permit or the intent of conditions that may have been imposed. The request for amendment shall be made in writing and documented on the site plan of the project.

B. Request: The applicant may specifically request that the conditional use permit be modified by enlarging or diminishing the size of the structure(s), shifting the location of the structure(s), or changing the use to a different permitted use in the underlying zone.

C. Review: The city planner may review and approve requests for modification of a conditional use permit. Amendment requests which are determined to constitute a significant change to the approved use shall be heard by the planning commission. A revised conditional use permit shall be filed by the city planner and replace the previously approved permit. (Ord. 1991-27, 7-17-1991)

CITY COUNCIL MEETING NOTICE AND AGENDA

160 SOUTH MAIN
FARMINGTON, UT 84025
FARMINGTON.UTAH.GOV

Notice is given that the Farmington City Council will hold a regular meeting on **Tuesday, February 17, 2026** at City Hall 160 South Main, Farmington, Utah. A work session will be held at 6:00 pm in Conference Room 3 followed by the regular session at 7:00 pm in the Council Chambers. The link to listen to the regular meeting live and to comment electronically can be found on the Farmington City website www.farmington.utah.gov. If you wish to email a comment for any of the listed public hearings, you may do so to dcarlile@farmington.utah.gov

WORK SESSION - 6:00 p.m.

- Parental Leave Discussion
- Ezra T Clark Culvert / I-15 Widening Discussion
- Asset Capitalization Policy Discussion
- Discussion of regular session items upon request
- Councilmember comments

REGULAR SESSION - 7:00 p.m.

CALL TO ORDER:

- Invocation - Roger Child, Councilmember
- Pledge of Allegiance - Amy Shumway, Councilmember

PRESENTATIONS:

- Musical Number from Farmington High School production of The Prince of Egypt
- Recognition of David Barney for service on the Historic Preservation Commission

PUBLIC HEARINGS:

- Consideration of a request to Rezone approximately 40 Acres of property from A-F (Agriculture-Foothill) to the LR-F (Residential-Foothill) zoning district and consideration of a Schematic Subdivision for The Farmington Reserve / The Garden project
- Adoption of FY26 Budget Amendment #2 - municipal budget

BUSINESS:

- Miller Hollow Schematic Subdivision alternate lot standards
- SIRQ Construction Manager / General Contractor guaranteed maximum price for Fire Station 72

SUMMARY ACTION:

1. Approval of Minutes 02.03.26
2. Monthly Financial Report
3. Lagoon Contract Approval
4. Resolution appointing Shauna Wardrop to serve on the Historic Preservation Commission for the term of 01/06/26-12/31/27

GOVERNING BODY REPORTS:

- City Manager Report
- Mayor Anderson & City Council Reports

ADJOURN

CLOSED SESSION - Minute motion adjourning to closed session, for reasons permitted by law.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations due to a disability, please contact DeAnn Carlile, City recorder at 801-939-9206 at least 24 hours in advance of the meeting.

*I hereby certify that I posted a copy of the foregoing Notice and Agenda at Farmington City Hall, Farmington City website www.farmington.utah.gov and the Utah Public Notice website at www.utah.gov/pmn.
