4. Public Hearing: FY2025-26 Budget & Fee Schedule Amendment; Resolution #2026-10-R.

The Council will review and consider proposed changes to the FY2025-26 budget and fee schedule.

Sample Motion: I move to (*approve, continue, deny*) Resolution 2026-10-R (*as presented, or with changes*).

RESOLUTION NO. 2026-10-R

A RESOLUTION OF THE CITY COUNCIL OF LINDON CITY, UTAH COUNTY, UTAH, AMENDING VARIOUS SECTIONS OF THE LINDON CITY BUDGET AND FEE SCHEDULE FOR FISCAL YEAR FY2025-26 AND SETTING AN EFFECTIVE DATE.

WHEREAS, The Municipal Council of Lindon City finds it prudent and in accordance with sound fiscal policy to amend the Lindon City Budget and Fee Schedule for Fiscal Year 2025-26 (FY2026); and

WHEREAS, the on-going budget reports indicate items which need to be adjusted to actual costs associated with current projects and revenue/expenditure line items updated based on new information and data obtained since the budget was adopted in June of 2025; and

WHEREAS, the fee schedule needs to be updated in order to cover costs of providing goods and services to the public; and

WHEREAS, public notice of the budget and fee schedule amendment has been advertised and public hearing held on February 19, 2026 regarding the proposed amendments; and

WHEREAS, the Municipal Council desires to amend the FY2025-26 Lindon City Budget and Fee Schedule to reflect these needed amendments.

THEREFORE, BE IT RESOLVED by the Lindon City Council of Lindon City, Utah County, State of Utah, as follows:

Section I. The FY2025-26 Lindon City Budget and Fee Schedule is hereby amended as shown on the attached memorandums for specific line items as listed.

Section II. This resolution shall take effect immediately upon passage.

PASSED AND ADOPTED by the Lindon City Council on this the 19th day of February, 2026.

5. **Work Session: Fiscal Year 2026-27 Budget Planning.** Lindon City Administration and Department Heads will meet with the Mayor and City Council members in a work session to review, discuss, and receive feedback on significant budget issues and priorities for the upcoming 2026-27 fiscal year. This is a discussion item only. No motions will be made.

Sample Motion: There will be no motion on this item.

LINDON CITY BUDGET KICK-OFF WORK SESSION

February 19, 2026

Meeting Purpose: Discuss significant budgetary matters for the upcoming 2026-27 fiscal year (FY2027). Council members will receive information from department heads and provide general feedback. No motions will be made.

<u>Item:</u>	<u>Presenter</u>	<u>Council Action</u>
1. Budget Adoption Process	Kristen	Receive Information
a. Kristen - Review timeline for budget process & adoption		
2. Financial Overview	Adam/Kristen/Juan	Receive Information
a. Review significant revenue sources (FY26)		
i. Sales tax = \$7.21 million estimated revenue; review graphs and trends		
ii. Property tax = \$2.6 million estimated revenue; review graphs and trends		
iii. Franchise tax = \$2.14 million estimated revenue		
iv. Utility Charges = \$8.47 million estimated revenue		
v. PARC Tax = estimated \$1,030,000		
1. Review & discuss PARC Tax spending allocation (last updated March 2023)		
a. review proposed allocation changes for FY2027		
b. (Juan) TENTATIVE 2026-27 utility rate increases: Water 4% = usage, 4% base; Sewer = 10% usage, 7% base; Stormwater = 4%		
i. Why do we need to raise rates?		
1. Cover costs of on-going maintenance projects; limit the need of borrowing/bonding and paying interest as much as possible (some bonding will be required).		
2. Opportunity to save for large future projects (new well; water tank; etc)		
3. Unease regarding low projected sewer fund balance.		
a. TENTATIVE Lindon's share of Orem sewer plant upgrades		
i. 2023-24, \$1.32M (Lindon's cost of total project; borrowed from Gen Fund monies to supplement Sewer Fund)		
ii. 2025, \$4.4M (20 yr bond) (improvements postponed by Orem)		
iii. 2030, \$4.9M (20 yr bond)		
iv. 2035, \$3.06M (20 yr bond)		
v. 2040, \$4.5M (20 yr bond)		
c. Debt outlook for FY2027		
i. Kristen - review Fund Balance Summary and Debt Schedule.		
1. Future bonding will be necessary for infrastructure needs (well; sewer plant upgrades; storm water detention & piping; etc.)		
d. Review Purchase Policies & dollar limits / approvals requiring council involvement		
3. Cost savings / Increased revenues	Adam & Dept. Heads	Receive Info/ Give Direction
a. Savings:		
i. Open positions not immediately filled (building inspector; court clerk)		
ii. Public Works: in-house labor on Main Ditch piping project (saved sales taxes on pipe purchases); refurbishment of some equipment vs new purchases; PRA capacity valued at \$5M vs \$2.8M in water shares traded		
b. Increased or New Revenues:		
i. Water meters upgrades: better accounting for water use = more revenue for water fund		
ii. Impact Fee updates: Stormwater Impact Fee Study update is nearing completion; other impact fee updates as needed.		
iii. Transportation Utility Fee (TUF) – PW / Engineering staff are exploring process and potential rates, then will bring forward to the Council with more information.		
iv. Property Tax – consideration of inflationary increases?		

- v. Grants obtained thus far in FY2025-26 are below. Several other grant applications in process (400 West / 400 North roadway improvements; Thornton Park & detention basin improvements).

Total by year	Year Awarded	Grant Amount	Description	Lead Department	
\$ 1,557,922.14	2025-26	\$ 1,000,000.00	UDOT 400 West road construction grant	Admin / Engineering	
		\$ 494,999.00	MAG Corridor Preservation grant; 400 West	Admin / Engineering	
		\$ 50,000.00	Utah County Health Dept Cig & Drug Prevention Program	Parks & Rec; CTC	
		\$ 1,000.00	Millhaven Homes, Donation for Police Dept employee recognition	Police	
		\$ 10,923.14	PFAF's legal settlement from Dupont	Public Works_ Water Div	
		\$ 1,000.00	Walmart donation; SPARK grant	Police	

4. Personnel Issues

Adam/Chase/Dept Heads

Give Direction

- a. Evaluating position needs as we experience growth & demand for services:
 - i. Police Dept – potential new officer position as 700 North develops
- b. Chase - Review Operational Revenues vs. Personnel Costs over time
- c. Merit pay & COLA:
 - i. Typical merit increase anticipated per 12-step pay scale
 - ii. COLA & wage study:
 1. Recommendation of 2.4% COLA (see attached inflation index table);
 2. Wage market study: Pay Range and wage adjustments made in 2025 for specific positions; 14 job titles -5% or more below market average, impacting over 25 employees.
- d. Health/Dental insurance rates – **TBD**; Annual rate increases have historically been 5-7%.

5. Department Specific updates / Capital Improvements

Dept Heads

Receive Info/ Give Direction

- a. Public Works (Juan Garrdio):
 - i. Cemetery Phase 2 (\$1.5 M from current fiscal yr)
 - ii. Road Maintenance FY26-27 map and 3-year plan, planning on \$2M per year
 1. 400 W 400 N Connection with Utilities and possible mini-roundabouts at 400 W Lakeview and 400 W 200 S; road design is underway.
 - a. \$1M UDOT grant & \$490k MAG corridor preservation; pending possible MAG TIP grant.
 - iii. Roads - 135 W 200 S road reconstruction, trail (after utility replacement is completed)

- b. Police (Chief Brower): Wage & benefits need to remain competitive to attract & retain officers; misc. equipment and supplies.
 - i. Corporal advancement opportunities have been beneficial to retain officers
 - ii. As 700 North commercial area develops the PD will likely need one new officer.
- c. Justice Court (Brian Haws): re-starting bailiff services for increased court security; approx. \$10,000 per year starting in April.
- d. Community Development (Mike Florence) : Just recently filled Building Inspector position after nearly 7-month vacancy; Building inspection jobs remain extremely competitive and difficult to attract qualified inspectors. No other significant budget changes are anticipated.
- e. Parks Dept (Heath Bateman):
 - i. *Review of 2025 Special Events & cost summary. Costs do NOT include staff time or overhead expenses.*
 - 1. Special city events (including Lindon Days) costs in 2025 were just over \$95k after revenues were accounted for to off-set expenses. Lindon Days alone was approximately \$57k.
 - 2. Are these city events, and the costs for putting on the events, items the Council desires to continue spending city funds on? Are there any events that should be scaled back or discontinued?
- f. Facilities, Vehicles & Equipment (Adam & Dept Heads):
 - i. Upgrade council room AV system (up to \$25k??). Working on getting proposals.
 - ii. See attached DRAFT Facilities & Fleet budget proposal from Alex (Facilities & Fleet Mngr).
 - iii. Public Works:
 - 1. 2026-27 potential Street Sweeper replacement (\$420K)
 - 2. 2028-29 potential Jet-Vac Truck replacement (\$650K)
- g. Fire / EMS / Dispatch services (Adam)
 - i. Anticipating that Orem Fire will request one additional fire fighter per shift (3 total) in FY2027 or FY2028 with increase of approximately \$273k, increasing total cost for fire/ems & dispatch services to approximately \$2.9M annually. We're waiting for additional information to evaluate this future request.
- h. Potential future property purchases & significant capital improvement projects:
 - i. 700 N commercial property (purchase by the RDA)
 - ii. Lindon Elem property (approx. 8.7 acres). Start to save money to potentially purchase Lindon Elem?
 - 1. In 2020, Orem purchased Hillcrest Elem from Alpine SD for \$5,255,000 (9.3 acres w/school bldg). The two school buildings were of similar age and size.
 - 2. Rebuild / New Community Center?
 - iii. Traffic signal right-of-way: 500 N Geneva
 - iv. Master Planned Parks: improvements as able.
 - v. What other significant capital improvement projects does the Council / Community desire?

6. Other Significant Needs or Issues?

7. Any specific budget requests by Council members?

- a. Center Street light pole arm attachments for hanging flower baskets / banners; \$2k to \$10k
- b. What do you want to see accomplished with our budget funds that isn't already being planned?

FY2026 Budget – Saving for the Future

Lindon City has committed to build its General Fund balance (savings/reserves) as close as possible to the maximum allowed by the State to help avoid tax & fee increases during economic downturns. The city is projecting it will end its current budget year (June 30, 2026) with about \$3.1 million, or 21.78% of revenues, saved in its General Fund balance (the State allows max of 35%). The city has prioritized using past one-time revenues to pay down debts ahead of schedule. This has saved hundreds of thousands in interest and has freed up General Funds for other expenditures like road maintenance, property purchases for roads and parks, and new employee positions needed to accommodate growth and demands on the city.

Lindon is in the fortunate position of having a smaller population which benefits from a large commercial & industrial sales tax base. Lindon's citizens and businesses enjoy below average property taxes, moderate fees, and excellent city services and amenities. In two prior fiscal years (FY2024; FY2025) the City Council took an unusual step of utilizing one-time financial surpluses to supplement the city's utility funds with \$500,000 of General Fund monies, thus reducing overall utility rate increases on citizens. Lindon's thriving financial position enables it to meet demand for increased services and amenities without the need to significantly increase taxes and fees.

Property Taxes (2025)

Unrealized by many taxpayers is that Lindon City receives only a small portion of assessed property taxes. Most of the property tax in Lindon is imposed by Alpine School District (72.35%), followed by Utah County (12.77%), Lindon City (9.87%), and Central Utah Water Conservancy District (5.01%).

For the 2025 tax year, Lindon will receive approximately \$216 from a residential property with a market value of \$500,000. For \$216 the property owner essentially purchases their access to one-year of full-time police/fire & EMS coverage, parks & trails, snow plowing, fixing of potholes, street signs, streetlights,

resurfaced roadways, a senior center, city fair & cultural events, a community center, library card reimbursements, discounted resident rates for facility rentals, aquatics facility, sports programs, etc. **WHAT A DEAL!**

Lindon is fortunate to have a large sales and franchise tax base that helps supplement these general fund services so that property taxes can stay very low. In over 35 years Lindon has only increased its city portion of property taxes once (in 2009).

through your utility bill. Small increases are annually added as needed to cover aging infrastructure replacement costs and keep up with inflation.

Every city has different infrastructure costs that their utility rates are based upon. Comparing utility rates between cities is like comparing apples to oranges. However, it is helpful to know that Lindon's residential monthly utility rates are near or below average compared to many other Utah cities.

Median monthly city utility bill*
for residential households in Lindon **= \$135.78**

FY2026 Budget – Revenues vs. Expenditures

Each year Lindon City reviews and adopts a new budget through a series of committee meetings, recommendations from city department managers, and input from the public at City Council meetings. Below are charts showing projected city revenues and expenditures for the current fiscal year (FY2026). The largest portions of revenue come from Utility Charges, Sales Taxes, Property Taxes, Charges for Services, Miscellaneous Income (grants, leases, etc.), and other taxes and fees.

Where the Money Comes From

Total City Revenues = \$36,880,665
Net of fund balances and transfers

Citywide Expenditures by Fund

Total Expenditures = \$46,187,090
Total Includes Fund Balances and Transfers

General Fund

The General Fund is the primary operating fund for most government activities and is the fund that elected officials have the most discretion in how revenues are spent. The General Fund supports services such as police, fire & EMS, streets, parks, city planning, building inspection, administration & finance, facility & grounds maintenance, etc. The General Fund does not include the utilities, RDA, recreation, or PARC tax funds. The charts below show the breakdown of revenue sources and expenditures by department for the FY2026 General Fund.

GENERAL FUND REVENUES

Total = \$18,851,305

GENERAL FUND EXPENDITURES BY DEPARTMENT

Total Expenditures = \$18,851,305

What are the primary taxes that the city collects?

Sales Tax: Of all the taxes, Lindon City receives the most revenue from sales tax and forecasts receiving about **\$7.21 million** in sales taxes this fiscal year. The *combined* sales tax rate in Lindon is 7.45%. The rate is a combination of various sales tax assessments with the majority of the tax going to the State of Utah (4.85%) and the remaining going to the City (1%), Utah Transit Authority (0.55%), Utah County/Transportation Infrastructure (0.75%), Utah County Public Transit (0.20%), and Lindon's PARC tax (0.1%). The State of Utah collects all the sales tax. It requires cities to share half of their generated sales tax which is then pooled and re-distributed back to every city based on population. Since Lindon has a smaller population the city retains a little more than half of the sales taxes it generates. Therefore, the city's *functioning* sales tax rate is about 0.65%.

Property Tax: Property taxes are assessed at rates set by the taxing entity (School District, City, County, Special Service Districts) and collected by Utah County. The county sends assessors to all properties to be appraised then a tax bill is created based on those appraisals. Homes used as a primary residence are taxed at 55% of the assessed value, while secondary homes and non-residential properties (commercial, industrial) are taxed at 100% of the assessed value. Lindon's largest property tax payers are commercial, office, and industrial properties. Lindon anticipates receiving about **\$2.6 million** in property tax revenues this fiscal year.

Franchise Tax: The city charges utility franchise taxes (fees) on energy, cable, and telecommunication activities within the city. Most private utility service companies use Lindon's streets and right-of-ways to install their infrastructure and do business. Cities commonly assess fees for the use of these public corridors. Lindon's franchise tax rates match that of most other Utah cities. Lindon anticipates receiving about **\$2.14 million** in franchise taxes this fiscal year.

Revenue Projections

The chart below shows a ten year history and five year forecast for Lindon's major revenue sources consisting of utility charges, sales tax, property tax, and other taxes. After a slight decrease in sales

taxes experienced in 2022-23, Lindon anticipates generally increasing sales tax revenue, utility revenues, and gradual increases in property tax revenues as new homes and businesses develop. With newer businesses like KIA, Genesis, soda/drink stores, and other small businesses, sales tax revenues are anticipated to slowly increase over the next few years. Additional tax revenues will also occur as new businesses continue to develop along our 700 North commercial corridor.

(NOTE: On the chart above, the drop in property taxes received during FY2016 - FY2018 (red line) is due to special tax disbursements expiring in Lindon's Redevelopment Areas (RDA). Lindon's expired RDA's no longer receive a higher proportion of the property taxes for those RDA project areas, thus the decrease in total property tax revenues.)

Future Challenges

The outlook for Lindon's future is very positive. However, Lindon is not without its share of current and future challenges.

Aging Roads & Utility Infrastructure: Much of the city's roads and water, secondary water, sewer, and storm water utilities were installed decades ago. As these roads and utilities age they will eventually fail and need to be repaired or replaced. The city's utility rates were historically set at adequate levels to provide and maintain the services but for decades the rates were not sufficient to replace large amounts of aging infrastructure. The city now initiates small annual increases in utility rates

to cover replacement of infrastructure and to keep up with inflationary cost increases. These revenues also offset Lindon's obligations for a portion of sewage treatment plant upgrades at Orem City's wastewater treatment facility.

Paying down debt to free up General Fund monies for road maintenance continues to be a priority and allows Lindon to invest more annual dollars into road & utility maintenance than ever before. The FY2025-26 budget has \$2.9M allocated for road maintenance; \$4.68M for new well construction; \$580k for sewer projects and infiltration elimination; and \$1.46M for Storm Water projects.

Attracting and Retaining Employees: Both government and private industries have experienced recent labor shortages. Government jobs have historically been characterized by lower wages but with better benefits, thereby remaining attractive to potential employees. However, the line between public and private sector benefit packages has blurred as budget constraints have gradually reduced many government sector benefit offerings. Cities are also facing an aging workforce with younger populations not appearing to place as high of priority on long-term benefits such as the pension plans offered through Utah Retirement Systems.

Demand for higher wages combined with increasing local costs for housing, fuel, goods & services are reflected in the lower number of applicants applying for many city jobs. While pressure for wage increases is continuing, there has traditionally been a very limited appetite from the public to support increased taxes or fees for services to cover such costs. Employment sectors that are most challenging are police, building & public works trades, engineering, seasonal laborers, and

administrative services. Keeping wages & benefits competitive to attract and retain high quality workers continues to be one of Lindon's biggest challenges.

Managing Growth & Water Resources: New development and growth brings jobs, housing, and shopping opportunities – and with that growth comes increased traffic and demand for city services. Lindon's 700 North corridor (North County Blvd) and the I-15 Lindon/PG interchange are ripe for development. The city has made efforts to plan appropriate types of land uses along the corridor and is carefully planning growth through adoption of an Area Master Plan for 700 North. A special tax revenue area (700 N. CDA) has been created along the corridor to help foster economic development and/or utility improvements. The City and UDOT are also planning for future interchange improvements, road widening, new traffic signals and, in the not-too-distant future, Bus Rapid Transit (BRT) and possibly light rail improvements in the area.

An often-overlooked outcome of a growing and aging community is the increasing demand for cemetery plots. The first phase of the Lindon City Cemetery was constructed in about 1993. The cemetery is currently at 78% capacity (sold plots). In 2024-25 the City Council approved design of phase two of the cemetery to be constructed and completed by the spring of 2026. The total

completion of the cemetery (after phase 3) will add over 5,000 new burial plots and cremation inurnments. We thank our many Public Works employees who keep up with a steady workload of burials and maintenance responsibilities at the cemetery.

In 2024, Lindon began work to drill a new culinary water well. This well will provide needed redundancy to Lindon's culinary water system. The drilling process has been completed with the next phase of construction for the wellhouse and associated piping upgrades scheduled for completion in 2026.

Additional resources have been invested into obtaining capacity within the Provo River Aqueduct, providing a more reliable means of transporting secondary water to the city than traditional canals and ditches. Conserving water resources is a top priority.

Get Involved!

Citizens can get involved in the budget process by attending annual public budget hearings and budget discussions with the City Council. The city makes the proposed budget for the upcoming fiscal year available to citizens in late April or early May. From May to June the City Council holds meetings on the budget where citizens can come to express their views and ask questions about the budget. Questions and comments at other times are always welcome.

Finalized budget, tax information, fee schedules, and associated documents are available for download through the city website at www.lindon.gov.

4.9 SPENDING APPROVAL LIMITS & CHOICE OF BID PROCESS

52

1. Except as otherwise provided in this Policy or by provisions of State or Federal law, purchases of supplies or services shall follow one of the bid processes outlined in [section 4.6](#) of this Policy for the appropriate dollar amount thresholds listed in [Table 1](#) of this section. The cost of the supplies or service shall not be divided to avoid bid requirements. Purchases of \$3,500 or less are not required to obtain a bid unless deemed appropriate by the Department Head. In cases where more than one alternative bid process is listed in [Table 1](#) as acceptable for a given dollar

43

amount, any of the listed bid process alternatives shall be acceptable, and the City shall not incur any liability for choosing one alternative over another.

2. For Open Market and RFP bid processes, the City shall strongly consider procuring supplies and services from local providers (within Lindon City), after consideration of cost differences for comparable supplies and services.

CY=Calendar Year

Comparison of:

- The National Consumer Price Index (U.S. CPI), the West Region CPI-Urban (West CPI), the Mountain Division of the West Region CPI-Urban (Mtn CPI)
 - Data is from the U.S. Bureau of Labor Statistics
 - They are the 12 month average annual change
 - The previous year is shown because Social Security and Lindon City look at the previous information in order to set the COLA for the corresponding year on the table.
 - Historically, Lindon City has used the U.S. CPI average annual change from March to February in order to get the most recent data available
 - *Effective 2/3/2025, Lindon will be using January to December data for industry consistency and in order to have the data earlier, in time for the budget kick-off*
 - The West Region covered in this release is comprised of the following thirteen states: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming.
 - The Mountain Division of the West Region
 - The index began in December 2017 at 100
 - The division is comprised of Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, Utah, and Wyoming
- Social Security Cost of Living Allowance (COLA)
 - The number shown takes effect in January of the corresponding year
- URS COLA
 - Calculated in January based on the previous year's average monthly change in CPI
 - Effective on the anniversary of employee's retirement date
 - Capped at 4% or 2.5%, depending on the system that the retiree is in. The difference will accumulate and carry over in subsequent years when the annual increase is less than 4% or 2.5%
- Lindon City COLA
 - The number shown takes effect in July of the corresponding year, except 2022 which was implemented in January 2022.
 - *In the 2023-2024 fiscal year, a one-time payout of 2% was given in addition to the 4% COLA.
