D. Misc.-

We are taking calls for artists for the Bingham Creek project. We will need to put together an art selection committee. The committee will include South Jordan staff, members of the Bingham Creek Board, and members of the Arts Council. Emily asked if two members would like to be on the committee. Amy and Jason M. both asked to be on the committee. Emily will send out calendar invites for the meetings and art approvals.

Janell talked to the Arts Council about the UORG Grant and asked how they would feel about getting a musical piece of interactive art if we could get the grant and then the difference would come out of the Arts Council's public art line. We talked about cost, Laura contacted Daybreak about the guitar, and it sounded feasible with a grant. Tiffany, Janell and Kelsey will get more details and see if we can accomplish this. If we do not get the grant, the funds would stay/be used for other public art.

The Arts Council presentation at the City Council is in February each year. Janell reached out to Dustin to see what Council meeting we could get on the agenda, and Tuesday, Feb 17, will be the date. Shan will present to the Council with a PowerPoint made by Tiffany. Tiffany will send Shan the PowerPoint to review beforehand. Jason M. also mentioned that Tiffany reach out to Mel and make sure that she sends a calendar invite to the Art Show reception to the Mayor and the Council.

Meeting Adjourned at 8:00 pm- Janis approved, Amy seconded, none opposed.
