

UDOT Seeking Public Comment Regarding Proposed Statewide Long Range Transportation Plan Amendment #4

(Utah) - UDOT is seeking public comment regarding the Statewide Long Range Transportation Plan (LRP) Amendment #4. The current LRP can be found here: <https://sites.google.com/utah.gov/lrp-2023>

Amendment #4 may be viewed online via the UDOT web page here: <https://publicinput.com/v03365#tab-74780>

The public is encouraged to review the amendments to learn about state transportation infrastructure improvements impacting Utah communities.

Public comments regarding Amendment #4 will be accepted until 6 pm MST, March 19, 2026, and can be submitted via the public comment form located here: <https://publicinput.com/v03365#tab-74856>

Following the above comment period if the amendment is approved the LRP will be updated accordingly.

Upon reviewing amendments, we encourage the public to also visit the [UDOT LRP map](#) to view other current and future UDOT projects.
