2. **CONFLICT OF TERMS:** No other terms and conditions will apply to this Contract, including terms listed or referenced on the CONSULTANT's website, quotation/sales order, purchase orders, or invoice. In the event of any conflict in the contract terms and conditions, the order of precedence is: (a) additional required federal terms, if any, (b) this Attachment B; (c) DEPARTMENT's Contract Signature Page(s); (d) State of Utah's Additional Terms and Conditions, if any. Attachment B will be given precedence over any provisions including, limitation of liability, indemnification, standard of care, insurance, or warranty, and will not be nullified by or exception created by more specific terms elsewhere in this Contract.

3. **CONTRACT JURISDICTION AND COMPLIANCE WITH THE PROFESSIONAL STANDARD OF CARE, APPLICABLE LAWS, AND THE DEPARTMENT'S STANDARD SPECIFICATIONS AND STANDARD DRAWINGS:** Should another section of this contract conflict with this section 3, the terms of this section will control. The provisions of this contract will be governed by the laws of the State of Utah. As to all services provided under this contract, the CONSULTANT will furnish services by skilled and experienced personnel and under the supervision of skilled and experienced professionals licensed in Utah, as applicable, and will exercise a degree of care and diligence in the performance of these services following the customary professional standards currently practiced by firms in Utah and will comply with any and all applicable codes, laws, ordinances, administrative rules, federal regulations and the DEPARTMENT'S Standard Specifications and Standard Drawings currently in effect, and this contract (the Standard of Care).

As to any drawings, plans, specifications, or other documents or materials provided or prepared by the CONSULTANT or its sub-consultants, the CONSULTANT agrees to comply with all applicable laws, statutes, administrative rules, federal regulations, building codes, and the DEPARTMENT'S Standard Specifications and Standard Drawings currently in effect.

These records must be retained by the CONSULTANT for a period of at least seven (7) years after the contract terminates, or until all audits initiated within the seven years have been completed, whichever is later. These records must be made available at all reasonable times during the seven-year period for audit and inspection by the LOCAL AUTHORITY or the DEPARTMENT and other authorized State or Federal auditors. The CONSULTANT'S records supporting the cost proposal shall also be retained and made available for review by authorized Federal or State staff. Copies of requested records must be furnished to the LOCAL AUTHORITY or the DEPARTMENT upon request.

5. **CONFLICT OF INTEREST:** The CONSULTANT certifies that none of its officers or employees are officers or employees of the State of Utah unless disclosure has been made in accordance with Utah Code § 67-16-7. The CONSULTANT certifies that no engineer, attorney, appraiser, inspector, surveyor or survey crew, or other person performing services for the CONSULTANT has, directly or indirectly, a financial or other personal interest, other than their employment or retention by the LOCAL AUTHORITY or the DEPARTMENT through this contract, in any contract or subcontract in connection with this project (Reference 23 C.F.R. § 1.33 (2022)).

8. **INDEMNITY - LIABILITY:**
- (a) The CONSULTANT must hold harmless and indemnify the DEPARTMENT and the LOCAL AUTHORITY, their officers, authorized agents and employees from and against claims, suits and cost, including reasonable attorneys' fees, for injury or damage to the extent caused by the negligent acts, errors, omissions, or willful misconduct of the CONSULTANT, or its subconsultants when acting within the scope of their subcontract, or their respective agents, employees or representatives.
 - (b) The CONSULTANT is an independent contractor contracted with the LOCAL AUTHORITY and approved by the DEPARTMENT. Any periodic plan and specification review or construction inspection performed by the LOCAL AUTHORITY or DEPARTMENT arising out of the performance of the contract, does not relieve the CONSULTANT of its duty in the performance of the contract, or ensure compliance with the Standard of Care.
 - (c) Neither party to this contract shall be liable to the other party or any third party claiming through the other respective party, for any special, incidental, indirect, punitive, liquidated, delay or consequential damages of any kind including but not limited to lost profits or use of property, facilities or resources, that may result from this contract, or out of any goods or services furnished hereunder. The CONSULTANT is solely responsible for any consequences of gaps in insurance coverage, and for improper submission of any Certificate of Insurance.

In the event any work is subcontracted, the CONSULTANT is responsible for determining whether to require its subconsultants to maintain the same minimum coverages as the prime, or to assume the risk for subconsultant services under its own policies.

Any insurance coverage required herein written on a “claims made” form rather than an “occurrence” form will: provide full prior acts coverage or have a retroactive date effective before execution of this contract; and, be maintained in force until all activities which are required by this contract or as changed by contract modification are completed and accepted by the LOCAL AUTHORITY and the DEPARTMENT and for a period of at least three (3) years following the end of the term of the contract or contain a comparable “extended discovery” clause (on construction phase contracts or modifications for construction engineering management, the insurance must remain in effect for one (1) year after completion of the contracted services). Evidence of current extended discovery coverage and the purchase options available upon policy termination will be provided to the LOCAL AUTHORITY and the DEPARTMENT.

The following policies of insurance will be issued by insurance companies licensed to do business in the State of Utah and must: be either currently rated “A” or better by A.M. Best Company and have an A.M. All required certificates and policies will provide that coverage thereunder will not be canceled or modified without providing thirty (30) days prior written notice to the DEPARTMENT in a manner approved by the Assistant Attorney General for the DEPARTMENT, either by the insurance carrier or the named insured.

In the event that governmental immunity limits are subsequently altered by legislation or judicial opinion, the CONSULTANT must provide a new certificate of insurance within thirty (30) days after being notified thereof in writing by the DEPARTMENT certifying coverage in compliance with the modified limits or, if no limits are specified, in an amount acceptable to the DEPARTMENT.

Policies referred to in 10(a), 10(b), 10(f), 10(g), and 10(i) above must have endorsements which include language for Additional Insureds stating that the policies are amended to include an organization whom the CONSULTANT has agreed to add as an Additional Insured by contract, and must state the coverage is afforded on a primary and noncontributory basis.

Policies referred to in 10(a) and 10(b) limits can be covered either with the insurance policy alone, or a combination of the insurance policy and an umbrella insurance policy.

If CONSULTANT does not receive the LOCAL AUTHORITY's or the DEPARTMENT's written response to the notice of intent to publish within the thirty (30) day period, then the LOCAL AUTHORITY or the DEPARTMENT will be deemed to have consented to such publication. If DEPARTMENT requests a delay in submission of publication for patent protection, CONSULTANT will have no obligation to delay publication for longer than three (3) months following delivery of CONSULTANT'S notice of intent to publish. If the LOCAL AUTHORITY or the DEPARTMENT requests a delay in submission of publication due to overdue deliverables, submission of publication by the CONSULTANT prior to completing those contract deliverables will be grounds for termination of this contract. The program documentation must include flow charts and detailed treatment of decision algorithms and their technical basis. Appropriate LOCAL AUTHORITY individuals will review "user instructions" and "program documentation" for acceptability. Formal sign-offs will record such events and be part of the project repository. Software development and operating system platforms must be approved by the LOCAL AUTHORITY and the DEPARTMENT and specified in the work plan. Changes to these platforms may only be allowed by written authorization by the LOCAL AUTHORITY and the DEPARTMENT.

- 40. **COST PRINCIPLES:** Regardless of the funding source, the costs allowable for reimbursement will be governed by the 2 C.F.R. Part 200 Subpart E and 48 C.F.R. Part 31 Federal Acquisition Regulations (FAR) in compliance with 23 U.S.C. § 112(b)(2)(B), as modified by Utah State law, administrative rules, and regulations on contract provisions.
- 41. **CORONAVIRUS PANDEMIC RECOVERY:** This section applies only if: (i) this Contract, or a subcontract, is a cost-plus-fixed-fee contract; (ii) the CONSULTANT (or the subconsultant with that subcontract) received a loan under the federal Paycheck Protection Program or similarly, received a credit, loan or

other relief in 2020, or thereafter, from a federal program enacted to provide relief during the Coronavirus pandemic, such as the CARES Act, the FFCRA, or other similar federal legislation (collectively a “PPP Loan”); and (iii) any portion of the PPP Loan was forgiven, or applicable law similarly requires the recipient to provide a refund, repayment, credit, or reimbursement to the DEPARTMENT. If this section applies, the CONSULTANT, for itself and its subconsultants, must comply with this section to provide for a PPP Loan recovery in compliance with 48 C.F.R. 31.201-5, Utah Code § 72-2-113(3), and other applicable law and guidance. Those legal obligations require calculation of a PPP Loan credit which must be included in the Indirect Cost Rate (referred to in this section as an “Impacted Rate”). Under this Contract, an accepted Impacted Rate will apply during the CONSULTANT’s (or subconsultant’s) “Recovery Period,” which is the shorter of the following time periods: (i) the time period necessary to recover the required credit amount of the CONSULTANT’s (or the subconsultant’s) forgiven PPP Loan (or other repayment obligation); or (ii) 365 days after the date when the DEPARTMENT approved the CONSULTANT’s (or the subconsultant’s) Impacted Rate.

This Contract is written to include the CONSULTANT’s “Unimpacted Rate” (which is the CONSULTANT’s accepted rate without the PPP Loan credit). The CONSULTANT has also included subconsultant costs on that basis. But notwithstanding those or any other provisions of this Contract to the contrary, the CONSULTANT agrees as follows: (i) During the CONSULTANT’s Recovery Period, each of its invoices will provide to the DEPARTMENT a “Recovery Credit,” which is an amount that is equal to the difference between the CONSULTANT’s overhead and fixed fee calculated at the Unimpacted Rate, and the CONSULTANT’s overhead and fixed fee calculated at the Impacted Rate. The CONSULTANT will show its Recovery Credit, as calculated, using the [UDOT OH & FF Credit Adjustment Template](#) document, and the CONSULTANT will include the template and calculation as part of its support documentation for each invoice. (ii) During a subconsultant’s Recovery Period, the CONSULTANT’s costs charged for a subconsultant will include the Recovery Credit for that subconsultant. The CONSULTANT will require the subconsultant to show its Recovery Credit, as calculated, using the [UDOT OH & FF Credit Adjustment Template](#) document, and the CONSULTANT will include the subconsultant’s template and calculation as part of the CONSULTANT’s support documentation for each invoice.

When the CONSULTANT or any subconsultant reaches the end of its Recovery Period, the CONSULTANT must submit a notification to the DEPARTMENT Project Manager stating the date that is claimed for when recovery was complete (“Recovery Date”). If the Recovery Date claimed by the CONSULTANT or the subconsultant is less than 365 days after the date when the DEPARTMENT approved the CONSULTANT’s or subconsultant’s Impacted Rate, then the notification must also include documentation that demonstrates full recovery (subject to the DEPARTMENT’s verification). When submitting invoices to the DEPARTMENT, the CONSULTANT will not include Recovery Credits for itself or any subconsultants once the CONSULTANT or a subconsultant has reached its Recovery Date.

If upon review the DEPARTMENT is unable to verify that the CONSULTANT’s (or a subconsultant’s) required PPP Loan recovery was met on the Recovery Date claimed by the CONSULTANT (or a subconsultant), the DEPARTMENT will require, and the CONSULTANT agrees to pay, the amount of any Recovery Credit that should have been credited to the DEPARTMENT under the requirements of this section. The CONSULTANT further agrees that the DEPARTMENT can take such payment from any amount that the DEPARTMENT owes to the CONSULTANT.

The DEPARTMENT will make undisputed payments no later than 30-days after receiving CONSULTANT's invoices and progress reports for services performed. If an invoice is incorrect, defective, or otherwise improper, the DEPARTMENT will notify CONSULTANT within 15 days of discovering the error(s). After the DEPARTMENT receives the corrected invoice, the DEPARTMENT will pay CONSULTANT within 30-days of receiving such invoice.

Payment requests for services performed on or before the last day of the Utah fiscal year (June 30), must be submitted no later than 30 calendar days after the billing cycle, see Utah Code Ann. § 63J-1-601.

The CONSULTANT acknowledges untimely billing may adversely affect the LOCAL AUTHORITY and the DEPARTMENT due to federal funding requirements in 41 C.F.R. § 105 – 71.123, and/or the state fiscal constraints imposed upon it as a department of state government by the Budgetary Procedures Act, Utah Code Ann. § 63J-1-101 et seq. The DEPARTMENT also has the right to hold the final invoice payment until the final audit is complete upon the request of the DEPARTMENT Project Manager.

6. **FINANCIAL SUMMARY:** The total maximum amount of disbursement pertinent to this contract must not exceed **\$335,555.98** Contract overruns will not be paid.
