Purgatory Rd

ENVIRONMENTAL ASSESSMENT - 2019

PROJECT AREA

- › Located between SR-9 (north) and Southern Parkway (south)
- › Within the growing Purgatory Flat area

PURPOSE

- › Improve regional connectivity
- › Enhance safety and emergency access
- › Support future economic and community growth

SELECTED ALTERNATIVE (UDOT)

- › Construct new 3-lane road from SR-9 to Southern Parkway
- › Use existing road alignments where feasible
- › Extend south through Purgatory Flat
- › Build new ~400 ft bridge across Virgin River

NEED

- › Limited north-south roadway connections
- › Some developing areas currently have only one access point
- › Planned growth (residential, commercial, industrial) requires better access
