

A long, straight asphalt road stretches into the distance under a cloudy sky, with fields on either side. The road is flanked by dry, golden-brown grass. In the background, there are rolling hills and a line of trees on the right side. The sky is filled with large, white and grey clouds, with some blue visible. The overall scene is bright and open.

An aerial photograph showing a wide, multi-lane highway under construction. The road is dark asphalt with white lane markings. To the right of the highway, there is a concrete barrier wall. In the background, a residential area with houses and trees is visible. Further back, there is a large, flat, open area, possibly a field or a reservoir. In the far distance, a range of mountains with significant snow cover is visible under a blue sky with some clouds. A white circular graphic with a double border is overlaid on the left side of the image, containing text.

A group of people, including a woman in the foreground and a man on the right, are working together to plant a young tree. They are wearing high-visibility green safety vests. The tree is in a black plastic bag filled with soil. The background shows other people and a grassy field under a clear sky.
