D. COMMISSIONER COMMENTS:

1. February's Stall of Fame Recipient is Aubrey Vigil from HR.

Chair Froerer: Aubrey Vigil is our Stall of Fame recipient. The process to hire employees at Weber County runs through Human Resources. Emily and her group do a fantastic job of making sure that we hire the best of the best and Aubrey is a great example of that.

Commissioner Bolos: Aubrey is a really great asset to the County. She always has answers for my hiring questions. She is part of the team that puts together all of the extra employee parties and gatherings and is key to making those happen. I appreciate her willingness to be there for me and for all she adds to the County.

Emily Wilde (HR Director): I have a really great team and one of those amazing members is Aubrey. She does a really great job planning and coordinating the employee events. She works great with all of our hiring managers and gets all of our new hires on boarded. I constantly get comments on how great and easy she is to work with. She earned her SHRM certification a year ago, which has a hard test and is a great honor to achieve. Every time I give her a task, I know it will get done. She is a problem solver and takes initiative. I am very glad to have Aubrey on my team.
