The Canyons Board of Education honors Janet Goble’s dedication to the Canyons School District. We express our sincere condolences to Janet’ family, friends, and colleagues in schools across the district and the state. For the official record of tonight’s meeting, we provide this statement about Janet and her contributions as a founding administrator of Canyons District: “Year after year, since the first days of our district, Janet was at the forefront of making sure job-readiness remained a foundational element of Canyon’s mission and vision. Through her illness, Janet showed us all what grace and courage truly look like. Her memory will live on in the countless Canyons students who will graduate high school ready to succeed in the workplace, become leaders in their industries and communities, and strengthen the economic foundation of the state.”

**8. New Business**

A. 2026-2027 Fee Schedule (Second Reading) – Leon Wilcox, Business Administrator

Mr. Wilcox highlighted new information since the last meeting. The Public Education Appropriations has requested the \$17.8M be reinstated and not required for the District to repay. The mock-trial fee has been added and is the same amount as debate. As of February 13, 2026, the House committee has not met to discuss HB121 regarding charging a class fee for science classes. HB142 allowing a fee waiver for second school trip did pass the House 73-0-2 and is now waiting a Senate Committee. The District will seek additional feedback from parents before the final reading on March 3, 2026. Document and presentation available on [Diligent Community](#)

B. Long Range Planning Committee Update – Leon Wilcox, Business Administrator

Canyons School District is invested in stabilizing enrollment and strengthening schools through addressing enrollment issues, feeder health and reinvesting in aging elementary schools. CSD is facing long-term enrollment declines driven by demographic shifts. The District's responsibility is to protect strong K-12 feeder systems, preserve student opportunities, reinvest in aging elementary schools and be responsive to the communities served.

Mr. Wilcox reviewed the number of students who reside in the District but attend Charter Schools.

The revised recommendations reflect months of review and input from employees, families and the community. The District has responded to community feedback by keeping feeders intact, avoiding splitting committees, strengthening Jordan feeder and addressing aging K-5 schools. The committee is examining possible boundary changes to support Eastmont Middle. The Long-Range Planning committee provided recommendation for phased school rebuilds.

The District is continuing to study districtwide enrollment trends, and the health of school feeder systems. Public Hearings are scheduled for Granite Elementary on March 10, 2026, at 6pm, and Park Lane Elementary on March 19, 2026, at 6pm. Presentation available on [Diligent Community](#)
