Dear Members of the School Board,

I am requesting an amendment to Bloomington Hills Elementary's TSSA plan for the current school year. Specifically, I would like to allocate **\$20,000.00 from our TSSA budget for technology enhancements** to support our students and staff.

This investment would make a meaningful difference by improving access to instructional tools, strengthening digital learning opportunities, and supporting classroom innovation across all grade levels.

Thank you for considering this request and for your continued commitment to Bloomington Hills Elementary and the students we serve.

Kristie Wheeler

Principal, Bloomington Hills Elementary
