Unfinished Business

1. Board Member Bryan Matthews was not able to follow up with the trailer waste water concern. It was not an appropriate time to bring up the issue. He will follow up with the land owner before the next meeting in February.

New Business:

1. Board Member Lane Allred asked if Board Member David Allred was able to get into Civic Review to sign off on the pending building permits. David has not signed off on it yet but will take care of it before he asks for inspection. Lane stated that there have been issues with current building permits not giving the 30-foot variance on both sides of the property. There is also an issue of having a home facing a gathering street, they cannot run a sidewalk out to that street. Home owners have been notified. Lane will also discuss with Terry Allred so that it doesn't continue to happen.
2. Neva attempted to update some of the type-o errors on the Rocky Ridge Town web site but was not able to save them. She will need to work with Tim Allred to have them corrected.
