A representative participating electronically confirmed receipt of staff comments regarding road dedication requirements and stated that the required roadway dedication would be reflected on the mylar. This change would allow property owners greater flexibility in placing multiple exempt structures on a parcel.

The subdivision included dedication of roadway rights-of-way along the west, south, and east boundaries to ensure access to both lots. It was confirmed that the roadway would become Town-owned right-of-way and that the Fire Chief had reviewed and approved the access configuration.

**MOTION:** Commissioner Hood motioned to approve a Simple Lot Subdivision Application for lot AV-1364-A, 1650 South 2200 East for Anthus Barlow.
