Re: Local Consent Request - Restaurant Full Service for Porter's Restaurant

---

Jacob Cochrane requests local consent to apply for a Restaurant - Full Services Alcohol License through the Department of Alcoholic Beverage Services.

Full-service restaurant liquor licenses are issued for the storage, sale, service, and consumption of liquor, wine, heavy beer, and beer on the premises of a restaurant that is engaged primarily in serving meals to the general public. Patrons may only purchase alcoholic beverages in conjunction with an order for food that is prepared, sold, and served at the restaurant. Each restaurant must maintain at least 70% of its total restaurant business from the sale of food.

The applicant provided a brief summary of the request:

To whom it may concern,

We have recently purchased Porter's Restaurant. We are asking the city to approve and sign a local consent form so that we can apply with the DABS for a liquor license. Thank you for your consideration.

Sincerely,

Jacob and Melissa Cochrane
