Subject: Code Enforcement Update

At last month's council meeting, Council Member Paul Luwe requested an update on code enforcement services. Code Enforcement Officer Matt Johnson will provide a presentation at next week's work meeting. This will be a high-level review (i.e., number and types of complaints, etc.) Then we can consider a closed session at the March 17, 2026, regular meeting to discuss specific cases.

Matt will also update the council on the night-sky lighting audit.
