

LEA Annual Assurances SFY27

Overview

The LEA Assurances document is reviewed annually to ensure accuracy and maintain compliance with state and federal assurances. The updates this year include:

- Updated links for programs transferred to the Department of Labor
- Constitutionally Protected Prayer update from Department of Education
- CPR Training in Health Core Standards added

Section Details

Consolidated Pre-Application

This feature allows LEAs to apply and budget for multiple federal awards in one pre-application. The federal assurances for the Individuals With Disabilities Education Act (IDEA), Every Student Succeeds Act (ESSA), and those involving general grant compliance have been moved to this pre-application section to simplify reporting.

State and other Federal

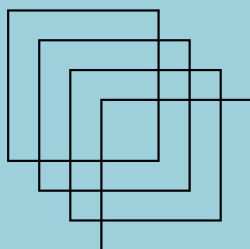

All state and other federal assurances, including the Adult Education and the Career and Technical Education, remain on the main document. Links for programs transferred to the Department of Labor have been updated.

Legislative Session

This section will be added to highlight any new assurances that are introduced during the Legislative session to ensure LEAs are made aware of new requirements.

High-Risk from Internal Audit

The USBE Internal Audit staff document the areas of non-compliance with LEAs from the previous year. The assurances for those high-risk items has been added with the goal of increasing future compliance. This is not a required section.
