UTAH STATE BOARD OF EDUCATION

Waiver of Administrative Rule

UAC R277-121 allows an LEA to request a waiver from a Board rule. This cover sheet should be used as a checklist in preparation for the necessary materials and supporting documents.

1. **LEA:** Box Elder School District
2. **SCHOOL(S):** Park Valley, Grouse Creek, Snowville
3. **RULE REQUESTING TO BE WAIVED:** 4-Day Work Week
4. **REASONING/JUSTIFICATION FOR REQUESTED WAIVER:**

The Snowville Elementary, along with its sister schools, Grouse Creek School and Park Valley School, is located in remote, rural communities in Box Elder County. The remote nature of the community requires students and employees to travel substantial distances to and from school and extracurricular activities.

Our full-time principal oversees Snowville Elementary, Park Valley School, and Grouse Creek School. Since all three schools are 40 to 90 miles away from the nearest town, having a Friday off to schedule appointments reduces absenteeism. Having the same schedule also allows teachers to be part of a Professional Learning Community through technology at the exact times and dates.

A strong, uninterrupted academic program is of primary importance to the District. The 4-day work week has been a successful solution to preserving the educational environment while supporting participation in extracurricular activities by scheduling competitions requiring the longest travel on Fridays.

The implementation of the 4-day work week has had a positive impact on the learning environment and has accommodated community support for school activities from all three schools. We have fewer student absences, more uninterrupted instructional time, and student achievement scores in English, Math, and Science exceed the state average. Additionally, the District experiences cost savings from fewer substitutes, fewer transportation days, and a minor reduction in overhead costs due to the reduced school week.

As you already identified, you must receive approval of your Charter Authorizer as well as your school's governing board. The approvals must take place by a vote of each board in an open meeting. You can attach a copy of the meeting minutes or a letter from the governing board leadership/chair. When the request is presented to USBE, the Board members will be especially interested in why you want the waiver, how it impacts students, and your school's overall student achievement. I will provide the required Agreement once you have provided all of the other required information.

When you have collected the required information, please email it to me. I will then request that the matter be placed on the USBE Law and Licensing Committee Agenda. This meeting is held once a month on the day following the USBE monthly meeting. The Committee will review the request, and if approved, it will be placed on the following month's USBE Meeting Agenda for consideration by the full Board.

Western School Public Comment Notice
4-Day School Week Renewal Application

Dear Parents and Guardians,

As part of the renewal process for our 4-Day School Week waiver, the state requires schools hold public comment meetings to engage with stakeholders. These meetings give families, staff, and community members the chance to hear the rationale for continuing the 4-day schedule, share concerns, and learn how the school plans to address feedback.

We invite you to join us for these important discussions on:

Monday, November 17th

- 2:45 PM – Grouse Creek School
- 4:30 PM – Park Valley School
- 5:45 PM – Snowville School

Purpose: To explain why we are seeking the waiver and to listen to your questions and concerns.

Your voice matters in this process. Please plan to attend and share your thoughts as we work together to shape the future of Western Schools.

For questions, contact: Melissa Morris at 435-720-2039 melissa.morris@besd.net
