Action Item

Recommended Action:

MOTION FOR THE BOARD: That the Board request the USDB foundation add a Utah State Board of Education board member to the USDB Foundation Board as a voting member.

Purpose of Memo:

Recommended by leadership

Background:

The Board will discuss the implementation of a new electronic giving capability on the USDB website designed to support student enrichment and extracurricular activities. While the USDB Education Foundation remains a vital partner for general philanthropic support, this new feature allows donors to contribute funds directly to the school with specific intent for student-centered programming.

This update provides an additional, streamlined pathway for community investment, ensuring that targeted donations can be efficiently processed and applied to the Board's identified priority areas for USDB students.
