Recycling	7	5	4	0	1	1	5	4	3	8	6	6	50
Total	18	6	13	7	15	10	14	12	11	20	15	20	161

2025 Cans Replaced

On average 13 a month

Rotational Molding (current container)

\$134 per container

5-year warranty

- ◇ 100-gallon container
- ◇ No extra storage needed (historically we have ordered less than 100 cans)
- ◇ Rotational molded manufacturing
- ◇ Containers have lasted over 15 years
- ◇ Pleasant View has used Rotational Molding for over 25 years
- ◇ Code change recommended for the low 5-year warranty
- ◇ Fee change required
- ◇ High cost for container

The cost per container over a 15-year period would be \$0.74 per month

This would take the current garbage rate of \$15.50 to \$16.24 per container

Extra garbage container rate \$16.50 to \$17.24

This would take the current recycling rate of \$7.50 to \$8.24 per container

Extra recycling container rate \$8.50 to \$9.24

Toter

\$71.12 per container

12-year body warranty

- ◇ 96 Gallon container
- ◇ Order amount is 312 (more storage required)
- ◇ Advanced rotational molding process (MDPE)
- ◇ Unknown can life expectancy (company Established in 1962)
- ◇ Compatible with republic trucks
- ◇ Fee change required

The cost per container over a 15-year period would be \$0.40 per month

This would take the current garbage rate of \$15.50 to \$15.90 per container

Extra garbage container rate \$16.50 to 16.90

This would take the current recycling rate of \$7.50 to \$7.90 per container

Extra recycling container rate \$8.50 to \$8.90

Schafer

\$53.14 per container

10-year warranty

- ◇ 95 Gallon container
- ◇ Order amount is 403 (more storage required)
- ◇ Injection molded (HDPE)
- ◇ Unknown can life expectancy(company established in 1937)
- ◇ Same container that Republic uses
- ◇ Compatible with republic trucks
- ◇ Fee change required
- ◇ (Fiscally responsible option)

The cost per container over a 15-year period would be \$0.30 a month.

This would take the current garbage rate of \$15.50 to \$15.80 per container

Extra garbage container rate \$16.50 to \$16.80

This would take the current recycling rate of \$7.50 to \$7.80 per container

Extra recycling container rate \$8.50 to \$8.80

Republic Managed

(city owned containers)

Close to \$100 per container

- ◇ Amending the contract with republic
- ◇ City is required to commit to republic for extended time
- ◇ Republic would be responsible of replacing and deliver once a week
- ◇ City would not have to deliver/replace containers
- ◇ Containers will have no label
- ◇ Possible tracking complications
- ◇ The plan is flexible on how the city would want it to work
- ◇ No storage required by the city

The cost per container over a 15-year period would be \$0.56 per month

This would take the current garbage rate of \$15.50 to \$16.06 per container

Extra garbage container rate \$16.50 to \$17.06

This would take the current garbage rate of \$7.50 to \$8.06 per container

Extra recycling container rate \$8.50 to \$9.06

Republic Managed

(Republic owns containers/5-year replacement plan)

Contract rates will be changed

- ◆ Amending the contract with republic
- ◆ Unknown rate increase on city/residents
- ◆ Republic owns and maintains all containers
- ◆ If contract is not renewed city would possibly have to replace all containers republic owns

\$1.50 to \$2.50 per container

This could take the current garbage rate of \$15.50 to -\$17-\$18 per container

Extra container rate \$16.50 to \$18-\$19

This would take the current garbage rate of \$7.50 to \$9-\$10 per container

Extra container rate \$8.50 to \$10-\$11

Review

- For all options fee rates will need to be adjusted and approved by city council
- With the two Republic options this will require a contract amend and possible additional rate increases

This shows what the resident's monthly bill would increase to

Pricing is Subject to change on the cost of containers.

- ◇ Rotational molding (current container)
- ◇ \$1.48 Monthly rate increase

- ◇ Toter
- ◇ \$0.80 Monthly rate increase

- ◇ Schafer (Staffs recommendation)
- ◇ \$0.60 Monthly rate increase

Pricing is subject to change based on the contract with Republic and the cost of containers.

- ◇ Republic Managed (city owned containers)
- ◇ \$1.11 Monthly rate increase

- ◇ Republic Managed (5-year replacement Republic owned containers)
- ◇ \$3-\$5 Monthly rate increase
