#### DISCUSSION AND POSSIBLE ACTION ITEMS

4. Ordinance O-2026-01, Amend Title 10.28.250 Smaller Accessory Building Exempt From Building Permit Requirements.

Ordinance O-2026-01 was discussed. The Chairman explained that a previous amendment had increased the allowable size of certain accessory structures, including shipping containers. The proposed amendment would increase the maximum cumulative square footage of structures exempt from a building permit from 1% to 3% of the lot size. This change would allow property owners greater flexibility in placing multiple exempt structures on a parcel.

Ordinance O-2026-02 was discussed next. The Chairman explained that the applicant owned 20 acres and sought to change the zoning from OST to AG-5 to allow construction of a new primary residence.
