4. Possible Action Items

Appointment of Interim Superintendent

Move to appoint Interim Superintendent to be Matthew Keyes.

Moved by: Kathy Williams

Seconded by: Dave Bierschied

Matthew would be taking the role of Interim Superintendent and taking on the roles that come with that. In doing so we would name Jeri Hamilton our acting Business Administrator and she will take some of the responsibilities of the Business Administrator. Matt and Jeri have talked about this extensively in the event that things moved in this direction and she is comfortable in taking on this role.

Question of how to roll out this information. Would there be a possibility of rolling this out and meeting with the press, a newspaper for example, for an interview and have the positive information available to the public. Allowing the information of looking forward and

making better choices for the district and the students in the district be known. More than likely the press would be coming to Matt and he would not need to take those first steps to reach out to the press. Letter was reviewed that Melissa will send out to the staff and public of this announcement.

Jenna Woodbury makes a motion to adjourn the meeting.

Lauralee Green seconds the motion.

Meeting adjourned at 3:22 pm.
