# 2026 Conservation Tree Program

## The Stock

We offer bare root seedlings which come in a variety of species and sizes and are adaptable to a wide variety of environmental conditions in our area. The stock is all Grade A quality and is packaged to ensure the best possible pre-planting handling conditions.

**We have no control over the handling of plants after distribution to customers. We cannot guarantee the survival of the stock after planting.**

Stock supplies are limited, so orders are filled on a first come, first-served basis and late orders may not be filled. If we are unable to fill your order completely, your order form and payment will be returned to you. We cannot fill partial orders. Please check the USU Extension office for updates on which trees are out of stock.

**Trees and Shrubs will be available for pick-up on May 1, 2026** at the SUU Valley Farm in Cedar City from 8 am to 5 pm. Any extra trees or shrubs will be available for sale on a first-come first-serve basis that day.

## The Purpose

Plantings are generally intended to address conservation goals such as livestock protection, wildlife habitat, energy conservation and wind control. However, there are no restrictions on use. Windbreaks and shelter belts are excellent uses of these plants.

## Contact Information:

For further information or assistance, please contact:  
Tyce Palmer: 435-691-1498  
Katie Gurley: 801-921-0776  
USU Extension Office: 435-5786-8132

## The Cost

In order to target conservation purposes such as windbreaks and shelter belts, **plants must be ordered in multiples of five of each individual species.** On the day of distribution to customers, (May 1, 2026) any extra trees will be available for sale. These trees will not need to be purchased in multiples of 5.

Also, payment in the form of cash, check or Venmo must be received in order for us to secure the stock you request. **A returned check fee of \$25 will be charged for all checks returned unpaid.**

Please make checks payable to E&I Conservation District and mail to:

E&I C D P.O. Box 1566 Cedar City, UT 84721

Or drop off cash or check in-person to:

Iron County Extension Office at 585 N. Main St, Suit 4, Cedar City, UT 84721

Or email order form to: [gurleykatie06@gmail.com](mailto:gurleykatie06@gmail.com) with Venmo 4-digit code 0776.

## About our Tree Program

The profits from this program go back to our 7 local conservation districts who address locally led conservation projects and issues in our communities and watersheds, including education and scholarship opportunities for our local students.

For more information on the conservation districts, please visit [www.usacd.org](http://www.usacd.org) or [www.ag.gov](http://www.ag.gov)

Please visit [extension.usu.edu/iron/tree-list](http://extension.usu.edu/iron/tree-list) for tree descriptions and pictures.

**Pick-up location: SUU Valley Farm,  
S Westview Dr. Cedar City, UT 84720**
