The Council has elected to hold a second public hearing, which it may do under City Code 2.58.040(D), and the future uses of the property must be restricted under FAA regulations (nonresidential and compatible with the airport operations). 4. **Ordinance: Alley Vacation East of 519 East Browning Avenue**

If approved, this section of the alley would be divided and allocated to the property owners abutting the portion of the alley that is vacated. The applicant has requested the vacation due to the existing detached garage, which appears to be on the applicant’s property, but was built in 1958, making the alley not passable from Browning Avenue to Sherman Avenue since that time. The northern portion of the alley, from Sherman Avenue to the middle of the block, will not be affected by this vacation request and will remain open to all users. Located within Council District 5. Petitioner: Amy and David Beecham, owners of 519 East Browning Avenue. Petition No.: PLNPCM2025-00883.

The proposal would also amend the Sugar House Community Master Plan Future Land Use Map from Mixed Use-Low Intensity to Business District Mixed-Use – Town Center Scale.
