RE: Public Safety Advisory Committee Position

Dear Members of the Governing Board,

I am writing to express interest in serving on the UCA Public Safety Advisory Committee. I am currently employed by L3 Harris as the Senior Sales Representative for the State of Utah and support all the public safety agencies with our products. I live now with my husband in South Jordan and have lived in the Salt Lake valley for over 17 years.

My career began in wireless networking and telecommunications; I have over 35 years of experience with companies which include Verizon, IBM, Motorola and Johnson Controls. I also spent several years as the Vice President of Sales for a start-up company in Silicon Valley that launched one of the first fixed wireless networks for Sprint (now T-Mobile) in over 14 U.S. cities using the MMDS licensed spectrum.

I have a very broad background in RF and I.T. networking, working with call centers, video surveillance, cloud storage and computing along with outsourcing professional services. I believe that my knowledge of the technologies, along with over 15 years of management experience, should make me a strong candidate to advise on this committee.

Thank you for your consideration. I would be honored to serve on this committee for Utah Communications Authority.

Best Regards,

Deb Howell
Sr. Sales Exec. Utah
