

ZIONS PUBLIC FINANCE, INC.

Agreement for Municipal Advisory Services

THIS AGREEMENT is being entered into as of the ____ day of _____, 2026 by and between the PROMONTORY COMMERCE CENTER PUBLIC INFRASTRUCTURE DISTRICT NOS. 1, 2 and 3 (each a “District” and collectively, the “Districts”) and ZIONS PUBLIC FINANCE, INC., a wholly-owned subsidiary of Zions Bancorporation, N.A., (“Zions”).

WITNESSETH

WHEREAS, the Districts desire to receive professional municipal advisory services from an independent Municipal Advisor; and

WHEREAS, Zions, as a registered “municipal advisor” with both the Securities Exchange Commission (“SEC”) and Municipal Securities Rulemaking Board (“MSRB”), is qualified and capable to provide such services to the Districts, including, without limitation, preparing pricing certification for the Districts’ financings; and

NOW, THEREFORE, the Districts and Zions agree as follows:

1. Zions acknowledges that, under this Agreement and in accordance with the rules and regulations adopted by the SEC and MSRB, it owes certain duties to the Districts and agrees to act in accordance with these rules and regulations, as applicable. Zions agrees to provide the following services to each District, as requested:

(p) Monitor market conditions to identify refunding opportunities for interest savings. Analyze purported savings in refunding proposals made by other market participants.

(q) Any additional services listed in **Exhibit A** hereof as mutually agreed upon by Zions and the District.

The Districts acknowledge and agree that tasks requested by the Districts may not require all services described above and, as such, the specific scope of services for such tasks shall be limited to just those services requested by each District, individually, to be completed.

2. Zions hereby confirms that it is registered as a “municipal advisor” with the SEC and MSRB. Zions will not provide municipal advisory services to the Districts under this Agreement with respect to any commercial banking transaction between a District and Zions.

3. The Districts agree that in consideration for the foregoing services to be performed by Zions, the Districts shall:

(a) Cooperate with Zions and provide all information which is reasonably required to enable Zions to fulfill its duties to the Districts hereunder.

(b) Pass such ordinances and resolutions and perform such reasonable acts as may be necessary to assure compliance with all applicable laws, ordinances and constitutional provisions pertaining to the issuance of their securities and other related services.

(c) Furnish Zions with certified copies of all minutes from meetings and proceedings taken, affidavits of publications, etc., in connection with any of the securities issued by the Districts.

(d) Pay Zions for services herein outlined and other services incidental hereto in accordance with **Schedule 1** hereof.

MSRB Rule G-42 requires that Zions make a reasonable inquiry as to the facts that are relevant to the Districts’ determination whether to proceed with a course of action or that form the basis for any advice provided by Zions to the Districts. The rule also requires that Zions undertake a reasonable investigation to determine that it is not basing any recommendation on materially inaccurate or incomplete information. Zions is also required under the rule to use reasonable diligence to know the essential facts about the Districts and the authority of each person acting on the Districts’ behalf.

The Districts agree to cooperate, and to cause their agents to cooperate, with Zions in carrying out these regulatory duties, including providing to Zions accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such duties. In addition, each District agrees that, to the extent each District seeks to have Zions provide advice with regard to any recommendation made by a third party, said District will provide to Zions written direction to do so as well as any information it has received from such third party relating to its recommendation.

Each District hereby acknowledges and agrees with the Disclosure Statement attached hereto as **Exhibit B**.

4. It is understood that the execution of this Agreement secures the services of Zions as each District's Municipal Advisor until such District is dissolved or the contract is terminated as permitted herein. Either party may cancel and terminate this Agreement on any date, for any reason, upon 30 days' prior written notice to the other party of such termination. The termination of this Agreement with respect to a District shall only apply to such District's interests and shall not affect this Agreement as it applies to the other Districts.

5. The information used in developing forecast assumptions will be derived from published information and other sources that Zions considers appropriate. However, Zions does not assume responsibility for the accuracy of such material. Forecasts are subject to many uncertainties; therefore, Zions does not represent that any projections of growth will be representative of the results that actually will occur.

6. In the absence of willful misconduct, bad faith, gross negligence or reckless disregard of obligations or duties hereunder on the part of Zions or any of its associated persons, Zions and its associated persons shall have no liability to the Districts for any act or omission in the course of, or connected with, rendering services hereunder, or for any error of judgment or mistake of law, or for any loss arising out of any issuance of municipal securities, any municipal financial product or any other investment, or for any financial or other damages resulting from the Districts' election to act or not to act, as the case may be, contrary to any advice or recommendation provided by Zions to the Districts. No recourse shall be had against Zions for loss, damage, liability, cost or expense (whether direct, indirect or consequential) of the Districts arising out of or in defending, prosecuting, negotiating or responding to any inquiry, questionnaire, audit, suit, action, or other proceeding brought or received from the Internal Revenue Service in connection with any issue or product or otherwise relating to the tax treatment of any issue or product or in connection with any opinion or certificate rendered by counsel or any other party. Notwithstanding the foregoing, nothing contained in this paragraph or elsewhere in this Agreement shall constitute a waiver by the Districts of any of its legal rights under applicable U.S. federal securities laws or any other laws whose applicability is not permitted to be contractually waived, nor shall it constitute a waiver or diminution of Zions's duties to the Districts under SEC and MSRB rules.

7. Zions' services consist solely in providing financial advisory services to municipalities as a municipal advisor and consultant. Zions does not render any legal, accounting or actuarial advice.

8. This Agreement shall be interpreted under the laws of and enforced in the courts of the State of Utah.

9. To the extent permitted by law, any dispute, controversy or claim arising out of or based upon the terms of this Agreement or the transactions contemplated hereby shall be settled exclusively and finally by binding arbitration. Upon written demand for arbitration by any party hereto, the parties to the dispute shall confer and attempt in good faith to agree upon one arbitrator. If the parties have not agreed upon an arbitrator within thirty (30) days after receipt of such written demand, each party to the dispute shall appoint one arbitrator and those two arbitrators shall agree upon a third arbitrator. Any arbitrator or arbitrators appointed as provided in this section shall be selected from panels maintained by, and the binding arbitration shall be conducted in accordance with the commercial arbitration rules of, the American Arbitration Association (or any successor organization), and such arbitration shall be binding upon the parties. The arbitrator or arbitrators shall have no power to add or detract from the agreements of the parties and may not make any ruling or award that does not conform to the terms and conditions of this Agreement. The arbitrator or arbitrators shall have no authority to award punitive damages or any other damages not measured by the prevailing party's actual damages. Judgment upon an arbitration award may be entered in any court having jurisdiction. The prevailing

party in the arbitration proceedings shall be awarded reasonable attorney fees and expert witness costs and expenses.

10. In the event any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, to the extent permitted by law, such holding shall not invalidate or render unenforceable any other provision hereof.

11. This Agreement and the attached Exhibits and Schedules constitute the entire agreement between Zions and the Districts and supersedes any prior agreement between Zions and the Districts with respect to municipal advisory services provided hereunder, except as is set forth in an Addendum, if any, which is made a part of this Agreement and which is signed by both Zions and the Districts.

Zions Public Finance, Inc.
Disclosure Statement of
Municipal Advisor

REGULATORY DISCLOSURES: MSRB RULE G-42

The Municipal Securities Rulemaking Board (MSRB) Rule G-42 requires all Municipal Advisors to disclose to their clients, in writing, any actual or potential material conflicts of interest, including with respect to certain specifically identified categories in Rule G-42, if applicable. Zions Public Finance, Inc. (hereinafter “Zions”) makes the disclosures set forth below with respect to material actual or potential conflicts of interest in connection with our Agreement for Municipal Advisory Services (the “Agreement”) dated _____ with the District, together with an explanation of how Zions addresses, or intends to manage or mitigate each conflict.

Mitigation of Conflicts of Interest

With respect to each actual or potential conflict disclosed below, (i) for its municipal entity client, Zions mitigates such conflicts through adherence to SEC and MSRB rules, including compliance with our fiduciary duty and duty of fair dealing to the client, which includes a duty of loyalty in performing all municipal advisory activities for the client and (ii) for its obligated person client, Zions mitigates such conflicts through adherence to SEC and MSRB rules, including compliance with our duty of care and duty of fair dealing, in performing all municipal advisory activities for the client. Because Zions is part of a much larger banking organization, our profitability is not dependent on maximizing short-term revenues generated from our municipal advisory activities, but instead is dependent on long-term profitability built on a foundation of integrity, quality service, and compliance with SEC and MSRB rules.

Compensation Based Conflicts

Zions may receive compensation from the District for services rendered which may be contingent upon the successful closing of a transaction, and/or where our compensation may be based in whole or in part on the size of the transaction. In other situations, our compensation may be based upon an hourly rate or rates. In still other situations, our compensation may be based upon an annual retainer or a fixed fee for a given project. While these forms of compensation are typical in the municipal securities market, each of these methods of compensation may present a potential conflict of interest regarding our ability to provide unbiased advice to enter into such transaction.

For example, fees that are (i) dependent upon the size of and successful closing of a transaction could create an incentive for Zions to recommend unnecessary, oversized, or disadvantageous financings in order to increase our compensation; (ii) based upon an hourly rate could create an incentive for Zions to recommend alternatives that result in greater hours worked; and (iii) based upon an annual retainer or fixed fee could incentivize Zions to recommend less time-consuming alternatives or fail to do a more thorough analysis of alternatives. In each case, Zions represents that the potential conflict of interest relating to compensation will not impair our ability to render unbiased and competent advice, to fulfill our duties as described above to the District, and to comply with SEC and MSRB rules.

Relationship Based Conflicts

Zions has numerous municipal advisory relationships with various governmental entities that may from time to time have interests that could have a direct or indirect impact on the District's interests. For example, Zions' other municipal advisory clients may from time to time, and depending on specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, Zions could potentially face a conflict of interest arising from these competing client interests. In addition to the general mitigations described above, Zions will mitigate any such potential conflict through full written disclosure to the District in a timely manner.

In addition to serving as municipal advisor to the District, Zions may, from time to time, serve as a municipal advisor to a conduit borrower. In such event, the District and the conduit borrower may have conflicting interests with regard to fees, terms of the issuance, and other matters. In addition to the general mitigations described above, Zions will mitigate any such potential conflict through full written disclosure to both the conduit borrower and the District in a timely manner.

Affiliate Based Conflicts

As a part of ZIONS BANCORPORATION, N.A., a nationally-chartered banking association, Zions has many affiliated businesses that have provided, or desire to provide, services to governmental entities, including the District.

These affiliates include:

- Zions Bank Corporate Trust, a service department of ZIONS BANCORPORATION, N.A, and related to Zions ("Corporate Trust"), offers corporate trustee and custodial services to municipal issuers and obligated persons. If a client engages in these services, it is done directly with Corporate Trust under a separate agreement.
- Zions Capital Advisor Institutional Liquidity Management ("ZCA"), an affiliate and SEC registered investment advisor provides discretionary money management to institutional clients for a fee. If the client engages ZCA for these services, it will be dealing directly with ZCA under its own agreement and disclosures.
- Zions Bank Capital Markets, an affiliated bank dealer, provides underwriting and dealer services to institutional clients including municipal issuers. Additionally, the dealer may take positions or underwrite securities for other municipal issuers.
- Zions Bank, a division of ZIONS BANCORPORATION, N.A, provides traditional banking services to municipal clients through their branch locations and treasury departments. Any products or services offered are subject to the terms and conditions of the bank agreement for the engagement.

Corporate Trust is the only affiliate that may be expected to provide services that are directly related to the Municipal Advisory activities to be provided by Zions within the scope of services under the Agreement. Corporate Trust acts as a Paying Agent, Registrar, Trustee, and Escrow Agent to municipal clients on municipal financings. Corporate Trust's desire to do business with the District could create an incentive for Zions to recommend a course of action that increases the level of the District's business activity with this affiliate. In addition to the general mitigations described above, in the event that Zions makes a recommendation to the District that could influence the level of business with Corporate Trust, Zions will consider alternatives to such

recommendations which will be disclosed to the District along with the potential impact such recommendations and alternatives would have on the District and the affiliate.

As further described below, Zions Bank, an affiliate of Zions, may from time to time make bank loans to or purchase leases or securities from the District, which such loans and purchases are expressly excluded from the scope of the Agreement.

After reviewing our list of existing affiliate relationships and upcoming transactions, we cannot identify any existing material conflicts of interest that would prevent us from serving as municipal advisor to the District or that are not mitigated by compliance with SEC and MSRB rules. If Zions becomes aware of any additional potential or actual material conflicts of interest after this initial disclosure, Zions will disclose the detailed information, in writing, to the District in a timely manner.

Legal or Disciplinary Events

As registered municipal advisors with the Securities and Exchange Commission (the “SEC”) and the Municipal Securities Rulemaking Board (the “MSRB”), pursuant to the Securities Exchange Act of 1934 Rule 15Ba1-2, our legal, disciplinary and judicial events are required to be disclosed on our Forms MA and MA-I filed with the SEC, in ‘Item 9 Disclosure Information’ of Form MA, ‘Item 6 Disclosure Information’ of Form MA-I, and if applicable, the corresponding disclosure reporting page(s) (“DRP”). Zions Public Finance, Inc. has updated the firm’s Form MA for a recent SEC event related to the use of off-channel communication related municipal advisory activities. To review the foregoing disclosure items and material change(s) or amendment(s), if any, clients may electronically access the firm or individual advisors filed Forms MA and MA-I on the SEC’s Electronic Data Gathering, Analysis, and Retrieval system, listed by date of filing starting with the most recently filed, at:

Zions Public Finance, Inc:

<https://www.sec.gov/edgar/browse/?CIK=1628261>

If any material legal or disciplinary event is required to be disclosed on Form MA or any Form MA-I, Zions will provide such disclosure to you, allowing you to evaluate such legal or disciplinary event.

Contract Exemption for Bank Transactions

In our proposed Municipal Advisory Agreement, there is a provision that specifically excludes from the Agreement commercial banking transactions between Zions and the District (“Bank Transactions”).

If a municipal entity client determines that it would like one of Zions’ affiliates to directly engage in a Bank Transaction and provided that Zions has not previously provided any advice to municipal entity client on the Bank Transaction, Zions will deliver to municipal entity client an additional disclosure document.

REGULATORY DISCLOSURES: MSRB RULE G-10

Rule G-10 requires municipal advisors to provide certain notices to clients within specified timeframes.

Zions hereby provides, and no less than once each calendar year hereafter during the course of the municipal advisory relationship will provide, in writing (which may be electronic) to the client, the following items of information:

- (i) Zions Public Finance, Inc. is registered as a “municipal advisor” with the SEC and the MSRB, as

required by section 15B of the Securities Exchange Act and the rules adopted by the MSRB;

- (ii) the website address for the MSRB is www.msrb.org; and
- (iii) the MSRB has made available on its website a municipal advisory client brochure that describes the protections that may be provided by MSRB rules and how to file a complaint with the appropriate regulatory authority.

Schedule 1 Fees

Each District will pay Zions a fee for each transaction as follows:

1. For services outlined in Section 1(a) through 1(p) of the Agreement, the issuing District shall pay a fee of \$2.00 per \$1,000 of proceeds delivered with a minimum of \$20,000.
2. For optional services 1-4 listed in Exhibit A of the Agreement, the District requesting such services shall pay a fee mutually agreed upon by such District and Zions after the scope of such additional services has been determined.
3. If a District desires that Zions administer the billing, collecting and accounting functions related to Special Assessment Areas as described in number 5 of Exhibit A , such District will pay Zions an additional fee, which if assessment liens are cleared upon the sale of property would be a \$10,000. If, however, property is sold to other owners including home builders, and the assessment lien is assumed by other others, the annual fee will increase to \$20,000. As subdivided and if sold to prospective homeowners and no permit is pulled, the fee would increase to \$30,000. If the option of modifying the assessment lien methodology is present in the Assessment Ordinance and is exercised, a fee of up to \$5,000 would be charged each time the assessment method is changed.
4. Fees for delivering a pricing agent certificate as contemplated in number 6 of Exhibit A will range from \$5,000 to \$20,000 depending on the timing and par amount of the transaction.
