

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: Update to the LEA Annual Assurances Document

Agenda item type:

Action Item

Recommended Action:

AMENDED MOTION: That the assurance items identified in green be removed from the LEA Annual Assurances document.

MOTION FOR THE BOARD: That the Board approves the LEA Annual Assurances document, as amended.

Purpose of Memo:

Background:

The LEA Annual Assurances document is to be reviewed and updated annually and presented to the Board for their approval. The Policy and Financial Operations staff have reviewed each assurance and made some updates. This document includes required state and federal assurances as well as items deemed high-risk by the USBE Audit staff. Staff are seeking the Board's approval of the updated document no later than the May Board meeting.

Updates to this year's document include:

- New links for programs transferred to the U.S. Department of Labor
- Updated language for Constitutionally Protected Prayer from the U.S. Department of Education
- New state assurance — CPR Training in Health Core Standards, as a result of the State Legislative Session
- Review by Staff in effort to remove items from the list, at the Board's discretion
