NORTHPOINT INFRASTRUCTURE FINANCING DISTRICT
NORTHPOINT ASSESSMENT AREA

SECOND AMENDMENT TO ASSESSMENT ORDINANCE
AND NOTICE OF ASSESSMENT INTEREST

DATED AS OF APRIL 1, 2026

WHEREAS, the Board of Trustees (the “Board”) of Northpoint Infrastructure Financing District (the “District”), adopted a Resolution on October 16, 2025 (the “Authorizing Resolution”), pursuant to which the Board authorized and approved the form of an assessment ordinance and notice of assessment interest, as subsequently amended by a First Amendment to Assessment Ordinance and Notice of Assessment Interest dated January 22, 2026 (together, the “Original Assessment Ordinance”) and the form of the related designation resolution, as subsequently amended by a First Amendment to Designation Resolution dated January 22, 2026 (together the “Original Designation Resolution”); and

WHEREAS, the District, pursuant to the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended (the “Act”), and pursuant to the Original Authorizing Resolution and the Original Designation Resolution, designated the Northpoint Assessment Area (the “Assessment Area”); and

WHEREAS, the District plans to finance the costs of publicly owned infrastructure, facilities or systems as part of an approximately 71.17-acre industrial development (the “Development”). The District plans to levy the assessments to finance the Improvements within the Development. The Board desires to assess and finance the Improvements (plus related land acquisition costs, overhead, administration, capitalized interest, reserves, permits, fees, and closing costs) benefitting the Assessment Area as follows:

-Sewer improvements, including, but not limited to, mains, treatment facilities, lift stations, manholes and manhole linings, sewer cleanouts, and laterals (various sizes).

-Water improvements, including, but not limited to, water tanks, wells, pumps, water treatment facilities, meters, mains, valves, tees/crosses, bends, thrust bonds, fire hydrants, blow offs and appurtenances (various sizes).

-Roads and roadway improvements including, but not limited to, rights of way, earthwork, bridges, curbs, gutters, sidewalks, street signage, centerline monuments, conduit crossings, street striping, streetlights and mailboxes.

-Storm drain improvements, including, but not limited to, drain pipes, wetlands, junction boxes, inlets, culverts, trash racks, rip-rap and geotextile fabric.

WHEREAS, the Original Assessment Ordinance dated January 22, 2025 was signed by the Board, and is in the process of being recorded with the county recorder; and

WHEREAS, concurrent with the execution of this Second Amendment to the Assessment Ordinance and Notice of Assessment Interest (the “Second Amendment to Assessment Ordinance”), the District approved a Second Amendment to Designation Resolution (the “Second Amendment to Designation Resolution”), to amend the developable acreage within the Assessment Area; the assessment amount; and related changes; and

WHEREAS, the District now desires to amend the Second Amendment to Assessment Ordinance to amend the developable acreage within the Assessment Area; the assessment amount; and related changes; and to amend and replace Exhibit A of the Assessment Ordinance, and related changes; and

WHEREAS, pursuant to, and in compliance with, the provisions of Section 16 of the Assessment Ordinance, the Board desires to adopt this Second Amendment to Assessment Ordinance to effectuate the amendments described herein:

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE NORTHPOINT INFRASTRUCTURE FINANCING DISTRICT:

Section 1. Amendment of Sections 2, 6, and 7(b) of the Original Assessment Ordinance. In order to update the amount to be assessed within the Assessment Area, Section 2, Section 6 and Section 7(a) and (b) of the Assessment Ordinance are hereby amended and restated as follows:

Section 2. Determination of Estimated Costs of the Improvements and Right of District to Levy Additional Assessments for Completion. The Board has determined that the estimated acquisition, construction and installation costs of the Improvements within the Assessment Area is \$12,869,226 and the estimated overhead costs, administrative costs, costs of funding reserves, capitalized interest, and debt issuance costs is \$6,896,774, for an estimated total cost of \$19,766,000, all of which shall be assessed within the Assessment Area. Such amount to be levied is an estimate, as permitted under Section 11-42-401 of the Act. The Owners anticipate using additional funding in order to complete the Improvements. If the Assessments and additional funding are not sufficient in amount to complete the Improvements and pay related costs as described above,

the Owners shall be responsible to pay the remaining amount in order to complete the Improvements. However, the District does not guaranty such payments from the Owners. Therefore, if for any reason the Owners do not pay such remaining amount to complete the Improvements, any and all property owners within the Assessment Area shall be responsible for paying any pro-rata share of additional costs required to complete the Improvements, including, but not limited to, an additional assessment on their property without any ability to contest such assessment.

Section 6. Method and Rate. All benefited properties within the Assessment Area will initially be assessed for all of the above-described improvements using a per developable acre methodology (the “Developable Acreage Methodology”), as described below:

<u>Assessment</u>	<u>Assessment Methodology</u>	<u>Total Developable Acres</u>	<u>Assessment Per Developable Acre</u>
\$19,766,000	Developable Acreage Methodology	71.17	\$277,729.38

Notwithstanding the levy of the Assessments, in order to provide additional security for the payment of Assessments, the District shall require that all Assessments of all properties owned by the same Owner within the Assessment Area (or an affiliate of the same Owner) be aggregated as a single unified Assessment against all properties owned by the same Owner within the Assessment Area (or an affiliate of the same Owner). As used in this Ordinance, the term “affiliate” means with respect to any Owner, any Person that controls, is controlled by or is under common control with such Owner, and the term “control” or “controlled” means the ownership of more than twenty percent (20%) of the outstanding voting ownership interests of the Owner in question or the power to direct the management of the Owner in question (subject to any required approvals for major decisions by anyone holding equity interests in the owner in question).

Section 7. Payment of Assessments.

(a) The Board hereby determines that the Improvements have a weighted average useful life of not less than thirty (30) years and requires that Assessments be prepaid for all parcels on or before conveyance of such parcel to a Person who is not an Affiliate of Northpoint Innovation, LLC. Pursuant to Section 11-42-409(5) of the Act, the Owners have consented to aggregate annual Assessment payments which are not in substantially equal amounts and instead aggregate annual Assessment payments shall be in accordance with the debt service payments as shall be established in the Indenture, subject, however, to adjustment as described herein. Interest on the unpaid balance of the Assessments shall accrue at the same rate or rates as shall be borne by the Assessment Bonds, plus an annual administration cost incurred by the District, plus any third party direct out of pocket costs of the District related to the administration and collection of the Assessments. The District may outsource all or a portion of the

administration services, including legal costs or consulting costs as an additional out of pocket cost, including, but not limited to, all costs related to foreclosure (and other remedies) and amendments to this Ordinance.

(b) The District will collect the Assessments by directly billing each property owner rather than inclusion on a property tax notice. The payment for each Assessment shall be due March 1 and September 1 of each year (approximately 30 days after sending the Assessment bills for such period, which shall be sent on or prior to February 1 and August 1 of each year, respectively, estimated to commence February 1, 2029, due to capitalized interest). However, failure to send any such bill by the scheduled date shall not impact the requirement of property owners to timely pay their Assessments on the due date thereof.

Section 2. Amendment to Assessment List. The Assessment List attached to the Assessment Ordinance as Exhibit A is hereby amended and restated to read as Exhibit A hereto.

Section 3. Owner Consent. The District hereby finds and determines that the changes made herein do not materially adversely affect the rights of the Owners under the Original Assessment Ordinance and that all Owners have consented to the execution of this Second Amendment to Assessment Ordinance.

Section 4. All Necessary Action Approved. The officials of the District are hereby authorized and directed to take all action necessary and appropriate to effectuate the provisions of this Second Amendment to Assessment Ordinance, including the filing of a notice with the Salt Lake County Recorder.

Section 5. Assessment Ordinance. Except as specifically amended by this Second Amendment to Assessment Ordinance, the Original Assessment Ordinance shall remain in full force and effect without change. In the event of a challenge to this Second Amendment to Assessment Ordinance, the Board may elect to collect the Assessments pursuant to the Assessment Ordinance.

Section 6. Repeal of Conflicting Provisions; Amendment. All ordinances or parts thereof in conflict with this Second Amendment to Assessment Ordinance are hereby repealed. The Chair (or any assigned designee of the Chair) may make any alterations, changes or additions to this Second Amendment to Assessment Ordinance which may be necessary to conform the same to the final terms of the Assessment Bonds, to correct errors or omissions herein, to complete the same, to remove ambiguities herefrom, or to conform the same to other provisions of this Second Amendment to Assessment Ordinance or any resolution adopted by the Board or the provisions of the laws of the State of Utah or the United States, including technical changes to the description of the boundary of the Assessment Area, so long as those changes do not change the boundaries from those depicted on the maps attached to the Designation Resolution and do not materially adversely affect the rights of the Owners without the consent of such Owners affected.

Section 7. Posting of Ordinance. This Second Amendment to Assessment Ordinance shall be signed by the Chair and Secretary/Clerk and shall be recorded in the ordinance book kept for that purpose. A copy of this Second Amendment to Assessment Ordinance shall be posted in a public location within or near the District's boundaries that is reasonably likely to be seen by individuals who pass through or near the affected area for at least 21 days and a copy of this Second Amendment to Assessment Ordinance shall also be posted on the Utah Public Notice Website (<http://pmn.utah.gov>) for at least 21 days. This Second Amendment to Assessment Ordinance shall take effect immediately upon its passage and approval and posting as required by law.

Section 8. Defined Terms. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Assessment Ordinance.

PASSED AND APPROVED THIS April 1, 2026.
