-Aileen Conder, Commission

Ezra Nair (*Utah County Administrator*) **said they had their first CRA project at the end of last year that has now come on-line. They weren't quite sure going into the 2026 budget if they were going to trigger and start collecting the tax increment, so we passed the budget with no changes to be on the conservative side. We definitely didn't want to overstate the budget. We have now received a revenue, and this resolution represents a recognition of that revenue.**
