Other in Attendance: Roger Stowell, Kay Stowell, Jess Peterson, Howard Quackenbush, Christy Bunker, Joe Carpenter, Vivian Baker, Steve O'Camb, Kevin Morris, Cody Beck and Pat Bennett

Mayor Nielson called the meeting to order and asked for a review of the minutes from February's Town Council meeting, Richard made a motion to approve and Spencer seconded. Then he called for a review of February financials, Spencer made a motion to approve and Miff Seconded.

Richard mentioned Lynndyl needs to adopt the Wild land Urban Interface Code. Fire district is saying lynndyl needs to adopt the HB48 since we are in a high-risk area. All of the council needs to agree otherwise, Lynndyl would be responsible if there was a fire in Lynndyl and it spread outside of Lynndyl and caused damage outside of the town limit. Jess Peterson can get the ordinance to adopt the wildlife Interface Code.

Joe Carpenter mentioned it would be a good idea to be a member of Rural Water. Lynndyl has not been a member since 2002. Rural Water can help with chlorine consulting, bad valves, leak detections etc.

Howard Quackenbush – Owner and director of Delta Physical Therapy and Sports Medicine in Delta Utah. He wanted to know what challenges Lynndyl is facing, and his goal is to represent the county

Steve O'Camb – Candidate for Sherriff – Solved oldest cold case in Vernal. Would like to connect with the people of Lynndyl

Kevin Morris – Running for County Commissioner – Grew up in Hinkley. I worked in Millard County for 45 years. He is ready to start work for the county

Patt Bennet – Running for Sheriff, he said partnerships are critical

Christy Bunker – caretaking the campground – has people wanting to stay in the campground for a year

Cody Beck – Read a letter, neighbors need to show more love for each other in town.

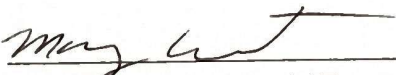

Chase Nielson mentioned we own the property where we can put up a sign for the town of Lynndyl.

Richard Pyne mentioned the fence is up around the new well

Miff Bishop mentioned Scott Wilson will be trimming trees in his yard. We need to have two trees trimmed in front of the post office. The town trees are on the road and will need to be trimmed, cost will be around 800 to trim two trees. Scott Wilson will do the clean up after the trees are trimmed. Council members are all in favor.

Miff Bishop also mentioned she is waiting to chip seal the roads till after we are out of the contract with Trans West.

Matt made a motion to adjourn the meeting, Spencer seconded, meeting adjourned

Mary Carpenter, Lynndyl Town Clerk
